RAPID TRANSIT EXTENSIONS

Bonds Issued to Extent of \$300,000 for Improvement of Street Railway System.

Ogden, Dec. 25.—For the purpose of making numerous extensions of its line in the early spring, the Ogden Rapid Transit company has issued \$300,000 worth of bonds, and the work will start as soon as the weather permits. Among the proposed extensions is the building of a trolley line to Huntsville and an extension to Brigham City from the Hot Springs.

At a recent meeting of the board of directors, an issuance of \$500,000 bonds was authorized. Of this amount \$200,000 will be used to take up the outstanding bonds that were issued about a year ago when the Rapid Transit company absorbed the line of the Ogden & Northwestern from Five Points to the city limits to the Utah Hot Springs.

The remaining \$300,000 will be put into improvements and extensions. A large amount of work has been thus far on the extension of the line through Ogden canyon. Derricks and heavy working implements for the construction of the line where there is a great amount of rock work have been ordered from a local firm.

The line for the proposed Brigham City extension has been surveyed for more than three years, and there is but little doubt the work will be ordered in the early spring.

Other extensions contemplated by the company are the building of a line south on Wall avenue to Thirty-first street, thence to Washington avenue and the extension of the Seventeenth street line west of Washington avenue to the Glasgow addition and part of Marriott settlement. Another extension which the company has been urged to build is the twenty-fifth street line about three blocks further east to the Nob Hill. All of the proposed extensions have been favorably considered by the company, and without doubt the work upon them will be ordered immediately after the first of the year.

ICE HARVEST BEGINS.
 Ice harvesting in Ogden will commence next Monday morning upon what will undoubtedly be the largest crop ever harvested in this vicinity.

Manager Sam Thomas of the Ogden City Ice company expects his company will put up about 5,000 tons of ice, and says that the ice companies of the city will harvest about 30,000 tons. Throughout the county the thickness of ice averages 15 inches. All the ponds and their inlets and outlets were thoroughly inspected by the sanitary inspector before the water was turned into them, so that the city is insured of receiving pure ice next summer at reasonable rates.

CONFESSION TO SAVE HIS FRIEND.
 In an effort to save his friend from serving a term in the state prison, John J. McCune, who, together with George Adamson, were convicted by jury in the district court, Wednesday, of robbery, has made a complete confession to the officers in which he states that Adamson is entirely free from blame, and that he did not meet Adamson until after the crime was committed.

McCune's statement to the officers which he made yesterday was to the effect that another man aided him in committing the crime, and that he did not meet Adamson until afterward when they were drinking together and their arrest followed. It says that he has been unable to sleep at night until he had made the confession. The confession will be investigated by the officers before the men are taken before Judge Howell next Monday to receive their sentence.

ARRESTED FOR BRUTAL ASSAULT.

At an early hour Christmas morning Joe Kuhn was arrested upon the charge of beating down A. Sargent, a police officer, and will be held pending the outcome of the injuries of the latter, who, it is stated, is in a serious condition. According to the information in the hands of the police, and as near as could be learned Kuhn and an employee of the Allen Transfer company where the assault occurred had some sort of a quarrel which Sargent mixed in, with the result he received a terrible beating. The police are investigating the case.

UTAHNA THEATER BANQUET.

One of the most enjoyable occasions incident to the Yuletide festivities held in this city was a banquet given on the stage at the Utahna theater Christmas night by the members of the Utahna Stock company, including besides the members of the company invited guests numbering about 60. The gathering was of a typical Bohemian nature. Shortly after the evening had advanced the "Counterfeiters" came to an end tables were brought on the stage and the banquet served by the chef of the Reed hotel and corps of white aproned waiters.

UNIVERSAL CHRISTMAS CHEER.

Jovous Day for All—Splendid Work of Beneficent Associations.

Ogden, Dec. 25.—Christmas passed very quietly in Ogden, but it was one of the most joyous observances that has ever been held. Without doubt more people were made happy this year than in former years. The rich, the near-rich and the poor spent a very happy day.

The Martha society, the Salvation Army, as well as many of the lodges, have done magnificent work in caring for the poor of the city. The Martha society for more than a month has been caring for many poor families of the city. The Salvation Army has distributed in many quarters of the city several hundred baskets, well-filled with food, which will last several days.

Among the lodges that have been very busy this week is the Woodmen of the World, which has distributed a carload of coal to the needy of the city. The Elks' committee has also labored diligently during the past week in looking after many needy families of the city. Policemen, mail carriers, street car men and newsboys, and in fact all who have been employed in similar positions, have been thoughtfully remembered.

Several of the young men of the city

formed themselves into a committee and secured possession of many letters which children have written to Santa Claus, and last night the young men secured an automobile and one of the number dressed as Santa Claus visited the homes of the little ones carrying toys and candy to them.

Special programs and attractions were arranged at the numerous theaters and dancing academies as well as at the roller skating rink and the ice ponds. Sleighing being unusually good was also one of the big attractions of the day and evening.

All railroad, city and county offices were closed and the employees of each joined in the merry making. The feeling throughout Ogden and Weber county was indeed "Peace on earth, good will to all men."

SUIT FOR DAMAGES.

PROVO.

SUDDEN DEATH OF DAVID JOHN

Veteran and Esteemed Ecclesiast Succumbs to Apoplexy.

Special Correspondence.
 Provo, Dec. 25.—Patriarch David John died unexpectedly at his home Thursday afternoon at about 4 o'clock. He was in his library talking to Bengt Johnson, Jr., a visitor. They were talking about old times and Elder John's experiences in the Church, and the last words spoken by Elder John was that he never felt better in his life, except some slight soreness from a fall sustained some days ago. He then appeared to fall and Mr. Johnson caught him before he fell, and he expired immediately. Dr. Wallack who was called in to view the remains said that the cause of death was apoplexy.

David John was born in Little New Castle, Wales, Jan. 27, 1832. He became a member of the Church of Jesus Christ of Latter-day Saints when

only 14 years of age unknown to his parents. His father was very much opposed to this and in order to overcome what he considered a mistake on the part of his son, he sent the boy to school and had him educated for the Baptist ministry. Elder John, however, remained true to the faith he had embraced and at 21 left home and engaged in the ministry of his Church. In 1861 he came to Utah and located in Provo. Here he taught school, farmed and engaged in clerical pursuits. He was a man of strong devotional nature and was always prominent in Church work. For many years he was a counselor to Bishop Myron Tanner of the Third ward, and later a counselor in the stake presidency to President Smoot and President Partridge. In 1901, on the death of President Partridge he was appointed president of the Utah stake and remained in this office till April of this year, when he retired on account of failing health, and was then ordained a patriarch.

He was ever devoted to the Church and had a strong testimony of the truthfulness of the gospel.

He is survived by a wife, 10 children, 37 grandchildren and one great-grandchild. His first wife died about two years ago.

Funeral services over the remains of President David John will be held in the Tabernacle next Sunday, commencing at 1 o'clock.
