Fifty Cents a Month

A small bottle of Scott's Emulsion costing fifty cents will last a baby a month—a few drops in its bottle each time it is fed.

Scott's Emulsion

quickly respond to its helpful action. It seems to contain just the elements of nourishment a baby needs most.

Ordinary food frequently lacks this nourishment; Scott's Emulsion always supplies it.

Send this advertisement, together with name of your baby, to the nearest drug store, and we will send you a "Complete Handy Atlas of the World."
