DISINHERITED HIS PARENTS. OGDEN, May 22.—A suit to set aside the will of Peter Christensen has been filed in the district court, by Christian and Anna Peterson, the parents of the deceased, and by the children, Cornelia Anderson, Caroline Peterson and Elizabeth Jensen, his sisters.

The petitioners are seeking to revoke the letters testamentary upon the estate of Peter Christensen, the son and brother, which were issued to Nels C. Peterson, the surviving brother. The will was admitted to probate Oct. 17 last. At the time this will was admitted to probate, the petitioner, Peter Christensen, was 75 years of age and was in this condition, the petitioners say, that he was unable to understand the nature and effect of the will which he was signing.

At the meeting of the board last evening a communication was received signed by more than 100 teachers who were at the mass meeting at the Congregational church in the afternoon, protesting against certain clauses in the contract and asking for an extension of the time for the signing of the contract.

As today was the last day for the signing of the contracts, the request was granted and the time extended for one week. That portion of the contract against which the teachers vigorously protest is that which authorizes the holding back of a small portion of the salary each month as a security against the "jumping" of contracts, a number of which occurred last year.

J. M. Bishop, principal of the South Washington school and who was rejected to that position, sent his resignation to the board and the same was referred to the teachers' committee.

The bids of 25 or more business houses for the furnishing of supplies next year, was referred to the supply committee and the superintendent.

Upon recommendation of Supt. Mills the eighth grade graduation exercises will be held in the tabernacle, June 4, 11 1/2 p. m.

The matter of securing quarters in the city hall was referred to the superintendent who is instructed to find suitable quarters for the Veteran Firemen's association which will vacate its quarters to the board.

SUICIDE OF AGED GERMAN. OGDEN, May 22.—Gabriel Zweisler, the aged German who was sent to the chain gang at the city jail on Wednesday through mistake and subsequently released, died at the police station yesterday afternoon at 2:30 o'clock, from carbolic acid poisoning, which is believed to have been taken with suicidal intent.

The man was released early yesterday morning. In the afternoon a report was received at the police station to the effect that a man was lying on the sidewalk who was apparently very ill.

Upon the arrival of the man at the police station he was attended by Dr. Howell who found that the man had drunk carbolic acid. Everything possible was done yesterday night, but he succumbed to the deadly drug.

The body was removed to the Richey undertaking parlors and the funeral arrangements will be announced later.

The man was about 60 years of age and had been engaged in carriage and automobile painting for the past two years. As far as could be learned he has no relatives in Utah.

SHOCKING DEATH ON THE RAIL. OGDEN, May 22.—The body of Gus Johnson, the young railroad man who was killed at Lakeside, on the Southern Pacific on Wednesday evening, was brought to the city yesterday and is at the Larkin funeral chapel awaiting the arrangements for the funeral.

According to the coroner's report, an office of Supt. Mansson of the Southern Pacific, Johnson was killed by jumping off of the gravel train upon which he was working in one of the westbound mail trains, which he failed to see. Almost before the young man had stepped upon the track the engine was upon him, and he was ground to pieces. The train was stopped as soon as possible and his remains were gathered up and brought to Ogden.

It is stated that Johnson was making arrangements to marry an Ogden girl next week, and was waiting for a day on Friday when he would come to the city.

The Boxelder county officials went to Lakeside, where an inquest was held over the body. The body was brought to Ogden for interment. The funeral will be conducted under the auspices of the Scandinavian society.
