OFFICIALS VISIT STATE SCHOOL

Industrial Institution Found in First Class Condition in All Departments.

Ogden, Dec. 23.—A party of state officials visited the state industrial school yesterday afternoon, making a thorough inspection of the same and everything was found to be in first class condition. The morning was spent in visiting the various departments of the school, including the girls' cottage. After a luncheon the printing, carpenter, blacksmith, shoe shop and tailoring departments were visited. In the gymnasium the visitors had an opportunity of seeing the young people give a splendid exhibition.

In the party were: Gov. Cutler, Governor-elect Spry, Atty.-Gen.-elect Barnes, Judge Gowans, Judge Gunnell, Judge Lewis, President T. B. Evans, Vice President Josephs and Dr. Conroy of the board of trustees. State Senators Hulanicki and Kuchler and Representatives-elect Randall, Fuller, McCracken and England.

FALLS AMONG THIEVES.

Story of a Highhanded Robbery Being Investigated by Police.

Ogden, Dec. 23.—The police are still investigating the story of Fred Goff, an aged man, who claims that he was robbed and held prisoner in a room in the rear of the Apex saloon for two days. The old man's straightforward manner in telling of the crime has aroused considerable interest among the officers and a thorough investigation is being conducted. According to Goff's story he had been working with a steam shovel gang west

of Ogden for a number of months and had saved up about \$400. He started for Chicago to visit his daughter for Christmas and when he arrived at Ogden he went to the Apex saloon for a drink of beer. After taking three drinks he says that he remembers nothing and when he came to he was in a rear room and held a prisoner, all his money and watch gone.

Goff's statement to the police that he had \$60 in gold besides a gold watch and \$20 which he drew from an Ogden bank have been verified by the police. From Walker Brothers' bank in Salt Lake City it was verified that Goff had received \$70 in gold. All other statements made by Goff have thus far been proven. The proprietors of the Apex saloon, B. F. McGuire & Co., strongly deny any connection with the robbery. There are several saloons on Lower Twenty-fifth street, which are known to have had a hand in relieving men of their money during the days of the building of the cut-off. It is very probable that some very decided action will be taken by the police committee of the city council and later by the council when the present case is thoroughly sifted.

R. S. Brooks and B. B. Brooks comprising the firm of R. S. Brooks & Son, live stock commission merchants, have brought suit in the district court against the Western Union Telegraph company to recover \$500 damages. Suit for a divorce was filed in the district court yesterday afternoon by Mary V. Baer against Andrew S. Baer upon the grounds of non-support. The couple were married in Ogden, Aug. 22, 1902.

In the probate division of the district court Nellie Cook has filed a petition for letters of guardianship in the matter of the estate of Annie Cook, a mil-

nor. The estate consists of an interest in real estate valued at \$550. George Adamson and John McCune, charged with robbery, are on trial before Judge Howell. The case will probably come to the attention of the court for the entire day.

MURRAY. KILLED IN A SNOWSLIDE.

Edward Petersen Meets Sudden Death At Sunnyside.

Murray, Dec. 22.—Edward Peterson, a youth of 18, raised in Murray and well known here, was killed in a snowslide on Sunday at Sunnyside in Carbon county. He was an employe of the Utah Fuel company. Last Sunday he and a companion named Whalen started from Salt Lake City to go to the town, and both were caught in a snowslide. Whalen escaped, but young Peterson was carried against a tree and killed instantly, his skull being crushed. His body was recovered and it will be brought to Murray for interment.

The Stomach Does Not Cause Dyspepsia

Neither Will It Cure It Because The Lack of Gastric Juices Prohibit Relief.

The stomach is a strong, powerful organ, which is composed of muscles of great strength. It is filled during digestion with gastric juices which, when the stomach, extending and compressing the food, dissolve it and separate the nourishment from the waste matter. If, however, these gastric juices are lacking, the stomach is not capable of digesting its food because it has not the tools with which to work successfully.

The gastric juices when in a perfect state do away with all foul odors, fermentation and decay, reduce the food to a disintegrated mass and the stomach then forms it into the intestines where another form of digestion takes place. Then the intestines take from this mass of food all that is nourishing and give it to the blood. The waste matter is thrown from the system.

If, instead of nourishment, the intestines receive impure deposits combined with a poisonous and imperfect gastric juice, it can be readily seen that they must turn such imperfect nourishment into the blood. The blood then being unable to give each part of the body that which it requires, becomes impoverished and disease is spread broadcast.

Stuart's Dyspepsia Tablets corrects such a condition at once. If the gastric juices are lacking and imperfect these tablets do their work just the same. They build up the elements in the juice which are lacking and remove those elements which cause disturbance.

Meat, grains, fluids, vegetables and delicacies, in fact each portion of a large meal have been placed in a glass vial and Stuart's Dyspepsia Tablets have digested them to a perfect fluid just as a healthy stomach would do.

A large complex, hearty meal holds no terrors for a dyspeptic if Stuart's Dyspepsia Tablets are used. Abnormal eating, late dinners, rich foods cause ill effects to the stomach, but when Stuart's Dyspepsia Tablets are used one may eat when and what one will without danger of dyspepsia or discomfort.

Forty thousand physicians endorse and prescribe Stuart's Dyspepsia Tablets and every druggist carries them in stock, price 50c. Send us your name and address and we will send you at once by mail a sample package free. Address: F. A. Stuart Co., 150 Stuart Bldg., Marshall, Mich.
