

OVER ONE HUNDRED TYPHOID CASES

Ten Victims Reported to Board of Health This Morning.

ONE AT DAIRYMAN'S HOME

Two Dairies Have Four Patients Each—Another Has Two—Today's List.

With the ten cases of typhoid fever reported to the city board of health this morning, there are now 133 cases of typhoid fever in the city which are attributed to the milk supply.

Dr. Beatty, secretary of the state board of health, has taken the matter into hand, and with Walter J. Frazier, city food and dairy commissioner, an effort will be made to check the epidemic.

In check up the cases of typhoid fever that have developed in the last two weeks, Dr. Beatty, secretary of the state board of health, has taken the matter into hand, and with Walter J. Frazier, city food and dairy commissioner, an effort will be made to check the epidemic.

The list of victims reported this morning is as follows: Golden Guiver, 759 Fifth avenue, Edith Morgan, 775 south Second West street, Earl Pardy, 259 D street, Victor Wood, 244 Second East Street.

Elizabeth Thomas, 609 north First West street, Francis Mortensen, 613 north First West street, Charles Wood, 244 Second East street, Ardella Linck, west First South street, Thomas Wadsworth, 551 11th Street.

Carl Worth, 3 Citizens' court, Under the direction of Superintendent Thomas Hobday, the dead ends of water mains are being opened and allowed to fill with fresh water again. The reservoirs are also being cleaned out. This is being done as a precaution.

Herman Harms, city and state chemist, will make analysis of the water which supplies the city and samples are being taken of the water in Woods Cross and Farmington which the cows drink and which is used about the dairies for cooling the milk.

MORE PRIZES OFFERED. Special Awards in Various Departments All Posted Today.

The board of directors of the Utah State Fair association met last night in the Chamber of Commerce and in addition to transacting routine business decided to offer a special premium of \$50 for the best exhibit of semi-tropical fruits, nuts, dried fruits, etc. This prize will be especially interesting to the people of Southern Utah, where such fruits are grown.

It was also decided to offer a special prize for the best violins made by amateurs in the state. The first prize will consist of a gold medal and the second of a diploma. There are said to be several young men in the state who have devoted much attention to the construction of violins on scientific principles.

The following additional premiums will be offered for mules: Four years old and over, first, \$25; second, \$15; over 3 years and under 4 years, first, \$20; second, \$10; over 2 years and under 3 years, first, \$15; second, \$8; over 1 year and under 2 years, first, \$10; second, \$5; over 1 year, first, \$10; second, \$5. John H. Winder offers a prize of \$25 for the best herd of registered Jersey stock, consisting of a bull and four cows over 3 years of age, and a prize of \$25 for a similar herd under 3 years of age. A silver cup will be given as the first prize for the best herd of Herefords, consisting of one bull and four cows; and for the second prize, \$20.

The transportation committee of the fair is taking up today the transportation of people on Miners' day, Oct. 7, with the railroads. Arrangements for this feature of the fair are in the hands of a special committee consisting of H. S. Joseph and Jesse F. Cannon. They have visited the camps of Bingham, Tintic and Park City, and predict an attendance of fully 2,500 people from those places on Miners' day. Drilling contests will be held, which will be a new feature for the fair.

CHURCH NOTICES.

The semi-annual conference of the Salt Lake Stake Relief society will be postponed until the last Saturday in October owing to the visit of President Taft.

The regular monthly meeting of the officers of the Relief society will be held Friday, Sept. 24, at 2 o'clock in the stake hall. A full attendance is requested.

CAR SCHEDULE FOR PRESIDENT'S VISIT

Special Headway and Operating Instructions to be Issued Tomorrow.

The Utah Light & Railway company will observe a special schedule for operating the street cars during the visit of the president of the United States in this city, which will be published tomorrow.

On Saturday, Sept. 25, there will be a continuation of the service during the afternoon as of the previous day, the greatest number of cars, however, being operated between the business center and Liberty Park, where the president is to receive the city. Every effort will be made to bring the crowds back to the center of the city as expeditiously as possible.

On Sunday, Sept. 26, in the morning, 125 to 130 cars will be in operation, particularly during the review of the children on east South Temple street, and from 10 to 11:30 a. m. there will be no cars on South Temple street east of State.

The third evening cars will run only on South Temple and E streets, and the Second West cars to South Temple and Main streets. The east South Temple street cars will operate via east First South street to Thirteenth East street, and there are to be extra cars after the review. People can, if they wish, take passage via east First South street for the Thirteenth avenue line to Fifth East and then walk one block north.

There may be a few changes from this schedule, but it will be observed practically as above mentioned.

J. H. YOUNG A VISITOR.

Says His Promotion in Espce is Merely Kindly Rumor. General Supt. J. H. Young of the Southern Pacific is in town for a few days, with Mrs. Young, visiting his friends. Mr. Young feels kindly toward the newspaper men and others who have stated him as the coming assistant general manager of the Southern Pacific system. He says that while they mean well, they don't know. There has been no intimation whatever of any such change as has been talked about. Other railroad men say that there is a sequestration of the Harriman roads, each system will have its separate president, instead of there being a general manager in charge of all the Harriman lines with headquarters in New York. This would boost Mr. Calvin up to the presidency of the Southern Pacific, make Mr. Scott general manager, and Mr. Young assistant. It is contended that owing to the growing complexity of railroad operations, the two Pacifics and the Short Line are entitled to have executive heads with the title and salary of president.

RIO GRANDE REORGANIZATION.

Denver Post Declares Union Pacific Will Dominate Changes. The Denver Post claims that the Denver & Rio Grande is to be reorganized entirely at the Oct. 12 annual meeting of the stockholders, when the Union Pacific will dictate every change and improvement contemplated. This report follows the return of Vice President C. H. Schackels from New York, where he went for a conference with George Gould, President E. T. Jeffrey and the board of directors. It is said the state which Vice President Schackels brought home with him is in part as follows: F. A. Delano, president of the Wabash, to succeed E. T. Jeffrey as president of the Denver & Rio Grande; F. A. Wabash, assistant general manager agent of the Denver & Rio Grande, to succeed S. V. Derrah of Salt Lake as general passenger agent of the Western Pacific; L. M. Brown, chief clerk in the passenger department of the Denver & Rio Grande, to succeed Wadleigh W. S. Martin, assistant general manager, to succeed A. C. Hodgson as general manager. F. R. Beckwell, now on vacation, to be made general superintendent of all Denver & Rio Grande lines in Colorado.

HOLDING CONFERENCE TODAY.

Short Line machinists are meeting today with the Super. J. E. Derrah, motive power to talk over shop rules and other matters pertaining to machinists' work.

POLITICAL NOTES.

A meeting of the Republicans of the Fourth ward has been called by Mayor H. P. Myton, chairman of the organization. The meeting is composed of the committeemen and voters of the ward and will be held at room 223, Commercial club building this evening at 7:30 o'clock. Arrangements will be made for the holding of primaries for the city and ward conventions, and the fall campaign in the Fourth ward will be discussed.

Some comment has been caused by the disappearance of the red, yellow and blue colors from the electric sign in the word "transford" hanging up above the door of the Branford headquarters on Second South street. The colors in the sign are all white now. The annual meeting of the Utah Democratic club was held last evening in the office of James H. Moyle. The regular meeting was to have been held on Sept. 4, but was adjourned until last evening. A few members of the informal business were present, but the election of officers was postponed until Sept. 27, when another meeting will be held at the office of Mr. Moyle. A committee was appointed to arrange for permanent quarters for the club, to be used jointly by the Democratic club and the Republican club. Mrs. H. J. Hayward is president of the women's organization.

A meeting of the district chairman of the Republican organization of the First ward and of other Republican workers of the ward was held last evening in Judge Armstrong's courtroom in the joint city and county building. Arrangements for holding the Republican primaries and ward conventions will be made and plans for the fall campaign will be discussed.

The Branford faction of the "American" party held a meeting at the headquarters on Second South street last evening. Music was furnished by an orchestra, and Mr. Branford was introduced as the "next mayor." Mr. Branford said that while he entered the race for the office of Mr. Moyle, a candidacy, he was in now and in to win.

NEW INCORPORATIONS.

The Kamas-Woodland Telephone company filed its articles of incorporation with the secretary of state this morning. It has a capital stock of \$20,000, divided into shares at \$5 each. Of this amount 233 shares have been set aside as treasury stock. The officers are: Charles E. Stewart, president; J. O. Park, vice-president; and John B. Hoyt, secretary and treasurer.

The Stewart Creamery company of Springville, Utah, filed its articles of incorporation this morning with the secretary of state. It has a capital stock of \$3,000, divided into shares at \$1 each. The officers are: A. L. Starr, president; E. N. Jordan, vice-president; and L. Stewart, secretary and treasurer.

LANDMARK BEING RAZED.

Demolition of Odd Little Adobe Building is Under Way.

The small building near the southeast corner of the Temple block, which, since 1859, has been known as the observatory, is being torn down, and the instruments, and the stone which supported them, will be taken to the Deseret museum as soon as the quarters in the front block are completed. From the outside the little building looked like a small adobe, and it was not generally known that inside the adobe walls stands a weather-tight wooden room, built out of sawn pine taken from the adjacent mountains. The instruments consist of a smoothly chiseled piece of brown stone, which is engraved "Star Lake Meridian, 1859." The box of instruments, which are said to be the best obtainable in this country, is in the care of the presiding bishop, and they lie in the original box which is in a perfect state of preservation, the inside especially appearing as if it were but a few days old. The box is nearly three feet long and about six inches high and about the same width.

MISSIONARY REUNIONS.

German and Swiss Elders—The annual reunion and social of all elders who have labored in the German speaking countries, held in the office of the day-genteenth ward amusement hall, Tuesday evening, Oct. 5, commencing at 8 o'clock sharp. The amusement hall is located just two blocks from the Temple square, on First North street, between West Temple and First West. Above elders and company are cordially invited to be present. Hugh J. Cannon, president.

Scottish Reunion—The Scottish missionary society reunion will convene in Pioneer stake hall Oct. 5, at 8 p. m.

Sheffield—The semi-annual reunion of the Sheffield Conference association will be held in the new Twelfth-Thirteenth ward amusement hall, 363 east Second South, on Monday evening, Oct. 4. Informal reception, 7:30 p. m.; roll call and program, 8:45 p. m.; refreshments, 9:30 p. m. All saints and elders welcome. Past conference presidents will act as reception committee.

CHRISTIANSEN IS GOUL COURT

Former State Treasurer Pleads Not Guilty to Charge of Embezzlement.

REDLIGHT CASES COME UP.

Counsel for Belle London and Her Company Interposes Demurrer And Asks Dismissal.

James Christiansen, formerly state treasurer, who is charged with having embezzled \$70,828.94 of state funds, pleaded not guilty to two counts in the information before Judge Thomas D. Lewis this morning and then sat down and carefully read the morning paper. While he was before the court he sat between J. Grant, charged with forgery, and Junius Wardle, a slip of a boy 19 years old, who is charged with destroying the transmission wire of the Tellulide Power company in Bingham canyon. When they were arraigned he took a deep interest in the proceedings, more so than he did in his own case, apparently.

Christiansen was the first to be arraigned. The information was read in the first court charging him with embezzling \$70,828.94. The second count he was charged with misappropriating \$10,628.94. He entered his plea to both charges and had nothing more to say. It is understood that the complaint will be set for trial at the first possible date.

When Grant was arraigned he pleaded not guilty. The information charges him with having forged the name of B. J. Smith in a check on the State Bank of Utah for \$50. Wardle also entered a plea of not guilty. The latter's case was set for trial on Wednesday, Nov. 3, by his attorney, Bernard Stewart, asked permission to change his plea within that time if he saw fit to do so. The permission was granted.

Two cases were called which charge Mrs. Dora P. Topham, the notorious Belle London, with having conducted houses of ill-repute in the defunct West End. Four counts of a similar nature were called against the Citizens' Investment company, of which Mrs. Topham is president.

Samuel A. King represented the defendants in each case. He interposed a motion asking that the cases against all the defendants be dismissed. The motion was denied. It sets forth that do not set out the charge which was brought against the defendants for which they were bound over to await trial in the Third district court. It was also set forth in the motion that the complaints against the Citizens' Investment company did not state a crime, it was a corporation, partnership or an association, which was not set out in the charge which was brought against the defendants for which they were bound over to await trial in the Third district court. It was also set forth in the motion that the complaints against the Citizens' Investment company did not state a crime, it was a corporation, partnership or an association, which was not set out in the charge which was brought against the defendants for which they were bound over to await trial in the Third district court.

WANTS HER MAIDEN NAME.

Mrs. Ella M. Rounds brought suit yesterday in the Third district court against S. S. Rounds on the grounds of desertion for months. They were married in Buffalo, New York, on Oct. 25, 1905. In June, 1908, she alleges that he left her and since that time she has been compelled to work for a living. She asks for the furniture which they have and the restoration of her maiden name, Ella M. Dow.

VIOLATED PURE FOOD LAW.

J. M. Marriott, a local butcher, was found guilty this morning by Justice Hanks of having violated the pure food law by having used sodium sulphate as a preservative for meats. The case was tried Monday but the decision was not given until this morning. The attorney for Marriott has notice of an appeal. Similar cases are pending against Snyder & Co., James B. Cowan, McMillan & Sons, Lewis Knight and A. Smith & Son.

VERDICT IN KAISER CASE.

Coroner's Jury Adds Closing Action To Poisoning Case. Attributing the death of Mr. and Mrs. Frank Kaiser to arsenical poisoning, and with the state, "How or by what person the said Frank Kaiser and Johanna Kaiser, came to his and her death, and whether the said death was accidental or felonious the jury is unable to determine," the coroner's jurors returned their verdict in Acting Coroner Stanley A. Hays this morning, after hearing the testimony of four witnesses.

With the rendering of the verdict the official investigation in the death of Mr. and Mrs. Kaiser is closed. The coroner's investigation of today brought out no new facts in the case. The witnesses called were: Dr. Robert R. Brownfield, State Chemist; Harms, Mrs. Hattie James and Mrs. Johanna Kaiser, the mother of A. B. Edler. The two jurors were H. B. Burk, Amos Morton and H. M. Baker. In the case of Frank Kaiser, and Daniel W. Gamble, William Bandler and Robert Mulhall in the case of Mrs. Minnie Kaiser.

NAMPA CITIZENS ON BEET QUESTION

(Special to the News.) Nampa, Idaho, Sept. 22.—An enthusiastic meeting of farmers, merchants and bankers was held here last night in the interest of the local sugar factory. The meeting was called to hear Thomas R. Cutler, general manager of the Utah-Idaho Sugar company, and Mark Austin, local superintendent, both of whom laid before the people of Nampa the unsatisfactory conditions which had prevailed for several seasons past in regard to beet growing. After a full discussion, a unanimous vote was taken that the factory must be sustained, and all present pledged themselves individually and collectively to see that the acreage devoted to beets was largely increased next season.

ARRESTED FOR BURGLARY.

Joe Smith, who is not known to the police, may have to face a charge of burglary in the third degree. This afternoon he was arrested as he was leaving the six roominghouse in East Second South, where, it is charged, he entered room 20 and was in the act of ransacking it when frightened away. An additional charge is that he had a jewel casket, which will be held in evidence against him. The arrest was made by Patrolmen Griffin and McCormick.

THE JAPANESE "HURRAH."

It is not infrequent to find men speculating as to the origin of the now familiar "hurrah," and we believe that a general impression of this excellent character among the inventions of modern Japan, quite recently, indeed, we heard a learned Japanese pundit declare confidently that the late Prof. Toyama was the originator of the word as the Japanese equivalent of "hurrah."

But the truth is that "banzai" belongs to a very much remoter date. History shows that it was used certainly as long ago as the year 486 A. D., and probably it was not an innovation even then. In the "Chronicles of Japan"—a work published, as is well known, in the year 820 A. D.—it is related that in the spring of 486 A. D. the Emperor Woke, remembered by posterity as "Kono, Tenno," repaired to the park of the summer hall and there heaved by "the winding streams." His guests were a concourse of ministers and of high officials, known at that epoch under the titles of oni, murali and niyakioku. When the feast was at its height the guests, we read, "raised repeated cries of banzai." It may fairly be assumed that this formula of gratulation did not originate then, but at any rate its undoubted use in Japan more than 14 centuries ago deprives any megalomaniac of the credit of having invented it.—Japan Mail.

MONEY A FLEETING JOY.

Editor was very anxious to bring home an Angora cat from Maine last summer. Her mother objected, thinking that she was a cat from Maine to Connecticut was entirely too arduous a task, so she tried to "buy off" Editor. "If you will say no more about the cat," she said, "I will give you a dollar to spend in Boston." Editor looked quite thoughtful for a moment, then said: "But, mother, how much longer a cat would last than a dollar."—The Delinquent.
