## VIADUCT OPENS ON MAY FIFTH

Highway Over Railroad Tracks To Be Completed Wednesday And Turned Over to City.

### CIVIC IMPROVEMENT LEAGUE.

In Active Campaign for Betterment Of Ogden—Court Orders Sanitarium Debts to be Paid.

OGDEN, May 1.—The viaduct will be opened for public travel on May 5. This is the statement made by a railroad man Friday evening to the "News" correspondent. He further stated that at the session of the city council next Monday night the railroad company will undoubtedly advise the city that the big steel bridge, which is almost a mile in length, will be ready for public travel on Wednesday morning.

While nothing definite, at present, has been decided upon in the matter of ceremonies in the acceptance of the viaduct by the city, it is very probable that this will be decided upon by the council at next Monday night's session. What action is taken in the matter will probably be the presence of the mayor, city council and other city officials with the railroad officials and an inspection of the steel structure will be made after which it will be formally turned over to the city by Engineer Campbell and accepted for the city by Mayor Brewer.

The viaduct fills a long-felt want among the residents of the west part of the county and will cause less anxiety on the part of the railroad officials. It crosses about 30 tracks over which more than 300 trains are passing each 24 hours and has required the services of men each hour out of the 24. To the public it means there will be no more long delays waiting for the trains to clear the crossings in addition to the safety it affords from accidents arising from unmanageable teams.

### TEACHERS' CORPS REORGANIZED.

OGDEN, May 1.—At the meeting of the city board of education last night it was decided to retain all the present teaching force of the Ogden schools and to extend the services of the same to fill the vacancies in all the schools. The teachers were divided into two classes—heads of departments and assistants. Heads of departments will receive salaries of \$1,000 to \$1,200 a year, and the assistants, \$750 to \$900. O. J. Cross, principal of the High school, will receive \$2,000 for next year, an advance of \$300.

The primary superintendent was assigned to Miss Wila Spurgeon at a salary of \$900 a year, and Donald Beauregard was appointed supervisor of drawing. Under his contract he will spend two days of each week in Ogden and two days at the University of Utah. These are new positions.

J. M. Mills, superintendent of schools, was instructed to institute a domestic science department in the grade schools of the city and the High school.

The superintendent recommended that a kindergarten room be established and maintained in each of the city schools. This suggestion, if carried out, will mean the purchase of 100 desks. The matter was referred to the committee on teachers.

H. S. Hodgson reported that the High school building would be partly completed in time for the opening of school. The High school graduating exercises will be held in the Grand Opera House after the closing of the school.

### CIVIC IMPROVEMENT LEAGUE.

OGDEN, May 1.—The Civic Improvement league, at a recent meeting, volunteered to extend its services to the Harriman interests as well as to the property owners on Wall avenue between Twenty-third street and 24th street, to secure the site for the erection of the new \$100,000 freight depot which the Harriman interests are contemplating. The league will attempt to bring about a settlement of some sort in this case. A large number of other matters looking toward the betterment of the conditions in the city, toward making it more beautiful, were considered at some length and will be part of a campaign which the league will start for a more beautiful Ogden.

### ANSWER FILED.

OGDEN, May 1.—In reply to the petition filed in the district court recently by the two sons of B. A. Manning in which they alleged their father, Albert Manning, was coerced by Mr. and Mrs. Alfred Neal into signing away all of his property and leaving him penniless, Mr. Manning has filed an answer in which he sets forth that he is mentally sound. The father admits that he is physically infirm but denies any mental weakness. He also makes a strong denial of all allegations of coercion and declares that no effort has been made by the Neals to influence his mind.

### GLOBE THEATER PURCHASED.

OGDEN, May 1.—The progressive Motion Picture company which was recently reorganized has purchased the Globe Theater on Washington avenue, and will in the future run the same in conjunction with the Orpheum Motion Picture theater. The officers and directors of the company which now controls the Orpheum and Globe theaters is as follows: Albert Scofield, president; Charles Zeimer, vice president; W. W. Hodgkinson, secretary; H. W. Sims, treasurer.

### SANITARIUM AFFAIRS.

OGDEN, May 1.—In the district court yesterday afternoon Judge C. W. Morse of Salt Lake sitting in the case of the Ogden Canyon Sanitarium receivership ordered the payment of the claim of Rudolph Kuehler as receiver for the sanitarium. J. H. Kutz, the purchaser of the sanitarium, was ordered to pay into the hands of Receiver Barton sufficient money to pay the present outstanding R. C. Lundy claim of \$55 was ordered paid after it had been audited and found correct. County Clerk Dye was

ordered to pay to Receiver Barton all the remaining funds in his hands which were delivered from the sale of the mortgaged property of the Sanitarium company.

### SUIT ON GAMBLING LOSS.

OGDEN, May 1.—J. Oscar England has filed suits in the district court against the White Elephant club rooms and the John F. Smith. To recover the amount of \$528 from the former defendants and \$402 from the latter named defendants. According to the plaintiff's allegations an agent of his, Jesse O. Brooks, was on Feb. 10 of this year, entrusted with \$323 to be used for the plaintiff. It is further alleged that Brooks gambled in the two houses of the defendants and lost the amount of money asked for as damages.

### PROBATE BUSINESS.

OGDEN, May 1.—In the probate division of the district court Mary Lewis has filed a petition for letters of administration in the estate of John Whitaker. The deceased died on June 12, 1907, and left an estate valued at \$2,000 to which she as the former wife of the deceased and seven children are heirs. Fred Whitaker filed a petition for letters of administration in the matter of the estate of Frank White deceased. The deceased died April 12, 1909, and left an estate valued at \$250.

Stephens, A. M. Rankin, Matthew Galt, W. J. Norman, Thomas Farr, A. P. Bigelow, P. E. Lloyd, and J. H. Epperson; Roy—Nephi Hardy, Sr.; Burch Creek—William Stinson; Nevada—John Peckham; East Lynn—N. C. Paulsen; Wilson—J. H. Ramey.

### OGDEN BRIEFS.

At the Fourth ward amusement hall last night the Weber Academy alumni gave a successful presentation of the mythological comedy, "Pygmalion and Galatea," before a large and enthusiastic audience. The performance is the eighth given by the association. The proceeds from the several performances went to school funds.

Silvie Ortonas, a French journalist, arrived in Ogden yesterday and will spend a few days visiting friends. He is walking around the world studying the political and social conditions of the various countries.

A marriage license was issued yesterday afternoon to Murray Martensen and Rachel Sommers, both of Hooper.

Reports received from the Ogden general hospital early today are to the effect that the condition of Claude Moves, the young rivet inspector, who fell from the viaduct more than a month ago and who has his left leg amputated Thursday evening, was greatly improved and strong hopes are now held out for his recovery.

The H. L. Griffin Produce company of Ogden, in the district court today, filed a suit against Francis E. Roche, in which it is alleged that Roche, a merchant, purchased a quantity of goods from the plaintiff on November 18, 1907, and still later in the same month, the two bills aggregating \$2,314.50.

The building of a modern elevator to cost \$100,000 is virtually assured by the closing of a deal for land in the warehouse district north of Twenty-third street. The elevator will occupy the site of 220 feet on Wall avenue and have a storage capacity of several hundred thousand bushels of grain.

### SCHOOL NOTES.

PROVO, May 1.—Some of the boys and girls feel that the work of school is more than they care to attend, and have urgently requested their parents to ask the board of education for excuses, but in all cases the board has sustained the school law and required that every child shall attend the full 30 weeks. Probation Officer Roper delivered talks in a number of the schools last week urging

## Spring Humors

The sooner you get rid of them the better. They are impure matters which your system cannot take care of without help, there is such an accumulation of them.

They cause loss of appetite, eruptions, that tired feeling, bilious turns, fits of indigestion, dull headaches.

It is important to get rid of them not only because they make you feel miserable, but also because they reduce your power of resistance to disease.

They make it harder for your white blood corpuscles to defend your red blood corpuscles and bodily tissues against disease-germs, which are in the air you breathe, the water you drink, the food you eat, and on things you touch.

The way to get rid of them is to take Hood's Sarsaparilla—the medicine that is taken every spring by every member of the family in thousands and thousands of homes.

Hood's Sarsaparilla acts directly and peculiarly on the blood; purifies, enriches and vitalizes it; makes it normal in red and white corpuscles, and builds up the whole system.

In this way it cures all spring humors, diseases and ailments.

Get Hood's Sarsaparilla today, in the usual liquid form or in chocolate tablets known as Sarsatabs, 100 Doses One Dollar.

Plans drawn by L. C. Cannon of Salt Lake were accepted for the new building of the methods of teaching in the summer school. It was also decided that the summer school teachers serve without pay, and that the tuition fees be set aside to assist working students in meeting their expenses in the college.

The organization of a forestry course for the training of forest rangers and a post graduate course in forestry was also decided upon.

The system of assessing each student an additional \$5 entrance fee, which shall entitle the student to admission to the athletic events of the college and other privileges will be continued.

The department of animal husbandry was reorganized. Horses, beef cattle, sheep and hogs will be in charge of John T. Calne III and dairy cattle under the supervision of Prof. Woodward. George H. Terpin will superintend poultry.

Institutes for farmers and their wives will be held in every county of the state next winter, and W. H. Hoerner, Jr., was employed as institute lecturer during the winter.

The action of the Logan city officials in cutting off all water supply from the buildings of the college, which was done several days ago, was strongly disapproved, and this sentiment will be set forth in a communication to be presented to the city council tomorrow.

The members of the board will inspect the buildings tomorrow.
