HILL IS TRUSTED.

Silver Men Afraid to Make Him Temporary Chairman.

REASONS FOR AND AGAINST HIM

His Friends Think They Have Enough Influence to Elect Him.

But Many Are Pleading With Him Not to Be a Candidate, as the Man Selected Must Be Uncompromisingly a 16 to 1 Statesman.

Which Dave Hill is Not—Senator Daniel Slated for the Position.

Chicago, July 5.—The Democratic national convention is not only in a quantity to be chosen for president, but it has a still higher fence to jump in the matter of selection of officers to preside over the temporary and permanent organizations. The latter officer may be selected without much trouble if the selection of temporary chairman could be satisfactorily arranged.

Senator Hill is the undoubted choice of the national committee. He is also the one man from the East of national prominence who is willing to test his popularity before the convention. It has been claimed by the silver men that the silver friends of Senator Hill in both house and senate, many of whom are delegates to the convention, would have sufficient strength to secure his influence to secure his election as temporary chairman if he should be named. But it is now well understood that the silver men will not vote for anybody but a silver man for chairman.

Senator Hill has advised all those who called upon him to pursue a conservative course. He has expressed the belief that if the convention adopt a silver platform that there will surely be a bolt, and he thinks that if conservatism is shown that the bolt will be much reduced. It is understood that Senator Hill believes that the convention should select a candidate for temporary chairman of the convention, and decided to recommend Senator John W. Daniel, of Virginia.

Colorado is for Teller. The delegation merely deems it impolitic to present his name. Chicago, July 5.—All the members of the Colorado delegation are here with the exception of one, who has reported that the delegation is opposed to Teller as a candidate.

The Boies boomers. Claim he is second choice of two-thirds of the delegates. Chicago, July 5.—The managers of the Boies campaign say they are very much encouraged by the reports received today from their constituents and delegates.

Arkansas National Party. Little Rock, Ark., July 5.—The state convention of the newly organized national party in Arkansas, held at the University building today, elected J. W. Miller, of Arcadia, for president.

Boomers on Their Way. Cincinnati, July 5.—Over 100 members of the Blackburn Club, of Lexington, Ky., passed through here tonight en route to Chicago.

Almost Solid for Bland. Chicago, July 5.—The Kansas delegation arrived today. A poll of the delegation shows it to be almost solid for Bland.

Faith in American People. London, July 6.—A Paris dispatch to the Times says: "A poll of the July banquet of the Americans at the Chamber of Commerce on Saturday, Hon. Wayne MacVeagh, referring to the currency question, asked his hearers to have more faith in America and Americans than to suppose she would be dishonest in her national credit."

GOLD MEN WILL FIGHT.

Eastern Delegates Stubbornly Keeping Up the War, ALTHOUGH IT IS HOPELESS.

Not a Single Break in the Strength of the Silver Forces.

The Silver Men Are Determined to Run the Convention and Will Not Have Senator Hill at Any Price—Some Insist That He Will Not Be Allowed to Speak Even.

Chicago, July 5.—The Eastern gold men made every preparation this afternoon and evening to keep up the war, even if they find themselves in a hopeless minority. There has not been a break in the silver strength and the leaders of the movement are fixed as adamant in the determination to run the convention. At the same time there seems to be a sympathetic feeling for Senator Hill, and several of the leaders visited him this afternoon and requested him not to allow his name to be put forward for temporary chairman.

WHICH WILL BE CHOSEN

A Republican, a Populist, a Silverite or a Democrat?

THE QUANDARY AT CHICAGO.

Free Silver Republicans and Populists Getting Very Ugly.

They See the Game Slipping From Them—The Teller Boom as a Door Nail—The Gold Men Determined to Fight to the Bitter End, Perhaps to Bolt—Bland Leading, Boies Second in Favor.

Chicago, July 5.—This is to be one of the most remarkable conventions in the history of American politics. With the convention but forty-eight hours away and almost three-fourths of the delegates on the ground it is so hedged about by conditions that little can be expected as to the result.
