BRYAN'S REPLY TO SULLIVAN

He Declines to Lower Discussion To One of Personal Controversy,

COMMITTEEMAN'S FITNESS. Cannot Serve the Public While Promoting Financial Interests of Corporations.

Lincoln, Neb., Sept. 13.—The reply of William Jennings Bryan to the statement of Roger Sullivan of Chicago was given out tonight. Mr. Bryan had said that he would not lower the discussion with Mr. Sullivan to one of personal controversy. The text of his reply follows: "In his speech before the Jefferson club in Chicago on the evening of Sept. 4, Mr. Bryan referred to the case of Mr. Roger Sullivan, Democratic national committeeman from Illinois. Mr. Sullivan has replied in a statement quite characteristic of the man and his methods, but he will not be permitted to lower this discussion to the level of a personal controversy. The public is not interested in Mr. Sullivan's views of Mr. Bryan any more than it would be interested in Mr. Bryan's views concerning Mr. Sullivan's personality. Mr. Sullivan is the Democratic national committeeman from Illinois, holding his office by virtue of unfair methods. This matter was presented to the St. Louis convention and the evidence would have convinced the convention had not the delegation feared the effect of an adverse decision upon the presidential candidates whom they were pledged to support. If Mr. Sullivan disputes the assertion that a considerable majority of the delegates to the Springfield convention were opposed to him he can fight the question out in the majority league if Illinois, which will doubtless accommodate him. "As Mr. Bryan has not asked for a nomination and has not announced that he will be a candidate, he will not submit the question whether he should be a candidate to Mr. Sullivan or to any body of persons less numerous than the members of the Democratic party of the United States. Neither can the question as to whether Mr. Sullivan be re-elected to the national committee be submitted to the members of a convention already adjourned. Such a decision would have no binding force. The question must be submitted to the Democrats of Illinois when they meet to select delegates to the next national convention. Mr. Sullivan will not be permitted to do as he pleases in raising an issue against him. He is officially connected with a favor-seeking, franchise-seeking corporation, and the question is whether the Democratic organization should be paralyzed by the influence of men whose private interests make it impossible for them to be guardians of the public. "In speaking of the Sullivan case at Chicago, Mr. Bryan said: 'I hold that no man who is officially connected with a corporation that is seeking privileges ought to act as a member of a political organization, because he cannot represent his corporation and the people at the same time. He cannot serve the public while he is seeking to promote the financial interests of the corporation with which he is connected.' "This is the issue. Before the trust question became the dominant one it was not so important what a man's corporate connections were, but when this question is the supreme question of the hour, the public organization must be above suspicion, and the Democrats of Illinois and all other states are invited to inspect the connections of those who aspire to the position of party managers. The people cannot be fooled, and the party that attempts to fool them is sure to learn of its mistake when the votes are counted. "Mr. Bryan will urge the Democratic party to put itself in a position where it can fight boldly and persistently for the regulation of labor corporations as are not monopolistic and for the prevention of any private monopoly whatever. To this end the organization must be composed of men who are free to act for the public, and not tied by personal interests to corporations which are seeking favor at the public's expense.

COLORADO DEMOCRATS MADE THEIR TICKET.

Denver, Sept. 13.—After three days of strenuous sessions, perhaps the most lively and in some particulars the most extraordinary ever witnessed by Democrats of Colorado, the Democratic state convention tonight adjourned sine die, a complete ticket was named, and is as follows: Governor—Alva Adams of Pueblo county. Lieutenant Governor—Elias M. Emmons of Douglas county. Secretary of State—Horace H. W. Evans of Lake county. State Treasurer—Edward E. Drach of Garfield county. Attorney General—William B. Morgan of Las Animas county. State Auditor—Andrew Sandberg of Clear Creek county. Superintendent of Public Instruction—Miss Honoré Maloney of Denver county. Regents of State University—Benjamin Cobey, Pitkin county; Harry Bryant, Denver; and Samuel Belford, Denver. Justices of the Supreme Court—George J. Harkenstein of Chaffee county; William P. Seeds, Teller county. The action of the convention, which was considered by all concerned as the most momentous, was the reading out of the party of the Spear faction of Denver county because of their alleged subservience to local utility corporations. The debate on this matter was the most heated of the whole day, and the matter was before the credentials committee of the convention for nearly an entire night. The renomination of Alva Adams was demanded in the platform, and was practically unopposed because of the general opinion among the Democrats that he should be vindicated because of the fact that he was robbed of the governorship two years ago in the Peabody-Adams contest before the state legislature. The platform of the convention endorsed William J. Bryan and took a decisive stand against corporations, holding his office by virtue of unfair methods. It pledged the Democracy of the state to the enactment of a law making it a felony for officials of corporations to contribute to campaign funds.

ESTHER MITCHELL'S TRIAL.

Prosecution Will Oppose the Insanity Theory. Seattle, Sept. 13.—Only a short session of the commission to examine into the sanity of Esther Mitchell and Mrs. Maud Creffield was held today in the superior court. The only witness, Fred Mitchell, a brother of Esther, was examined. The feature of the session was the statement made by Deputy Prosecuting Atty. John F. Miller to the effect that the state will oppose the insanity charge and will, when the testimony has been taken, introduce evidence in rebuttal tending to show that the women are in their right minds. Physicians who made examinations of the women immediately after the shooting of George Mitchell will be called by the state and other testimony will be introduced in support of the state's theory. Fred Mitchell's testimony was along the line of that given by his brother, Perry, on the previous day. Tomorrow the commission will hear the testimony of Mrs. O. V. Hurl, the mother of Mrs. Creffield, who arrived here today. Later physicians who have examined the women will be called, as well as the county jail physician. Following the testimony of the women will be re-examined by the commission, all of the testimony introduced being gone over with them carefully. The commission will not be able to conclude its work as soon as was expected.

CONSTITUTIONAL DEMOCRATS.

Not Unlikely May Hold Their Congress in Stockholm. St. Petersburg, Sept. 13.—Next week probably will witness the spectacle of an organized political party going abroad to hold a congress and plan an electoral campaign. The report of the Constitutional Democratic committee who were sent to Helsinki to sound the Finnish authorities on their attitude with regard to holding of the congress of the party there Sept. 21 was of such a nature that the Constitutional Democratic executive committee is altering its plans, and an agent was sent to Stockholm today. The committee is arranging for a special steamer to convey the delegates. Prof. Mourmoutseff, who presided over the lower house, will not attend. He went to Germany today ostensibly to visit his son, but it is no secret that he is out of sympathy with the Viborg address, and is unwilling to compromise his political future by participation in an outlaw congress. The Constitutional Democratic leaders prefer also that his availability for the presidency of the coming parliament shall not be impaired. The ministry makes no concealment of the intention to resort to all legitimate means to keep the more radical Constitutional Democrats out of parliament. A cabinet minister said that it was inevitable that if the congress was permitted to hold, it would precipitate a strike and possibly a repetition of the general strike of last October.

GANG OF SWINDLERS CAUGHT BY POLICE.

Chicago, Sept. 14.—The Chronicle today says: Five members of a mysterious gang of forgers were arrested by city detectives and were locked up at the Harrison street station. The utmost secrecy was maintained by the police regarding the arrests. It is said that thousands of dollars were secured by the swindlers and many prominent banks are losers. In the last month complete have been received by Chief of Police Collins against the forgers. They are said to be the cleverest men ever operating in this city. It is said that the passing of the forged paper became so easy that the swindlers became reckless and this led to their arrest. All were stylishly dressed. They would drive up to a bank in a large touring car and one of their number would enter. He would present a check to the teller and the teller would check the signature that the money was quickly forthcoming. In several cases when the swindler was questioned one of his companions would identify him. At one bank the forgers secured \$200. Another was experienced and other banking firms were swindled in a similar manner. The men are said to have spent money lavishly and in their set were making up as millionaires. It is probable that the sums secured by the forgers will amount to \$100,000 and may go even higher.

ROBBER KILLED.

Wichita, Kan., Sept. 13.—An attempt was made to rob the Hamilton hotel at 2 o'clock this morning. Joseph Fitzpatrick, one of the robbers, is dead in a local morgue, and John Morgan is under arrest in Hutchinson, suspected of being the leader. The robbers were followed by George Robbins, a bank driver who shot Fitzpatrick as he was leaving the hotel office with \$1, all of which was recovered.

A WOMAN MURDERED.

Media, Penn., Sept. 13.—Mrs. E. H. Pavitt, wife of a farmer, was today beaten to death at her home near here with a hatchet. Her body with the head crushed almost into a pulp, was found by her husband upon his return from Chester, where he had gone to market the farm products. William Keaton, colored, was arrested on suspicion. He denies knowledge of the crime.

TONOPAH MINERS' UNION IS ENJOINED.

Tenopah, Nev., Sept. 13.—Judge Peter Breen of the state district court has issued a restraining order at the instance of L. C. Branson, owner and publisher of the Goldfield Sun and the Tenopah Sun, against the miners' union of both towns, and also against both local branches of the Industrial Workers of the World. The order is far-reaching, directing that the defendants shall in no way injure the business of the publisher, either by boycott or otherwise, or interfere with the sale of the papers, or in any manner call attention to any boycott. The defendants are ordered to appear before the court on Oct. 11 and show cause why an injunction in the same effect should not be granted. The Industrial Workers of the World of this place are holding a special meeting tonight to confer with a committee from Goldfield. It is impossible to learn what the nature of the discussion is. A committee of miners from Goldfield arrived here today to confer with the Tenopah Mine Operators' association. After a short session the Tenopah men announced that they would take no part in the Goldfield difficulties, as the body has signed a contract with the local miners for mutual peace for three years. They declared they intend to keep faith and will do nothing that might be construed otherwise, as the miners here have made no demonstration against the welfare of the town.

ELIZABETH BLAIR LEE DEAD.

Rockville, Md., Sept. 12.—Mrs. Elizabeth Blair Lee, aged 89 years, widow of Rear Admiral S. P. Lee, died at Silver Spring today. Mrs. Lee's father was Francis P. Blair, editor of President Andrew Jackson's political organ, the Globe. Montgomery Blair, postmaster general in President Lincoln's cabinet, and Gen. Francis P. Blair, Jr., Democratic nominee for vice president on the Seymour ticket, were brothers.

STEINMAN NOT GUILTY.

Heart Weakness The action of the heart depends upon the heart nerves and muscles. When from any cause they become weak or exhausted, and fail to furnish sufficient power, the heart flutters, palpitates, skips beats; and in its effort to keep up its work, causes pain and distress, such as smothering spells, short breath, fainting, pain around heart, arm and shoulders. The circulation is impeded, and the entire system suffers from lack of nourishment. Dr. Miles' Heart Cure makes a heart strong and vigorous by strengthening these nerves and muscles.
