Attack

Of Fast Heart Lasted 160 Hours.

Doctors Didn't Know What To Do.

Dr. Miles' Heart Cure and Nerve Cured Me.

"For seven years I have been troubled with what the doctors called a 'fast heart,' going at once from the usual beat to twice as fast, which in a short time would exhaust me terribly and only after treatment by a physician would get back to normal speed.

Mellin's Food FOR INFANTS AND INVALIDS FOOD

Fretful babies become calm and peaceful babies when fed on Mellin's Food. Mellin's Food nourishes.

A sample of Mellin's Food costs you nothing but the asking. Will you not ask for it for your baby's sake?

MELLIN'S FOOD CO., BOSTON, MASS.

In his proposed route over the American continent, Canada is eliminated. The present plans outline a road across the United States from New York to San Francisco, then northward through California, Oregon and Washington, along the coast to Juneau, thence to Port Canby and thence to the more westerly point of Alaska extending into Bering sea.

Am. Finance & Mortgage Co. New York, July 15.—Following the procuring of an attachment for \$14,650 last Saturday, against the American Finance & Mortgage company, having offices at 112 Wall street, the company has been investigated by postoffice inspectors, but all persons to whom they applied for information from the customer's stand replied that they were satisfied with the state of affairs.

"MORMONS" IN SAMOA. Found Settlements and Teach Natives to Read and Write. Washington, July 14.—Commander Underwood, commanding the naval station at Tutuila, reports to the navy department, under date of Pago-Pago, Samoa, June 12, that he has just concluded a visit of inspection to the towns in the western district of Tutuila.

Dredging in San Pablo Bay. San Francisco, July 15.—The work of dredging through the shoals in San Pablo bay to provide a deep water channel to Mare Island navy yard, has come to a sudden stop. The contractor has withdrawn his dredging plant and there is nothing doing in the mud flat at this time.

A Frenchman Wants to Build Trans-Alaskan-Siberian Road. San Francisco, July 15.—M. Loleia Lobet, member of the Geographical society of Paris is here. He has conceived the idea of building a trans-Alaskan-Siberian railroad and thereby affording an all-rail route from New York to Paris, skirting the commercial straits from the Bering sea to Bering straits.

Shamrock's Sails. Navy Sails will Help Ratsay Make Them. New York, July 15.—Sir Thomas Lipton's request for the use of some of Uncle Sam's expert sailmakers to assist Ratsay, the English sailmaker in cutting new sails for the Shamrock III has been granted by the navy department.

SCHOOL OF ARTS AND SCIENCES. The School of Arts and Sciences offers courses in: 1. General Science, 2. Liberal Arts.

Holdup in Portland. Seven Highwaymen Rob Passengers On a Street Car. Portland, Ore., July 13.—Just after crossing Madison street bridge the Oregon City car was held up, just before midnight, by seven highwaymen, who shot one man and relieved the 40 passengers of their valuables.

Preparations Being Made for Resumption of Work. Hanna, Wyo., July 14.—Preparations are being made to resume the work of opening the coal mine here and rescuing the dead bodies of the victims of the disaster of June 30.

Manchurian Situation. Secy. Hay and Russian Charge d'Affaires Discuss It. Washington, July 14.—Far-reaching in its effects on the Manchurian situation was the conference today at the state department between Secy. Hay and Theodore Hansen, the Russian charge d'affaires, who called, it is understood, to bring important advices from St. Petersburg regarding the reports in Manchuria which Russia is to issue the Aaron Burr memorial volume.

Gen. C. M. Clay's Room. It Has Been Stripped of All Kinds of Weapons. Lexington, Ky., July 14.—The room occupied by Gen. Cassius M. Clay at Whitehall has been stripped of weapons by an order of the committee appointed by the Richmond court to take charge of the arsenal.

Killed by a Tornado. Cozad, Neb., July 14.—A tornado passed eight miles north of here this afternoon, killing one person and injuring three others.

Capt. Solomon F. Sparrow Dead. New London, Conn., July 14.—Capt. Solomon F. Sparrow, United States army, retired, is dead as the result of a dose of carbolic acid taken by mistake for medicine. He was retired for disability in line of duty in 1900.

Brothers Must Leave St. Pierre. Halifax, N. S., July 15.—Word has been received that the recent enactments of the French government against religious orders are being felt in St. Pierre, Montreal, and the Christian Brothers and the nuns resident there have received orders to leave their establishments by the last of July.

Robbed in a Dive. Portland, Ore., July 14.—Gen. Peter Starbuck, Ore., was robbed of \$100 and party this morning in a dive near downtown. Little Clark and a woman known as "Reddy" were the only persons who were able to identify the robbers.

She Took Carbolic Acid. Cleveland, O., July 14.—Mrs. Delight Prentiss, wife of F. Prentiss, a wealthy manufacturer of this city, committed suicide in the apartments of the couple at the New Amsterdam today by drinking carbolic acid. Mrs. Prentiss had been in poor health for a long time and had, it is said, frequently threatened to end her life. Deceased was an adherent of some sect, being known to literary world as "Delight Sweet-her maiden name.

willings China shall open to the United States. This has been the question that has dominated the negotiations for some time. What transpired at today's conference can only be surmised as both of the conferees declined to discuss the matter. Immediately after Mr. Hansen's departure Mr. Hay sent for Mr. Rockhill, chief of the bureau of the American republics, and formerly American commissioner to China, and the two had a long conference. Mr. Rockhill's intimate knowledge of the east, gained through his residence there, is duly appreciated at the state department, and before Count Cassin's departure he was frequently at the Russian embassy in connection with the negotiations.

A Dentist Assaults Nuns. San Francisco, July 14.—William H. Seltach, a dentist of Columbus, O., assaulted three nuns wearing the black robes of the Dominican order on Market street, and narrowly escaped serious injury from an incensed mob. He was rescued and taken to the city prison. A draft for a large sum of money was found in his possession, which says came from the sale of his business in the east. He is believed to be demoralized.

LT. MCCARTHY'S CASE. Sentenced to Dismissal for Duplicating Pay Account. Washington, July 14.—The president has approved the action of the court-martial in the case of Second Lieut. John F. McCarthy, Nineteenth Infantry, recently stationed at Fort Leavenworth, Kan. He was convicted of duplicating his pay account and sentenced to be dismissed from the army.

are not yet fully conversant with the requirements of army regulations in that regard. The law and regulations are alike explicit in respect to this practice and operate to deprive of validity all transfers or assignments of claims to pay until the right thereof has been fully accrued and the account has become lawfully due and payable. Young officers are reminded that the avoidance of debt, a rigorous economy in expenditures and a scrupulous regard for pecuniary obligations are absolutely essential to good standing in the military service and depend on the standard of probity in the regard will not be lightly regarded by the war department.

Fazon Fighting Extradition. Denver, July 15.—The extradition of William Fazon, wanted in Seattle, Wash., on the charge of swindling by means of a gambling device, is being stubbornly fought by Foreman Gay. Fazon claims that he is not the principal in the case and that the real ground for remanding him is to procure his testimony against another. The application is also being opposed on technical grounds. Gov. Faxon has taken the matter under advisement. Fazon was arrested in this city about a week ago.

A Boy Dead from Lockjaw. New York, July 15.—Despite the fact that his skull was trepanned and antitoxin injected into the brain, Willie Graham, a Mount Vernon boy, is dead from lockjaw. The pain of Graham's hand was later relieved by a bluish, curdled jelly. A lockjaw set in but was relieved by the antitoxin. In a few days the effect of the operation wore off and the lockjaw returned.

Peppered Passengers With Bird-shot. New York, July 15.—Chief Justice Alton Parker of the court of appeals has a great cannon at his residence near Esplanade, the name of the Hudson. It is sometimes used to salute passing steamers and is supposed to never be loaded with anything but pepper.

Manchurian Situation. Secy. Hay and Russian Charge d'Affaires Discuss It. Washington, July 14.—Far-reaching in its effects on the Manchurian situation was the conference today at the state department between Secy. Hay and Theodore Hansen, the Russian charge d'affaires, who called, it is understood, to bring important advices from St. Petersburg regarding the reports in Manchuria which Russia is to issue the Aaron Burr memorial volume.
