

son doubts the statement, that person should make a round up as was made yesterday.

AT POLICE STATION DOORS.

A half minute's walk from the police station down State street just below the Y. M. C. A. disclosed the fact that the Orpheum saloon was wide open. The Favorite on State and Second south was also doing business. Reilly's place just south of Second South was open as usual. It was the same with all the saloons on the street.

Crowds were in saloons 18, 42 and 74 east Second South. In front of the saloon on the opposite side of the street. Practically every place on west Second South was doing business as usual. It is inferred that the "great reform" party is under the ban, like certain gamblers, because they refused to support the "great reform" party, the party which now wants to drag the schools into politics.

STAGGERED OUT TO WIFE.

On Main street drinks were obtainable in every saloon. An incident worth notice occurred at the Cliff House bar, Main and Third south, about 2 p. m. A young man with a "load," that he could have at least made two trips for, staggered into the sidewalk. In his arms was a little 3-year-old tot. Outside he was joined by his wife who carried a 6-month-old babe. A fine example for a father to set before children. An inspiring spectacle! Here the law was doubly violated, but it apparently does not matter now that the "reform" party is in command. It is only when the "Americans" imagine that someone else is fracturing the ordinances that their "holly" indignation and "righteous" zeal is aroused and they shriek: "Law breakers! Criminals!" Then they howl: "We will make reforms. Give us the city, give us the schools, the county, the state and the earth."

IN THE NAME OF PURITY.

The "Americans" said they would have a clean city. No gambling, no Sunday liquor selling, no open saloons on the Sabbath. The present condition of affairs shows plainly what good the promises are. Saloons were open yesterday the same as any other day. One could walk in the front door of any of the Main street "third parlors." If one had the price he could get anything he wanted—provided the mikistore in his snow white bar attire was capable of mixing it.

No more side doors. No more sneaking in the back way and giving the "high sign" to the man on watch. No more winking the other eye to the soda water clerk. The "great reform" party is in control and the individual with a Sunday thirst, and the coin, can walk into a Main street saloon and get anything from murder-breeding "red eye" to Mumm's Extra Dry.

By the way, there is a splendid opportunity for the ministers of Salt Lake, who supported the "American" party, to get busy in a real reform movement without crying so much about an imaginary hierarchy.

ELKS MEMORIAL SERVICES.

The Elks will hold their lodge of sorrow, Sunday, Dec. 2, and the committee are arranging for the same. The members of this committee are J. Leary, chairman; Alexander Rogers, P. J. Donahue, Hyman A. Lepsinger and C. A. Quigley, with Escalator Butler, Thomas Homer as an ex-officio member. The services will be held in the Salt Lake Theater, with admission by card. The members of the local lodge who have died and in whose memory the services will be held are: W. W. Miles, E. J. Pratt, P. H. Peters, Dr. J. W. Smith, Lester Wallace, W. A. Watkins, Dr. K. A. Kjos, F. X. Hartman, Dr. P. J. McKenna, Louis Goldsmith, M. M. Miller, Henry Siegel, W. A. Neiden, John E. Hill, Jr., P. Tarpey, P. T. Huddart, Otto C. Herback, and the following who have died since the last memorial service: W. P. Coffey, E. W. McCune, W. J. McIntyre, H. M. Saylor and George H. Homan.

PIONEER WOMAN CALLED.

Mrs. Anna M. Calder, widow of the late David O. Calder, died at the residence of her daughter, Mrs. L. E. Ritter, last Saturday, from old age and general debility. Mrs. Calder's maiden name was Mackay, and she came to Utah in 1847, when she was but 16 years of age. Some years later she was married to Mr. Calder, and two daughters survive her, namely, Mrs. Ritter and Miss Jennie Calder. Mrs. Calder was highly esteemed by a large number of friends and acquaintances, and her death marks the passing of another of the true and sturdy pioneers of 1847. She was a Manxwoman, having first seen the light of day on the Isle of Man, Sept. 23, 1837. The funeral will be held from the residence of Mrs. Ritter, 285 Second street, Tuesday, commencing at 2 o'clock.

TRAGEDY IN IDAHO.

One Man Killed, Another Wounded at Highland Valley Yesterday.

(Special to the "News.")

Boise, Ida., Nov. 19.—An awful tragedy occurred yesterday morning at Highland Valley, 12 miles from Boise, due to a quarrel over a road, the result of which August Stankos lies dead at his home and his brother-in-law, Louis Jausinger is lying seriously wounded in the local hospital. The trouble occurred when the two unfortunate men attempted to cross the land of the Percy brothers by way of the canyon road. They were confronted by the Percy's and William C. Simmons, a quarrel ensued and weapons came into play, re-

BISHOP WATSON'S FUNERAL.

Many Friends Gather to Pay Respects To Departed.

The funeral yesterday of Patriarch James Watson was very largely attended by sorrowing friends, at 12:30 p. m., from Pioneer stake hall, which, in fact, was crowded to the doors. The casket was entirely covered up with flowers, which were also spread over the platform, and music was furnished by the Sixth ward choir. The speakers were Bishop Glaugue, Alex. Bart, A. Milton Muser, J. E. Taylor, Thomas Dobson, Joseph W. McMurrin, President William McLachlan and Elder George Teasdale.

The remarks were largely reminiscent as the speakers were lifelong friends and associates of the deceased. The interment was in the city cemetery, and many mourners followed the remains to the grave.

DEMOCRATS MADE SLIGHT GAINS.

Through the official re-counting of the ballots by the county commissioners of the various counties, the Democratic representatives in the next house of representatives is increasing. It is now certain five members, with a strong probability that there will be six. Unofficial information places the number at six, and the county clerks have notified Secy. of State Tingley of five, in official reports.

The five elected are J. P. Tolton, of Beaver, who returns for a second term; Thomas P. Cottam of Washington county, who resides at St. George, and who also comes back a second time; John T. Giles of Heber City, Wasatch county, John Parry of Cedar City, Iron county, and Robert P. Holt, of Verdure, San Juan county.

Unofficial returns give a majority to Mr. Meeks of Kane county, and it is expected that official notification of the election will be received at the office of the secretary of state within the week.

Official ballots, to be used in canvassing this senatorial district, which are at the office of the secretary of state. They, however, will not be opened until the meeting of the board, which is by statute, required to assemble next Monday at 12 o'clock. The board has no authority over the legislative ballots, except in the Eleventh and Twelfth senatorial districts, which comprise more than one county, and which will therefore be counted for the senatorial vote as well as the vote on the state ticket.

AMUSEMENTS.

Theater—The Lion and the Mouse company arrived yesterday and will open at the theater tonight. The company appeared in Ogden Saturday night and through a delay on the railroad, the curtain did not rise until 10:30, and the final act did not conclude until 1:30. The audience, however, sat the performance through and voted it well worth waiting for.

Orpheum—The new bill at the Orpheum tonight embraces several good comedy turns; the motion picture sensation this week will be "A Race For a Wife." The scenes in this romance take place on Long Island just before the great Vanderbilt automobile race.

Grand—At the Grand theater tonight the sensational play entitled "Man's Enemy," will be given with a specially selected cast.

Lyric—The drama of "Falsely Accused," described as "a play for the masses," goes on at the Lyric tonight and will run the whole week with the usual matinee Wednesday and Saturday.

Auditorium—In the accompaniment of Held's brass band of 29 picked musicians, the new Auditorium skating rink, on Richards street, will be opened to the public Monday evening next. Great pains have been taken. It is claimed, to suitably decorate the immense interior, and many new and interesting features will be introduced on that night. During the coming season, the management promises to present professional and amateur races, special events and many novel ideas.

HAS INTERURBAN GOT COLD FEET?

Looks as Though All Its Big Plans Are Going to Dissolve.

STREET CAR CO. IS VERY BUSY.

On the Other Hand Harriman Interests Are Making Surveys and Generally Getting Ready.

It begins to look very much as though Harriman's acquisition of the Utah Light & Railway company's holdings in Salt Lake and vicinity had given the promoters of the Salt Lake & Garfield interurban road a bad case of "cold feet."

To date the promoters of the proposed system of up-to-date electric lines have not filed any articles of incorporation although they have been prepared ready for entry for a couple of months past.

Around headquarters in the Herald building the force of engineers and others on the payroll have for days past been decidedly idle. The force of engineers in the field three weeks ago were called in and laid off subject to call.

OPTION EXPIRES TODAY.

Up to 2:45 this afternoon the option given on Saltair beach and the Salt Lake & Los Angeles railroad had not been taken up. It expires tonight and it would be reasonable to suppose that if it were to be taken up the sum required to bind the second payment would be forthcoming before the banks closed for the day at 3 p. m.

The options on the Sanpete Valley road, the coal lands 20 miles further west, the depot site at the rear of the Cullen hotel, etc., one and all are still in the air.

An official of the proposed interurban this morning did not care to be quoted on the situation. It was evident that he was in a pessimistic mood. "While we may be obliged to abandon some of our original plans," he said, "we are here to do business. Then he added hopefully, "You know this is but one of many propositions we have in the country. We have spent good money here and it would be poor business to abandon the field."

SCARED OF HARRIMAN.

Around town the common gossip is to the effect that the fine Italian hand of E. H. Harriman is in evidence in blocking the plans of the mysterious stranger who proposed to make Salt Lake valley a suburban Utopia.

SURVEY TO GARFIELD.

While the promoters of the rapid transit scheme have been lying on their oars the Utah Light & Railway company has been busily engaged. On Saturday the force of engineers in the employ of the company completed a survey from Twelfth south to Garfield street and back to the city. In addition the street car company which is now owned by the Harriman interests has secured an option on the West Side Rapid Transit company's right of way and will begin the line there is activity in the field. The Utah Light & Railway company of the Southern Pacific is here looking over the property and listing improvements, while a gas expert from Portland, Or., is overhauling the gas plant prior to making a report.

IMPROVEMENTS OUTLINED.

A special executive session of the city council was held this morning in Mayor Thompson's office at which representatives of the Harriman system, which now has control of the street car system of the city, outlined certain improvements which it proposes to make in the system. The improvements proposed to do this is a substantial manner so that it will not have to be done again for years and the traction officials wanted some assurance from the council that they could get the improvement at the required time so that they would not be compelled to make any changes in the grade after the improvements were made.

MORE FRANCHISES.

Those who appeared before the council in the interests of the Harriman company were President W. H. Bancroft, Atty. P. L. Williams, D. S. Spencer and Engineers Babcock and Honold. These gentlemen told the members of the council what the company proposed to do in the way of improving the road bed, and the extension of lines in order to improve the car service in the city and wanted the assurance of the council that it would support them in the improvements. It is expected that in the near future the company will ask the council for franchises to extend several of their lines in order to give better service. One extension proposed is north from the Warm Springs, so that the council has an opportunity to give the council for franchises to extend several of their lines in order to give better service. One extension proposed is north from the Warm Springs, so that the council has an opportunity to give the council for franchises to extend several of their lines in order to give better service.

TWO TICKETS WILL BE IN THE FIELD.

The school election for Salt Lake City is the next political battle, and already the lines are being more or less sharply defined. The "American" party has already opened an attack on the schools, saying the usual things in the usual fast and loose manner. Parading under the well established hypocrisy of the party, it announces the finest of real American principles as its standards and then seeks to accomplish something that would be a disgrace to every one of the principles so loudly advocated.

TWO TICKETS PROBABLE.

Two tickets will probably be in the field at the coming election. Calls for the "American" party primaries are already out, and calls for mass conventions of citizens are being prepared in E. H. Harriman's name. It is expected that the meetings are to be non-partisan, and without regard to religious faith.

Tuesday night has been set for a gathering of citizens in the First ward, at the Ninth ward school house.

IN SECOND WARD.

In the Second ward the following call has been issued:

"A mass convention of all voters of the Second ward, irrespective of political affiliations, is hereby called to be held at the sixth ward amusement hall on Wednesday evening, Nov. 21, at 6 o'clock for the purpose of nominating a candidate for member of the board of education of Salt Lake City, to be voted for on Dec. 5, 1906 and to serve for a term of four years.

"We are justly proud of our school system and believe that our board of education should be composed of men who are not the representatives of any political party and that our public school system should be maintained independent of any political influences.

J. H. PIERCE,
"J. T. WILLIAMS,
"WILLIAM G. LAMBERT,
"W. J. ROTH,
"GEORGE G. SMITH,
"E. E. JENKINS,
"E. L. WILLEY,
"JOHN D. BOWERS."

IN THE THIRD WARD.

The call to citizens of the Third ward is for a meeting at the High school Monday evening, Nov. 26, to nominate one candidate for the board of education. The Fourth ward meeting place is the Twentieth ward amusement hall, and the time is Wednesday evening at 8 o'clock. The call issues to all citizens interested in the schools without regard to religious or political affiliations.

FIFTH WARD CALL.

The Fifth ward announcement is as follows:

"A mass meeting of the citizen voters of the Fifth ward is hereby called for Tuesday evening at 8 o'clock, in Judge Diehl's courtroom, for the purpose of nominating a member of the board of education of Salt Lake City.

JOBIN M. HAYES,
"JOHN W. ARNUP,
"Precinct Chairman."

"AMERICAN" PARTY ACTION.

The "American" party ward conventions will be held Wednesday evening at 8 o'clock at the following places:

First Ward—Judge Whitaker's courtroom, basement of city and county building.

Second Ward—Cullen hotel dining room.

Fourth Ward—Knott's hall, First street between N and O streets.

Fifth Ward—Judge Diehl's courtroom, 120 First South street.

Who the probable nominees will be it is as yet too early to state definitely. In the First ward, the "American" party possibilities are E. B. Critchlow, J. J. Corum, and Geo. M. Sullivan. In the Second, Theron Geddes, John N. Courtney, E. E. Redmond and Frank B. Christensen. Judge H. P. Henderson may be renominated in the Fifth, as he is now a member of the board with a very good record.

CITIZENS MASS MEETING.

The citizen mass meetings will probably renominate men who are now in the board. Byron Cummings, dean of the department of Greek and Latin at the university, is mentioned for renomination from the First; Mr. Cheesman, from the Second; Mr. Newman from the Third; and Judge Henderson from the Fifth. This would give Judge Henderson the endorsement of all factions. For the Fourth ward Fisher Harris is being talked of by the citizens.

The date of the election is December 5th, and between now and then it is anticipated that lively interest will be maintained.

UTE INDIANS ESCAPE FROM U. S. SOLDIERS.

Cheyenne, Wyo., Nov. 19.—A special to the Tribune from Sheridan, Wyo., says that part of the band of Ute Indians who were held at Fort Steele by United States troops escaped and are believed to have gone to the Sioux reservation. The Utes resisted to the immediate presence of the cavalry escort and the troops were ordered to keep at a certain distance. This gave the Indians an opportunity to desert of which a number took advantage.
