

MINING, BUSINESS AND STOCKS.

AJAX STARTS UP AN EXCITEMENT Rush Made for the Stock on Exchange This Morning.

DISTRICT WILL HAVE A BOOM. California, Silver Belt and Brown Properties to be Pushed.

SALES WERE RAPIDLY MADE May Day Went Down but did Considerable Business at the Reduced Figures.

THE VICINITY IS A GOOD ONE Country Thereabouts is Full of Ore and Needs Only to be Properly Developed.

It was Ajax again today and at this morning's call on the stock exchange the members made a rush for shares. There was care taken, however, to see that the security did not reach too high a price, but the sales were rapid and in lots of from 100 to 1,000 shares.

Recent encouraging developments in the California group of claims near Park City has set owners of properties there to thinking and they announce their intention of taking effective methods for the proper development of the ground.

May Day went down to as low as \$1.42 and sold as high as \$1.60, one sale only being made at that price, and a total of 7,500 shares changed hands at prices ranging between the figures mentioned.

The electric mine locomotive has been an important factor in the economies of mining operations, and its inherent advantages have been demonstrated by years of successful service.
