The Short Line-Union Pacific started off the week this morning by making reservations to St. Louis for Senator and Mrs. Simon Bamberger and their son, Julian.

An indication of what the railroads expect from now on is found in the announcement of the Rock Island that, beginning today, it will operate a through service to St. Louis from this city.

OFFICIAL ADDRESS.

To the Latter-day Saints of the Old Salt Lake Stake of Zion.

Salt Lake City, June 18, 1904. To the Latter-day Saints of the old Salt Lake stake of Zion:

In response to a universal desire among the Latter-day Saints of this city and vicinity that there should be a fitting public manifestation of their love and devotion to the church, a choice program will be rendered by the Tabernacle choir and organist and by a number of our most popular and talented artists.

Let the occasion be a grand popular demonstration. Anything short of an overflowing building will be inadequate either as an expression of the sentiments of the people, or as a tribute to the long, devoted, and intelligent services of the brethren named. Therefore, we urge all Saints to lay aside less worthy matters and by their presence at the time and place mentioned render the occasion worthy of the purpose in view.

Yours brethren, ARNOLD SCHULTER, PRESIDENT; E. M. MAYCOCK, WM. McLAUGHLIN, SLYVESTER Q. CANNON, CHARLES H. HYDE, NEPHI L. MORRIS, GEORGE R. EMERY, EDWARD T. ASHTON, RICHARD W. YOUNG, JOS. S. WELLS, JNO. M. KNIGHT, Committee.

LIST OF MISSING BEING REDUCED.

Bodies of Five More Slocum Victims Found at Widely Separated Points.

DAMAGING FACTS DEVELOPED.

Life Preservers Were Rotten—Two Corpses Found at Bottom of River With Them On.

New York, June 20.—All along the East river from North Brother Island down to what are known as the Sunken Meadows, search was made today for bodies of unfortunates who lost their lives in the disaster to the excursion steamer General Slocum last Wednesday. Although more than 330 bodies had been recovered last night, reports from the first few minutes' work today added five more to the total. These were found at widely separated points and the searchers were of the opinion that before the day ended the list of missing would be considerably decreased.

Several more bodies were recovered during the day, some of them in the vicinity of the wreck of the Slocum. There are four divers at work near North Brother Island today, searching for bodies.

HULL RESTS ON ROCKS.

Wreckers at work on the wreck of the Slocum today encountered new difficulties. They were at work about the hull of the sunken steamer when they found that instead of the hull resting on a rock as they thought, it rested on rocks which were never known to exist. This, they say, will delay the work somewhat.

MANY BODIES FOUND.

One diver reports that at a depth of 55 feet he has discovered a large hollow where he says there are a great many bodies. More than 200 witnesses had been summoned to appear at the inquest, which was scheduled to begin before Coroner Berry today. It also was planned to have present an assistant United States district attorney and a stenographer with instructions from the department of justice to take down all testimony offered. As fast as the notes are transcribed, the evidence will be sent to the United States District Attorney Burnett, who will in turn forward the evidence, together with his opinion thereon, to the department.

"If the evidence warrants it," said Gen. Barnett today, "I shall not wait until the end of the inquest before moving in the matter. If the evidence is strong enough the federal grand jury will be considering certain phases of the case before the inquest has closed."

OBLAG FUNERAL.

Impressive Services, Strong Eulogies and Many Floral Designs. The funeral of John Frederic Oblag took place today at the Ninth ward meetinghouse and was attended by a throng of friends and loved ones that filled the house to overflowing.

The floral offerings were exceptionally numerous and beautiful. The ward choir, under the direction of A. M. Woolley, furnished the music. The solo, "Holy City," was sung by Miss Woolley. The opening prayer was by Elder Hambrick G. Clark and the benediction by Patriarch John Smith. The speakers who eulogized the life of the deceased, were Elders Gustaf A. Ohlson, Charles H. Bassett, Andrew Jensen, M. S. Woolley, Charles W. Penrose, Joseph F. Smith, Anthon H. Lund, Angus M. Cannon and Bishop James W. West.

The outpouring of fellow workers and friends was a fitting tribute to Elder Oblag's memory. Among the present were Seymour B. Young, Bishop George Romney, Pres. Knight of Ensign stake, President Maycock of Liberty stake and the ward bishopric. Joseph E. Taylor conducted the funeral and burial.

A GENUINE WILD WEST SHOW

Zach Mulhall Shoots Three Men At Entrance to Wild West Show on the Pike.

ONE AN INNOCENT BYSTANDER.

He Will Die—Trouble Was Culmination of Quarrel Over Question of Authority.

St. Louis, June 18.—Zach Mulhall, livestock agent of the St. Louis & San Francisco railroad, tonight shot three men in front of the entrance to the Wild West show on the Pike at the world's fair. One of them, an innocent bystander named Ernest Morgan, the doctors say will die. He was shot in the abdomen. The other men are Frank Reed, boss hostler of the Wild West show, and Johnny Murrath, one of the cowboys. They are being cared for at the emergency hospital on the world's fair grounds.

Morgan lives in St. Louis and is 18 years old. Frank Reed, who is 50 years old, was shot in the arm and the right side of the neck. Murrath, aged 35 years, was shot in the abdomen. The shooting was the culmination of trouble between Mulhall and Reed over the question of authority. The shooting occurred at the entrance of the show just at the conclusion of a performance, while the Pike was crowded with people and great excitement was being manifested.

There has been trouble for some time between Mulhall and Reed. The latter says it was because Mulhall tried to run things, although he was only an employe like Reed. Last week Mulhall had Reed arrested on the charge of disturbing the peace, and Reed was fined \$50.

Yesterday afternoon, according to Reed, he received word that some horses which had gone astray had been taken up in St. Louis county, and he went out to get them. He took Callornia Jack Roberts with him over the protest of Mulhall, who did not want Roberts to go.

After they returned Mulhall went to the stables and, noticing that one of the horses had been used, asked Reed what he had been doing with the horse. Reed told him that he had ridden the horse when he went after the strays. This was cause for a quarrel between Mulhall and Reed, in which Mulhall pulled his gun and threatened to shoot Reed. The latter not being armed, he desisted.

That night, at the conclusion of the Wild West show, Mulhall met Reed as he was emerging from the show. Mulhall pulled his revolver, but before he could use it Murrath attempted to take it away. In the scuffle the weapon went off and Murrath was wounded. Mulhall then fired point blank at Reed, the first shot striking him in the arm, the second grazed his neck and hit Morgan. Two additional shots fired at Mulhall went wild. Mulhall then ran into another Pike enclosure, where he was arrested. Mulhall is stated, previous to running away, pointed his gun at the proprietor of the show, but did not shoot.

SCHOOL BOARD MEETING.

Funds for High School Site—Resignation of Young—Possible Successor. The board of education will be in session at 9 o'clock this afternoon to discuss the matter of raising the sum of \$50,000 with which to make the last payment on the purchase of the site of the old university, now the high school.

At this meeting it is thought that the resignation of B. S. Young, member from the Fourth, who is about to remove to Raymond, will be accepted. It is probable, too, that the question of his successor will be taken up. Mr. Young, by his resignation, might have named his successor, but when seen this afternoon, he declared that he had no intention even of suggesting a name.

"All I desire to see is a proper man chosen," said he. "The other members of the board who must associate with him, and I want to leave his selection to them entirely." Mr. Young has been prominently mentioned as Mr. Young's successor. They are: E. G. Woolley, Judge E. A. Wilson and John C. Sharp.

MEETING OF POSTMASTERS.

The First Regular Session Will be Held at Provo Next Month. Postmaster Clove of Provo, who is president of the Utah Postmasters association, organized last April, is in the city today arranging some details with regard to the first regular meeting of that organization, which will take place July 29 and 31 at Provo.

The events promises to be one of unusual interest. Invitations to be present have been accepted by Senators Kearns and Smoot and Congressman Howell R. P. Lawson of Edinburg, Ill., president of the national association of postmasters of the second and third class, and publisher of the American Postmaster, who is in attendance, as well as Lewis Hopkins of St. Clair, Mich., who is publisher of the Postmaster Everywhere. Both will make addresses with the intention of furthering the interests of the newly organized Utah society.
