GRAND ARMY GETS DOWN TO BUSINESS

The Delegates Are About Equally Divided on the Canteen Question.

OPPOSE MONUMENT TO WIRZ.

May Incorporate—Membership Increases—Decisions Regarding Eligibility to Membership.

Minneapolis, Aug. 15.—The business sessions of the Grand Army of the Republic began today. About 1,500 delegates were present. The most important questions to be taken up were the abolition of the canteen from the old soldiers' homes, and the proposed erection of a monument to Henry Wirz by the women of the south.

On the question of a monument to Wirz there was on all sides a bitter feeling of opposition. After the formal opening exercises, reports of officers were submitted.

The total membership of the Grand Army is declared in the report of Adj. Gen. Tweedale to be 255,823, an increase of 3,365 during the last six months. The losses by death for the year ended Dec. 31, 1905, were 9,205, or 3.56 per cent of the total membership.

The suggestion is made that the organization be incorporated with a provision requiring the annual reports of the organization to be submitted to Congress.

The receipts from the per capita tax imposed on members are declared to be insufficient for the proper conduct of the affairs of the Grand Army.
