CLUNY LACE AND EYELET EMBROIDERY COMBINED.

The fine embroidery allover makes very pretty blouses, and the model illustrated shows a very smart method of trimming. Cluny lace in three widths has been used, the wider sort forming a bold design on the front of the blouse, and the narrower widths being used in panel effect on the sleeves and in combination with square medallions as a vest. Cluny lace is very durable and will wear and launder like iron. It may generally be depended upon to give service as a trimming for three successive blouses of lingerie material.
