YOU don't believe all the fish-stories you hear; "the one that got away" is always a big one; but it's seldom as big a "whopper" as the story he tells about it.

You don't believe all the clothes stories you hear, either, some of them are like the fisherman's tale; there's no way to prove it. Now we've got a good clothes story to tell you; it's about

Hart Schaffner & Marx clothes

and we've got the goods to prove what we say about them. Hart Schaffner & Marx clothes are better than any description of them; they're all-wool, which means a lot more than those words convey.

That's why we sell them; and that's why you ought to buy them.

Hart Schaffner & Marx clothes are never marked to sell at big profits by the firm carrying them; the manufacturers will not permit it. The policy of the makers is to see how much value they can give, viz: how well they can make them, and how low they can sell them and they instill this into the dealers who sell them to the public.

Just now we are offering Hart Schaffner & Marx clothes at the following reductions:

Table with 3 columns: Price, Item, and Reduced Price. Includes items like suits, overcoats, and jackets with various price reductions.

Reductions in shirts, vests, gloves, dusters, neckwear; suspenders, half hose, underwear, bath robes, trousers, jewelry, canes, etc. Such goods are seldom offered at these prices.
