J. Auerbach & Bro. ONE PRICE TO ALL NEVER UNDERSOLD

The Entire Store Has Been Converted Into A Bargain Center!

OUR GREAT CLEARANCE SALE the past five days has been the marvel of the mercantile world. Each day, as it progressed, added new interest. Such a tremendous sacrifice of high grade values has not been equalled in Salt Lake. To say that the thousands of customers were more than satisfied with their purchases, would hardly suffice. We were unable to wait upon all who came; although there were plenty of bargains. But everyone present realized that we were doing everything possible. Extra salespeople stood as close as they could work to advantage. It was simply a matter of taking care of the crowds. We are determined to make tomorrow even more interesting. Everything has been re-arranged—as the broken lines became smaller the prices were reduced—the

JOBBERS ASK SQUARE DEAL. Claim Discrimination Against Utah in Existing Freight Rates.

There was a large attendance of Salt Lake and Ogden jobbers and shippers at the Commercial club meeting last night, to work for better freight rates for Utah and less discrimination in favor of adjoining commonwealths.

for Utah and less discrimination in favor of adjoining commonwealths.

The railroad companies were severely criticized, and there were some denunciations. President E. F. Holmes presided, and called attention to the fact that every road running into this city from the east had adopted a discriminating schedule of rates which, if continued, would work great injury to the jobbing and shipping interests of both Salt Lake and Ogden. Col. Holmes asked the meeting to empower the governors of the Commercial club to appoint a committee to make a thorough investigation, and give the committee money with which to hire experts. The following resolution was finally adopted: "In view of the fact that there is now in effect a schedule of freight rates in Utah, by reason of which the jobbers and shippers of the state are practically barred from operation in their legitimate markets, we, the jobbers and shippers of the cities of Salt Lake and Ogden, urgently request the board of governors of the Commercial club to use all means in their power to secure an early and equitable adjustment of the discriminations complained of, and pledge them our loyal support in their efforts to accomplish this purpose."

The following committee was appointed to work with the board of governors: S. H. Love, Z. C. M. L., W. P. Kiser, manager of the Henry Wagener Brewing company; W. S. McCarthy, traffic manager of the Salt Lake Hardware company; F. J. Fabian, of the firm of Jurigk & Fabian; Joseph Geoghegan, commission merchant, and Joseph Scowcroft of Ogden.

AFTER A LONG ILLNESS. James Lozier Dies Alone in His Room On Second South Street.

The dead body of James Lozier, a laborer, was found about 5:30 last evening in his room at 42 East Second South street. An investigation by Coroner Clark revealed the fact that the man had come to his death from natural causes. Lozier had been ailing for some time past and was afflicted with Bright's disease, complicated with heart trouble. For a time he was at St. Mark's hospital, but he left that institution some weeks ago and returned to the roominghouse where he died. He had a friend in Fred Clifford, who furnished him money on different occasions and raised a purse to defray his expenses at the hospital. Lozier came to this city from Montana, but nothing is known of his family connections. He will doubtless be buried at the county's expense.

School Girls

Mothers of young girls at this period of life, or the girl herself, are earnestly invited to write Mrs. Pinkham for advice; all such letters are strictly confidential; she has guided in a motherly way thousands of young women; and her advice is freely and cheerfully given. School days are danger days for American girls. Often physical collapse follows, and it takes years to recover the lost vitality. Sometimes it is never recovered. Perhaps they are not over-careful about keeping their feet dry; through carelessness in this respect the monthly sickness is usually rendered very severe. Then begin ailments which should be removed at once, or they will produce constant suffering. Headache, faintness, slight vertigo, pains in the back and loins, irregularity, loss of sleep and appetite, a tendency to avoid the society of others, are symptoms all indicating that the organs that make her a woman need immediate attention.

Lydia E. Pinkham's Vegetable Compound

has helped many a young girl over this critical period. With it they have gone through their trials with courage and safety. With its proper use the young girl is safe from the peculiar dangers of school years and prepared for healthy womanhood.

A Young Chicago Girl "Studied Too Hard." "DEAR MRS. PINKHAM:—I wish to thank you for the help and benefit I have received through the use of Lydia E. Pinkham's Vegetable Compound and Liver Pills. When I was about 17 years old I suddenly seemed to lose my usual good health and vitality. Father said I studied too hard, but the doctor thought different and prescribed tonics, which I took by the quart without relief. Reading one day in the paper of Mrs. Pinkham's great cures, and finding the symptoms described answered mine, I decided I would give Lydia E. Pinkham's Vegetable Compound a trial. I did not say a word to the doctor; I bought it myself, and took it according to directions regularly for two months, and I found that I gradually improved, and that all pains left me, and I was my old self once more."—LILLIE E. SINCLAIR, 17 E. 22d St., Chicago, Ill.

"Miss Pratt Unable to Attend School." "DEAR MRS. PINKHAM:—I feel it my duty to tell all young women how much Lydia E. Pinkham's wonderful Vegetable Compound has done for me. I was completely run down, unable to attend school, and did not care for any kind of society, but now I feel like a new person, and have gained seven pounds of flesh in three months. I recommend it to all young women who suffer from female weakness."—MISS ALMA PRATT, Holly, Mich.

Thousands of such testimonials prove that Lydia E. Pinkham's Vegetable Compound is the one sure remedy to be relied upon at this important period in a young girl's life. Look for the bottle with Lydia E. Pinkham's face on it, and accept no other. \$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness.
