HISTORY REPEATS ITSELF.

No. 1.

Chief of Police Caesar and Coroner Brutus met on the White House corner.

"Tell me," whispered Caesar, "Doth think these special auditors who are probing into our city's finances will find, son?"

"Yes," spoke Caesar, "Twenty thou— for the auditors. But what else?"

"Search me. This beyond me I repeat. At a meeting of tax-payers in the Third ward, wherein dwells a mighty noodle like yourself, it was asked but none could answer.

"In the neck? Oh Caesar how you jest so. Booze jokes may be 'dry' will, but it hurts me to hear you jest so."

"Nobody knows the answer."

"Brutus, they remain because paid to 'keep a working' so they can't report or because they have information which they hold as a club over the heads of their employes.

center. The federation committee consists of H. K. Russell, A. H. Niles, M. Shoeman, A. E. Harvey and A. H. Burt.

The reason for the present move for a new name is that the Federation of Labor has never been more than a Salt Lake organization, and will remain such while the new state federation will have jurisdiction in the entire state.

Speeches were made last night by a member of the clerk's union, demanding that organized labor recognize the clerk's union by demanding to see a clerk's union card before doing business with him in a store. Similar sentiments were expressed by a delegate of the garment maker's union urging that union labor men refuse to buy clothes not stamped with a union label.

CARELESS OFFICERS.

Policemen Making Arrests Fail to Sign Complaints Against Accused.

Judge C. B. Diehl of the criminal division of the city court is becoming tired of the habit of certain police officers making arrests and then failing to sign a complaint against the accused.

Several cases of that kind were on the docket this morning, and Judge Diehl instructed the clerk to write a letter to Chief Pitt requesting that he issue orders to officers making arrests to sign complaints against the accused.

NURSES VISIT HERE.

Mrs. Nellie F. Crossland, formerly chief of nurses at the L. D. S. hospital, but now engaged in a like capacity in a large Philadelphia institution, will arrive in Salt Lake Monday, and will be present at the nurse graduation exercises to be held in Barratt hall Thursday.

During the first week of May a convention of the National Nurses' alumni is scheduled to be held in San Francisco, and prior to that time delegations will pass through Salt Lake en route to the Golden State. A party of 35 is expected to arrive here Friday, May 1, and it is expected that they will be guests of the L. D. S. hospital.

BICYCLE RIDERS FINED.

That the bicycle ordinance is to be rigidly enforced in the future there can be no doubt and in the future those convicted of riding on the sidewalks in the restricted district may be expected to be fined.
