SUPERINTENDENT OF SCHOOLS FOR THE DISTRICT OF COLUMBIA

Professor Powell, of Washington, D. C., Recommends Pe-ru-na.

PROF. W. B. POWELL, SUPT. PUBLIC SCHOOLS WASHINGTON, D. C.

Prof. W. B. Powell, of Washington, D. C., is one of the best known educators in the country. For fifteen years he has been Superintendent of the Public Schools of Washington, which is considered the best school system in the United States.

"Persuaded by a friend I have used Peruna as a tonic, and I take pleasure in recommending your remedy. Peruna is indeed a good medicine, and should be in every household."

W. B. POWELL.

Such straightforward evidence cannot be overlooked. What the common people say carries weight, but when a man of national prominence says "Peruna should be used in every household," it is a significant fact to the increasing prominence and undoubted efficacy of Peruna.

Peruna is of national fame as a cathartic remedy. It is the only internal, systematic cathartic remedy known to the medical profession.

"This winter when every one was suffering from la grippe, I stood like a stone wall, absolutely proof against it. I am not a believer in 'patent medicines,' having found the majority of them fakes, but I do not hesitate to recommend Peruna as the best medicine for catarrh the world has ever seen."

A. T. WOOD.

"For many years I have been a sufferer from catarrh, and have spent time and money with physicians and used many kinds of remedies which were 'guaranteed sure cures,' but in every case it was money thrown away."

"I reaped no benefit whatever from them. In my seemingly vain search for relief I purchased a bottle of Peruna, having no confidence in it whatever at the time. This was about one year ago, and I began to improve and was able to attend to my business without being constantly hampered by every kind of pain known to a human being."

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

Waste matters which the kidneys, skin and other organs were too torpid (in the cold days) to take care of, and cannot take care of now without help, there is such an accumulation of them.

They litter the whole system.

Pimples, boils and other eruptions, loss of appetite, that tired feeling, bilious turns, fits of indigestion, dull headaches and many other troubles common in Spring are due to them.

Hood's Sarsaparilla removes all humors, overcomes all their effects, strengthens and tones the whole system.

Don't deny yourself its benefits this Spring.

"I have taken Hood's Sarsaparilla as a Spring tonic for several years and have derived great benefit from it. I recommend it to all who have that tired feeling, loss of appetite or impure blood." FANNIE FISHER, 2018 High St., Des Moines, Ia.
