MUNYON'S PAW-PAW

Cures Catarrh.

It seems to be a duty I owe suffering mortals everywhere to prepare and forward to you, without unnecessary delay, this wholly unsolicited testimonial to the efficacy of the newest and best remedial agent given by you to the public.

For many years Munyon's Homeopathic Remedies have been the standard in my home, and in no instance have they failed to do what was expected of them, but it remained for Paw-Paw to effect a most magical transformation.

A member of my household has been a great sufferer from a severe gastric trouble, which threatened to become chronic. Three weeks ago I purchased at Houghton & Dutton's Boston, a pint bottle of Paw-Paw and before one-third of the pint had been taken the patient felt like a new woman, and from that day to this has been spared the distress to which she had become subject. In her case alone, Paw-Paw has worked wonders. Yours very truly, (Signed) D. C. PAVEY.

Paw-Paw will make worn-out stomachs almost as good as new; will make good, rich blood and build up the nervous system; will do away with both the necessity and desire for beer, whisky, wine and other injurious stimulants.

A body that is overworked, a system that is run down, requires a stimulant; Alcoholic stimulants lift, but let you fall. Paw-Paw lifts you up and holds you.

Large bottles, \$1. Paw-Paw Laxative Pills, 25 cents per box. At all druggists.

edge of God as of any fact. Christ came to reveal God to man, and He preached a doctrine of perfect and abiding love. All of man's true knowledge is based on revelation from without, and the highest revelation comes from love, for without a revelation through Christ no man can really know God. More intellectual knowledge of Christ does not give us the true knowledge of Him. "He is just God, with his deepest emotion, and the deepest emotion a man has is that of love. This is the high road along which it is necessary to travel before a man can become intimately acquainted with Christ. As a man sees love in God, he comes to a proper appreciation of what he is, and to an appreciation of what He is. It is as important to a man's development to realize this as all that God is willing to do for him. Knowing his own self, as man comes to truly know God. Upon a knowledge of God in Jesus depends the achievement of his own ideal."

How to Cure Corns and Bunions.

First soak the corn or bunion in warm water to soften it; then pare it down as closely as possible without drawing blood and apply Chamberlain's Pain Balm twice daily, rubbing vigorously for five minutes at each application. A corn plaster should be worn a few days to protect it from the shoe. As a general liniment for sprains, bruises, lameness and rheumatism, Pain Balm is unequalled. For sale by all druggists.

ANOTHER SURVIVOR.

Veteran of Jackson County Driving Lives in Sevier County.

Joseph, Utah, Sept. 26.—A short time ago I noticed in your paper that a certain person was endeavoring to learn the names of all the Saints living who were driven out of Jackson county, Mo. There is one of the pioneers living here whom I thought it would be well to mention. It is Lorenzo F. Harmon. Mr. Harmon was born at Jackson county at the time of the driving, but was driven with the Saints from Kirrtland and also from Nauvoo, and continued with them to Council Bluffs, and there enlisted as a volunteer in the "Mormon" battalion. He is now residing at Joseph, Sevier county, Utah, and testifies that he knows that the Prophet Joseph Smith both taught and practiced plural marriage.

WORK OF THE ELDERS.

Are Meeting With Success in Northwestern States Mission.

Elder Nepht Pratt, president of the Northwestern States mission, is in the city to attend conference. He reports the mission in good shape and says that the Elders are making many friends and doing a wonderful amount of good among the people. The mission includes within its boundaries Montana, northern Idaho, Washington and British Columbia, in which field there are at present 42 Elders. Street meetings are held in towns and villages and in this way the Gospel is being preached weekly to thousands, many of whom are investigating the "Mormon" faith. The missionaries have met with considerable success in Seattle and the Sound country, and are also well received in Butte, Anaconda and Boise, Ida.

COUNTY STREETS TO BE LIGHTED.

Wires Will be Strung on Highways South of the City Limits Immediately.

WILL BE GREAT IMPROVEMENT.

County Commissioners Grant Permission to Utah Light & Railway Company.

At the meeting of the county commissioners on Saturday afternoon the Utah Light and Railway company was granted permission to string wires on a number of the county highways south of the city and the highways on which the wires are strung will be lighted just the same as is State street from this city to Murray. The roads and highways to be lighted are as follows:

State street, its entire length south from the city past the town of Sandy, the road west from State street to Bingham Junction, and the main street north and south through Bingham Junction; Fourteenth street from Third East a mile west to the Rio Grande tracks; Main street, its full length from the city limits to Twelfth South; Twelfth South from Main street east to the line of Forest Dale; Fifth East street from Forest Dale to the city limits; Eleventh South street from Fifth East west to Main street.

The lights will be placed 254 feet apart and will be 32 candle-power incandescents. They will cost the county \$1 per month for each lamp.

TELEPHONE TO UNION.

The commissioners also granted the Bell Telephone company a franchise to run wires to Union. The Utah Light & Railway company was granted a franchise to run wires to Bingham Junction and West Jordan.

LIQUOR LICENSE DENIED.

It was practically decided by the commissioners to deny the application of A. Mallard for a renewal of his liquor license for the road house on Thirteenth South and State streets. The license expired on Sept. 30 and the reasons for not renewing it are that Mallard has been selling liquor on Sundays and has allowed women and minors in his saloon.

MARRIED AT MIDNIGHT.

Salt Lake Druggist Weds Miss Pauline Phelps of Montpelier, Idaho.

Oscar G. Molins, a young druggist who has charge of the Vermilion pharmacy on west Second South street, and Miss Pauline Phelps, a charming young lady from Montpelier, Ida., were married at 12:30 o'clock Saturday night by County Clerk John James at his residence. The marriage was arranged on rather short notice, because of the sudden departure of the bride's sister, Mary A. Phelps, who left for Idaho a few minutes after the ceremony. The young people had not intended getting married for several days, but owing to the bride's sister being called to Idaho, they decided to get married Saturday night so she could witness the ceremony. County Clerk James consented to perform the ceremony for them at his home, so they were married shortly after midnight.

"KID" BAXTER STABBED.

Well Known Sporting Character Assaulted in Butte Gambling House.

Harry Baxter, well known among local sporting men as "Kid" Baxter, was stabbed and seriously hurt at the Board of Trade gambling house in Butte, Mont., Saturday night. He is now a patient in the St. James hospital of that city, and will probably recover. The stabbing was the result of a quarrel with Gus Marshall, a faro bank dealer, while both men were under the influence of liquor. When arrested Marshall made an effort to deny his guilt, but asserted that he had acted in self-defense. The knife with which the crime was committed was found on his person. Baxter is remembered among faro men here as a little man who dealt faro in local gambling houses, until two years ago, when he left for Denver. Since then he has been heard from in Arizona and the Black Hills. He was married, and his wife visited in this city last summer.

FIFTY YEARS AGO.

Reminiscences of the Arrival of Capt. Daniel Carns' Company.

To the Editor: Salt Lake City, Oct. 2. What! You don't mean to say that it is 50 years since Capt. Daniel Carns drove his company into this city and camped on Union square?

Well, if you don't believe it, just look at the calendar and you will see that this is Oct. 2, 1904.

Of that little company we rarely see any, but yet a few have acquired some little celebrity, among them: F. M. Daniels, Robert Long Campbell, David McKenzie, Mrs. William Jennings, H. W. Naisbitt and the Geddes family. Many of the company found employment under Bishop Sharp at the stone delfs of Red Butte and Little Cottonwood. Among the valuable men in the company were Father William Paul and some, being accustomed to the use of tools, every broken tongue, reach, wagon-wheel, etc., found in them the very men for the occasion. Capt. Carns appreciated this and when the cattle and wagons were turned over to the emigration company, friendship between the captain and his willing workers was kept up until both passed away.

Salt Lake City was then but in its infancy. Main street was still agricultural. Corn, cabbage, potatoes, etc., were behind all the pole fences of that day and the water seeps were then everywhere used for irrigation. Fruits were already appearing to the delight of the citizens and the streams of the street sparkling attractively.

Father Paul had been a strict religionist and a keeper of the Word of Wisdom before he heard the Gospel. In fact, when the Elders found him he was half converted and when he joined the Church he gave all his energy and ability to the advancement of the new cause. After some years' devoted life, with his family, wife and six children, embarked on the John M. Wood for the New Zion, the date of their departure being March 12, 1854. The experiences of that trip have been recounted and thousands are already familiar with them. But to return to the Paul family.
