

### SALT LAKERS IN GOTHAM.

(Special Correspondence.)  
 NEW YORK, Jan. 30.—Last Monday evening, the friends of Elder Charles E. Dinwoody, who left for his home in Idaho on Wednesday, assembled at mission headquarters, 35 West One Hundred and Twenty-sixth street, to give him a farewell and a good send-off. Elder Dinwoody has been in the mission field nearly four years; his wife and children were companion laborers for three years. Tennessee and other southern states have been the scene of his labors, and only the last year has found him in the Eastern States mission field. As secretary and fellow laborer with President Rich, his services have been invaluable to the president, first in the Southern States mission, and later in the Eastern States. It is with sincere regret that President Rich departs with Elder Dinwoody, for his devotion to the cause has been undoubted and constant. United with zeal, he has shown untiring energy in assisting as speaker, secretary and music leader in the south as well as here. At the social Monday evening, music and addresses made up a most enjoyable evening's entertainment. The Misses T. Beale and Edna Young, R. C. Easton and Elder Dinwoody furnished the vocal part of the program, while Mrs. S. M. Kohn gave several instrumental pieces, also acting as accompanist to the singers. Miss Zora Shaw surprised her friends by giving a beautiful recitation, as she was supposed to be a singer only; her talents in a dramatic way were never guessed, so the pleasure was all the more genuine.

At today's services, Miss Zora Shaw sang a sacred solo, Mrs. Kohn acting as accompanist. Miss Shaw is a pupil of Prof. Schutz of Carnegie hall, and is doing well with her vocal studies. She also her work in the elocution school. Mrs. Shaw and her daughter are welcome additions to the colony.

President Rich leaves for Washington the end of the week and will remain over Sunday as the guest of Senator and Mrs. Smoot. There being quite a number of Utah people there,

he will in all probability hold a meeting with them during his stay, either in Washington or in Baltimore, where there are a number of Utah students.

Mr. Miley Pratt and his brother Ben were visitors to church today. Mr. Ben Pratt is now located in New York, being engaged in the photo engraving and color plate work for magazines. Mr. Pratt is well contented here and will make it home for the present at least. Mrs. Viola Pratt Gillett, the sister of the Messrs. Pratt, is now in Boston with the "Beauty Spot" company, where they play for several weeks.
