

LAST FRONTIER OF THE UNITED STATES Nevada Gold Barons Rival Palmy Careers of Forty Niners.

Views of Fight Fiesta. Fluctuating Encounters Serve to Bring New Towns into Position on the Map of Their Continent.

Are you planning to go to Nevada this spring or are you one of those who are going over to the fight next week? There is a rapidly growing interest over the country in Nevada. It suggests the ferment of opinion that resulted in the rush west of California in '49, and to Klondike in '79. Salt Lakeers are feeling the spirit of unrest and are contributing a few boomers to the latest, and probably the last streak of western frontier.

This Gans-Herman fiesta is of course much wider in its influence than its mere power to give joy in nature. It will act as a magnet to the new country, and once over there the gold barons will have scraps of stock to sell you in every saguaro hut for miles around, and good property.
