TACOMA DON'T LIKE IT.

The Idea of Big League Taking Players - Trouble Not Settled.

San Francisco, Jan. 13.-In reply to his telegram protesting against the reopening of the drafting on the Tacoma club, President Bert of the Pacific Coast league today received the following telegram from August Herrmann, chairman of the national commission:

INSIDE NERVES!

Only one woman in 10 has perfect health. Of the 9 sick ones some are bedridden, some are half sick, some are only dull and listless...

A Bond of Sympathy

The inside nerve system is plainly the most important system of the human body. Our life rests on the action of the vital organs. While they work we live...

Many Ailments One Cause

I have called these the inside nerves for simplicity's sake. Their true name is the "sympathetic" nerves. Physicians call them by this name because they are so closely connected with the sympathetic with the others. The result is that when one branch is allowed to become impaired, the others weaken. That is why one little sickle leads into another. That is why cases become "complicated." For this delicate nerve is the most sensitive part of the human system.

Simply Write Me

The first free bottle may be enough to cure a case-but I do not promise that. Nor do I fear a loss of possible profit if it does. For such a test will surely convince the cured one beyond doubt, or disprove or disbelieve that every word I say is true.

For Stomach Troubles

The stomach is controlled by a delicate nerve called the solar plexus. Prize fighters know that a blow over the stomach-out for this nerve is ten times as sensitive as the pupil of your eye. Yet the great inside nerve-the power nerve-is one of the master nerves. The stomach trouble is its slave. Practically all stomach trouble is nerve trouble-inside nerve trouble. Restorative strengthens the inside nerves-strengthens the solar plexus-and the stomach trouble disappears.

For Kidney Troubles

The Kidneys are the blood filters. They are operated solely by the inside nerves. The branch which operates them and regulates them is called the renal plexus. When the renal plexus is weak or irregular, the kidneys become clogged with the very poisons they should throw off. No kidney treatment can clean them out or cure them until one stage leads into another until after a while the kidneys themselves begin to break down and dissolve. There is only one way to reach kidney trouble-that is through the inside nerves that control them, which Dr. Shoop's Restorative alone strengthens and restores.

For Heart Trouble

Your heart beats more than ten thousand times a day. And every heart beat is an impulse of the inside nerve branch called the cardio-vascular plexus. The heart is a muscle, but it is the nerve that makes the muscle do the work. An irregular or weak heart is, almost in every instance, the direct result of a weak inside nerve. Inside nerve. To cure heart trouble restore the nerve to normal. Dr. Shoop's Restorative acts as a restorative to the cardio-vascular plexus, just as it restores the solar plexus and the renal plexus. For all are equal parts of the great inside nerve system-the power nerves-the master nerves.

For Womanly Troubles

Almost all of the troubles that are peculiar to woman are caused by weakness of the inside nerves. There is no need to doctor or dose an ailing organ when it is the nerve that makes it ailing on the inside nerves. Inside nerve weakness, if not attended to, will spread the common name of the inside nerves is the "Sympathetic Nerve." Each center is in close sympathy with the other, and when one becomes deranged, general weakness and derangement frequently ensue. Dr. Shoop's Restorative gently tones up the inside nerves and removes the cause of weakness, permanently and forever.

Dr. Shoop's Restorative

For economy's sake, keep a bottle of Dr. Shoop's Restorative always on the pantry shelf. When off days come a few doses will increase your appetite-Neglected, these dull, listless spells may develop into serious illness. A dose in time is the truest economy.

tion that if changes are to be made in the national agreement they should provide against a recurrence of the same conditions in the future as existed against Tacoma this year. It was thought that this could be done by adopting a uniform contract with non-serve clause or by drafting period. My own judgment is that on account of the fact that your association was not a party to the agreement the time of its adoption or when rules were made, and that no bulletin your players was filed with Secretary Farrell, that the draft should not be reopened against Tacoma club, although the matter has not been definitely decided by the committee. Will submit it to my colleagues at once.

ON THE RACE TRACK.

Three Favorites Manage to Land the Money at Oakland.

San Francisco, Jan. 13.-Three favorites won at Oakland today. The track was sloppily. Bell Reed, the favorite in the second race, got a bad ride. Albaricore finished long enough to tie Hainault by a head.

LEAGUE MEETING CALLED.

Officials of the Pacific National Will Soon Get Together.

Next Saturday there will be doing in the local baseball world, although the seat of action will not be in Salt Lake, but in Butte.

One week from today the officials of the Pacific National league will assemble in Butte to discuss the details of the league. The same in these parts. Directors of the league will meet at an early date to get the purpose of settling the question of the league, and it is believed that that important matter will be settled before the league meeting comes to an end.

Manager Williams of the Spokane club, and Walter Wilmut of the Butte club, asked the local magnates what date they wanted. Work was at once set on foot, and next Saturday would do nicely. The general named were of the same opinion, and the four clubs will be represented. It is highly probable that at least three more towns will be represented, and that two of them will be taken into the league.

DANSTOW GOES TO SALT LAKE CITY.

Appointed Special Commissioner To Investigate Trade Conditions Throughout World.

TAFT TO GIVE HIM INSTRCTIONS.

On His Report Will Largely Depend the Policy of Managing the Panama Canal.

Washington, Jan. 13.-Joseph L. Bristow, fourth assistant postmaster general, today tendered his resignation to the president, to take effect on Jan. 20.

By an executive order issued late this afternoon, President Roosevelt designated Mr. Bristow as a special commissioner to make an investigation into the present trade conditions and freight rates between the Atlantic and Pacific coasts, and between the west coast of South America and the east coast of the United States and of Europe, to determine the best policy of managing the Panama canal.

The announcement came at the conclusion of an extended conference today of the president, Secy. Taft, Mr. Bristow and Senator Long of Kansas.

The order issued by the president says, in addition to the foregoing: "He is authorized to employ for his purpose a stenographer at not exceeding \$5 a day and his actual and necessary expenses, and to take evidence of all persons whose knowledge of trade conditions or rates will assist in reaching a satisfactory conclusion."

The secretary of state will furnish to the special commissioner a letter of instructions, in detail, as to the course and extent of his investigation, and as to the time when he shall report his conclusions.

"Until his report is forthcoming, the commissioner will be allowed his actual expenses and \$15 a day. The president will finally fix his entire compensation. The Isthmian canal commission is directed to provide the funds needed in the execution of this order."

After the conference at the White House, Senator Long said that the transfer of Mr. Bristow from the post office department to work in connection with the proposed Isthmian canal had been under consideration for a long time.

"Secy. Taft," said the senator, "desired to utilize Mr. Bristow's services in connection with the work of constructing the canal and has had the idea in mind of appointing him a commissioner to investigate the trade and freight conditions ever since he returned from the Isthmian of Panama. The president readily acceded to Secy. Taft's suggestion and, as the work will be entirely congenial to Mr. Bristow has accepted the new position."

Mr. Bristow has had interviews with the president and Secy. Taft regarding the affair, but his final determination was not reached until today. His decision to accept the special commission was hastened by the transfer yesterday of the division of post-office inspectors from the bureau of the fourth assistant postmaster-general to the division of the postmaster-general himself.

Mr. Bristow regarded the issuance of the order to transfer the division as a rebuff on him. That the order as to the division was not issued with the idea of humiliating Mr. Bristow, is evidenced by the president's action today.

Mr. Bristow will continue as fourth assistant postmaster-general until Jan. 20.

HABES CORPUS FOR MRS. BOTKIN.

San Francisco, Jan. 13.-The supreme court today granted an alternative writ of habeas corpus in favor of Cordelia Botkin. The defendant's attorneys hold that she is illegally confined in the county jail on the charge of murdering Mrs. Ida Deane of Wilmington, Del. This has nothing to do with the case.

U. S. COURT FOR CHINA AND KOREA.

Washington, Jan. 13.-The president today transmitted to the senate a recommendation of the secretary of state for the establishment of a district court of the United States for China and Korea, together with bills intended to carry the recommendation into effect.

The court is to hold sessions at Shanghai, Canton, Tientsin and Seoul, and at other places in China and Korea, from time to time. The judge and the other officers of the court are to be appointed by the president, the judge to receive a salary of \$8,000, the district attorney \$4,000 and the marshal and the clerk \$3,000 each. The judge is to hold office for 15 years.

McCarthy and Burrows Draw.

Spokane, Jan. 13.-Jim Burrows of British Columbia and Jerry McCarthy of Spokane, fought a seven-round draw here tonight before an audience of 50 people at the Auditorium. Neither fighter scored a knockout.

"PENNY" GOSSIP.

Local football men are commenting on the fact that the new captain of the Amber football team is a negro.

McAuliffe Stage Struck.

In line with other pugilistic celebrities, Jack McAuliffe, one-time lightweight champion, has gone on the stage. McAuliffe always did believe he was born for a "stage" career, and that it was circumstances that prevented him from going on the stage. McAuliffe is doing well in an afterpiece at a Brooklyn vaudeville theater. As it was his last night, a pugilistic light is on the bill. McAuliffe is in a boxing ring in a boxing bout. "Is so in this case."

The bully asks good old Jack if he does any fighting.

"Oh, once in a while," replied McAuliffe in his speaking part.

The bout is on—there you are.
