FEDERAL COURT.

The United States court was in session for a brief spell this morning and Judge Marshall was in his old place on the bench. The most important transaction was the issuing of a decree in the case of I. H. Shaver against the Salt Lake Realty company, quieting the title claimed by the latter to certain property in the southeastern part of the city. It comprises portions of Eighth South street in blocks 2, 3 and 4, plat F. Also part of Twelfth East street. It seems that the real company had mortgaged this property prior to its being subdivided into streets. The property has been used as one of the public thoroughfares for some time, and the court has decreed that the real company has no title to it now.

George Y. Wallace, Jr., and A. C. Hatch were admitted to practice in the Federal court, on motion of Attorneys Varian and Whitcomb.

Judge W. N. Whitcomb has resigned as referee in bankruptcy for Utah county and Elmer E. Corfman has been appointed in his place.

There will be a session of the court tomorrow morning. Some of the more important matters to come up will be in connection with the Ogden water litigation.

It will be turned over to package. Try it. Ask for GRAIN-O.

JUSTICE BARTON A DEFENDANT.

Judge Hall today ordered that Justice G. W. Barton be made a party defendant to the counter-claim in the case of C. D. Morrison vs. Alvina E. Scott, the Morrison Mining company and others. This order was made at the investigation of Mr. Snow and the company, who recently filed their answer, in which charges were made against Justice Barton. It was charged by defendants that Justice Barton, who is president of the company, had conspired with the plaintiff and influenced him to commence the suit, he to share in the profits of the suit if there were any. And that he had worked against the interests of the company and had advised and directed the location of some claims, which the company had already located, by W. H. Child, all of which was in direct conflict with his duties as president of the company.

The court held that a proper showing was made and ordered that Justice Barton be made a defendant.

Decree of Foreclosure. A decree of foreclosure in favor of plaintiff was rendered by Judge Hall today in the case of F. W. Pletcher vs. Eliza D. Salisbury and William F. Salisbury.

The property foreclosed is 8 by 10 1/2 feet of lot 1, block 55, plat A. The amount of the judgment is \$3,500.39, with interest at 12 per cent from this date, \$52.59 attorney's fees and costs of suit taxed at \$15.20. The defendants did not appear to contest the suit so it went by default.

In Estate. Albert T. Erickson has applied for letters of administration of the estate of Catherine L. Erickson, he deceased mother. The estate consists of real property valued at \$1,500, which is described as 4 1/2 by 8 1/2 feet of ground in block 26, plat E. Petitioner states that he is the only heir to the estate. The petition will be heard by Judge Hall on March 7.

Judgment for Defendant. In the damage suit of John L. Johnson vs. De Lamar's Mercantile Mines company, judgment has been entered in favor of defendant, upon motion of plaintiff's attorney.

COURT NOTES. Judge Hall has granted Louisa L. Bergen a decree of divorce from her husband James D. Bergen, on the grounds of desertion and cruelty.

KERL WOMAN HELD. Must Answer to the Charge of Grand Larceny. In Judge Dieh's court this morning the colored woman, Lucile Kerl, charged with committing the theft of \$160 from J. R. Edwards, a Bingham miner, had a preliminary hearing on the charge of grand larceny. The case was prosecuted by Asst. County Atty. Leobourne and defended by Atty. Frank Gustin. J. R. Edwards was the main witness for the state and related how he was employed by the defendant to a rooming house on the corner of 1st and 2nd streets, and how he happened to enter the place in company with the woman. He said he had been there only about an hour when he noticed her going to a cross examination he admitted he went there for unlawful purposes, and he also said he didn't know what currency money she had in her pocket, but he called that the particulars of the woman's flight to Ogden was related to the court and at the conclusion of the hearing he ordered her held to await the action of the district court. In default of \$1,000 bonds, she was taken back to the county jail by Deputy Sheriff J. M. L. Horne.

OLD FOLKS ARE HONORED. Entertained and Dined at Tabernacle—Nice Program Carried Out. St. George, Washington Co., Feb. 28.—The most pleasing social event of the year is the annual old folks party. Those who participated in the festive and social spirit existing yesterday at the tabernacle, cannot but coincide with our opinion. While the ranks of the old people receive a thinning every year there are others being nourished by the hand of time to take their place, and it is a pleasure to note that we have many of the old folks still with us as we have.

The fact there were 44 over the age of 89 years, and 26 who had passed three score and ten. The oldest gentleman and the oldest lady present were presented with an arm chair, and all numbered in the ranks of the 'eighties' were given appropriate presents. Those over 80, with their respective ages, follow: Susannah Keate, 85 years and 8 months; A. D. McArthur, 82 years and 6 months; P. W. Arthur, 82; Sister McArthur, 82; Charles Smith, 82; Sister H. E. Crosby, 82; Henry Wattman, 82; Sister Harriet Black, 81; Richard Bentley, 81; Paul Smith, 81; Charles Terry, 80; Joseph Randall, 80; W. E. Dodge, 80; Eliza Lund, 80.

The guests began to assemble between 11 and 12, and the time until 1:40 p. m. was spent in chatting, receiving old acquaintances and forming new ones. At this time the program commenced by the choir singing "Hail to the Man who Conquered with Jehovah."

Pres. D. H. Cannon offered the opening prayer, "O ye mountains high," Bishop John E. Pace delivered a

short address of welcome. In behalf of the Bishops of the region he bid all present welcome to the celebration of the religious affiliations, after which all the old folks formed a procession and marched to the dining room in the basement.

After the program continued in the auditorium as follows: Pres. D. D. McArthur delivered a spirited address, reviewing old memories in the early days of the Church and the settlement of Dixie.

Brigham Jarvis, as chairman of the committee, welcomed all present in a most cordial manner. Brother and Sister George Woodward and Brother Chas. were unable to be present, but had sent their love and blessings.

James G. Bleak read from a manuscript the last words of the Prophet Joseph Smith, delivered from the pulpit on the Sabbath and to the Nauvoo leaders of the house of the following day, just five days before his martyrdom.

President E. H. Snow in a few happy remarks voiced the appreciation we feel for the untiring labors of the old people in transforming a desert into the pleasant homes which surrounded us, and reviewed the history of the hardships which they endured.

Prof. Christensen made a very earnest and spirited address which was much appreciated, especially by the old folks.

Pres. Thomas P. Cottam delivered a few well chosen remarks.

Prof. Kirkham was present and furnished an excellent musical program. His Pickett was at his post and led in the singing. The addresses were interspersed with songs and recitations.

In the evening dancing was indulged in by all who cared to stay. The whole affair was a huge success, and the committee is especially deserving of praise for their untiring labors. We are only sorry that the old folks do not come oftener.—Dixie Advocate.

DIPHTHERIA SITUATION. Several New Cases—A Severely Afflicted Family. Special Correspondence. Centerfield, Sanpete Co., March 2.—We have had nice little storms the past week, the best of the season, but our land will not grow well till we get some more.

Another case of diphtheria broke out here last night, which makes our situation very uncertain, consequently we will hold no Sunday school or meeting today. This case originated in the school of Centerfield. A trial of the home of Antonio Jensen, the family that has been afflicted since the 18th of December last, and was just free from diphtheria a week ago. It will be very hard on them, but they must have another quarantine on them, and so soon. The community sympathizes with them.

Mrs. Austin, Tolespur's family is also overtaxed with sickness. She buried her husband last September. Her children all had scarlet fever in December and January. One boy took diphtheria in February.
