MURPHY MADE A SNEAK

Threw Down His Partners After Fixing Bicycle Race.

TITUS AND CABANNE VERY MAD.

They Denounce the Traitor as a Judas—Three Suspended—Bright Light Thrown on Professionals.

St. Louis, Aug. 31.—The Republic this morning makes sensational charges against Charles Murphy, Fred J. Titus and L. D. Cabanne, the three crack class B riders who participated in the diamond tournament given in this city last Saturday under the sanction of the League of American Wheelmen. There were three class B events on the programme, and according to two of the riders themselves, it was fixed that each of the three named should win one of the events. Cabanne, the paper says, was to be allowed to take the mile open, the most important race, as this was his home. Murphy, however, so Cabanne and Titus assert, broke faith and carried off two of the races, while Terrell, a California man, honestly landed the third, thereby shutting out the two men named. Alex Laing, a local amateur, who heard of the three class B men discussing the races afterward, said Murphy gave as an explanation of his conduct that his firm ordered him to ride out the races, having heard of the agreement.

The matter has been called to the attention of the local member of the national racing board of the league, who will sift the charges thoroughly. He says if he finds the charges true it will go hard with the offenders for the avowed policy of the racing board is to prevent fraud of any kind in cycle racing. The offenders may be ruled off for life or for a period proportionate with the offense. He says the punishment is left by the racing rules to the discretion of the board. This telegram was sent today to George D. Gilson, chairman of the national racing board of the League of American Wheelmen, Philadelphia, by the local member of the board: "Suspend Cabanne, Titus and Murphy, pending an investigation of evidence that they fixed a race here August 24. The papers are full of it. They are in Katsy Kas City. Answer immediately, as they leave for the East tonight. Dugals W. Robert." The following answer came in response: "I spent all three and send synopsis of evidence to me, George D. Gilson."

The suspension of two more class B riders has been asked for. The Associated Cycling Clubs, under whose auspices the races on Saturday were given, has entered a protest, and asked for the suspension of Elias, Chicago, and Cooper, of Detroit, for not appearing at the diamond tournament after promising they would ride. The racing rules provide that after a promise has been made by men or their employers to appear, they are in duty bound to ride, and if they do not are liable to suspension.

A telegram was received this afternoon from Cabanne denying the story of his alleged crookedness.

Kansas City, Aug. 31.—Cabanne and Titus, the two St. Louis cyclists attending the Fairmont Park races, were seen by a Republic correspondent, and asked about the charges made. They not only admitted that this race had been fixed, but admitted that the three important races in class B had been arranged between them and Murphy. Their only feeling seemed to be carrying out on the "breast," said Titus boldly. "We should know better than to have trusted him. You see there were just three important class B events on

THE LUMBER IS READY

And Battle Amphitheater at Dallas Will Be Built.

THE FIGHT IS GUARANTEED.

Texas' New Prizefight Law Takes Effect Today—The County Attorney Seems Friendly.

New York, Aug. 31.—Joseph H. Vendig, manager of the Florida Athletic Club, the organization which has charge of the Corbett-Fitzsimmons fight, today received the following telegram from Dallas, Tex.: "Pay no attention to rumors from Austin. I reiterate one thousand times stronger than before that parties coming here to see the Corbett-Fitzsimmons and other state contests on October 31 will not be disappointed. Lumber is on the grounds ready for building."

"DAN A. STEWART," Dallas, Tex., Aug. 31.—J. P. Gillespie, attorney of Dallas county, said today as to the Corbett-Fitzsimmons fight: "There is no statutory provision by which the remedy of injunction can be invoked to prevent, prohibit or restrain the violation of any penal law. In the absence of proceedings by injunction, I, as county attorney, am not clothed with power or authority until there has been a violation of the law. At noon tomorrow will be effective the civil code, which levies a tax of \$500 on every contest between man and man. The tax will be tendered to the collector, and if he refuses to issue a license mandamus proceedings will be entered by the Florida Athletic Club, and the supreme court called to pass on the case."

CRUM, THE IOWA MARVEL.
The English Runners Will Be Easy Game for Him.

Chicago, Aug. 31.—In the athletic games today under the auspices of the Chicago Athletic Association the men of that organization carried off the majority of the events in the East. Crum was entered in the 100 and 220 yards dashes, and captured both events easily, as far as competition was concerned. He made the 100 yards in 16 seconds flat, and in the 220 yards covered the distance in 21 1/2 seconds, making a new world's record for a circular track and equalling the English record for a straightaway. The American club record was 23 1/2 seconds, and was held by Fred Weston, of Washington City, Crum left for the East tonight. The games resulted as follows:
100-yard dash—C. Crum, Iowa, won, Time, 16.
40-yard dash—Jackson, Chicago A. H., won, Time, 12 1/2.
Mile—Copeland, Monroe, Wis., won, Time, 4:31 1/2.
500 yards—Copeland, Monroe, won, Time, 2:34 1/2.
220 yards—Crum, Iowa, won, Time, 21 1/2.
High jump—Hess, Chicago, won, 5 feet 3 inches.
Putting 16-pound shot—Henneman Olympic Athletic Club, St. Louis, won, 35 feet 1/2 inch.
Running broad jump—Farraut, Chicago, won, 21 feet 4 inches.
Throwing 16-pound hammer—Henneman, St. Louis, won, 102 feet 6 1/2 inches.
Pole vault—Culver, Chicago A. A., won, 10 feet 2 inches.
Culver and Hirschberger, of Chicago university, cleared the pole at 10 feet 6 inches. In the jump-off Hirschberger could do only 10 feet.

SOME CLOSE FINISHES.

Tennis Tournament Ends With Vigorous Playing.

MISS RILEY WINS THE CUP.

Hill, the Boy Wonder, Only Yields After a Struggle—Close Contest in Gentlemen's Doubles.

With the exception of the final match in gentlemen's singles, which has been postponed to be played off at 11 o'clock Monday morning the Marion street tennis tournament wound up yesterday afternoon with a brilliant finish. Miss Riley won the challenge cup, Miss Gazzam, the runner-up prize, Messrs. C. W. Saunders and G. S. Kirk the gentlemen's doubles, Mrs. Howell and Mr. E. A. Haines the mixed doubles, while the gentlemen's singles are unfinished.

Nearly all of the final and semi-final sets were settled by very clever playing on both sides, with the exception of one or two matches when one-sided scores prevailed. In the morning the attendance was about the same as at the previous matches, but a large crowd turned out to witness the afternoon finals. All Nob Hill was represented, and from a society standpoint everything went off as at an afternoon tea. Delicious refreshments were served throughout the day to visitors and members, the ladies of the club establishing themselves firmly as successful hostesses.

The play reached a much higher standard yesterday than on any other day during the tournament. Although the best players in the city were not represented in the lists, the quality of the playing did not suffer. The play was not greatly diminished. Some of the work done in the final struggle for the double championship, it is safe to say, was never bettered in this city, but the careful work done by all the contestants served to keep the scores well evened up, and the crowds went away satisfied.

The Final Contests.
E. A. Haines succeeded in getting into the finals in gentlemen's singles by defeat of G. S. Kirk yesterday morning in a very well played match ending 6-3, 7-5. Both play a very similar game, Haines being somewhat steeper, although Kirk is capable of considerably more brilliant sports than could be accomplished by his vigorous adversary.

Richard Hill, the boy wonder, ceased to exist only after a hard battle with the experienced playing of I. T. Cole in the forenoon. Young America won the first set with comparative ease and made a gallant struggle for the second, which he lost. In the concluding set Cole played a greatly superior game and won handily, 6-0. Although he put up a very creditable game, Hill adopted the most difficult style of play possible, which is to stand on the back line, and by heavy smashing put up an offensive game. This was the direct cause of his downfall in the second set, as a majority of the points played show that Cole very judiciously allowed his opponent to do all the playing, he being satisfied to play purely on the defensive. In the concluding set, however, the tables were turned, Cole winning out easily.

Close Finish in Mixed Doubles.
The match of Mrs. Howell and Mr. E. A. Haines against Mr. and Mrs. Kirk was very interesting on account of a close score in the final set. The variety of Mrs. Howell's playing was very noticeable, and grace was shown in all her strokes. Beside many excellent drives, her lobbing was very successful. Her sure placing along the side lines won the second set for her side. Although not so finished a player as some of the other lady entries, Mrs. Kirk played a very sure game, being especially strong in team play. Her weak spot was in the manipulation of the back hand stroke, which weakness was
