

RIDERS IN A HEAP. Four Wheelmen Piled Up at Y. M. C. A. Park.

CHARLES BULLOCK BADLY HURT. When he thought he had enough in to cover the inside of the tire, he shut it off. When the molasses assumed a thick consistency it formed a sort of sticky paste around the inside of the tire. He then found it impossible to puncture the tire so it would leak. Mr. Bulluck does not give his history to the world in opposition to any similar materials which are put inside of tires, but for the use of those who, like himself, had lots of trouble.

WHY MONEY DOES NOT CIRCULATE AND IS SO DIFFICULT TO OBTAIN. To the Editor: Questions frequently asked during the present business depression are "Why does not money circulate more freely?" "Why does not capital seek investment?" and "Why, with so much money in the world, is it so difficult to obtain?"

AN ACCURATE GAUGE. Buffalo Times. Mrs. Elmore—I wonder how many steps that may mean of Dr. Smith's has got? Elmore—Only three, I should judge. One for each step.

A LAST RESORT. Mrs. Elmore—I wonder how many steps that may mean of Dr. Smith's has got? Elmore—Only three, I should judge. One for each step.

It simply disappeared. It was not carried off by banks; it was not withdrawn from circulation by the timid depositors. The banks were interested in keeping the money in circulation but individuals were not in concert, but actuated by a common fear for the safety of their money or less degree in the history of all periods of financial uncertainty. People invest freely and at low rates when they believe investments are safe. They demand it, they do as Seattle people did during the panic—withdraw their money from circulation and investment.

TROUBLES OF SPAIN. Cubans Fomenting the Rising in the Philippines.

TROOPS LEAVING FOR CUBA. Police Continue to Arrest Republicans. The Liberals in the Chamber Resist the Budget.

Copyrighted by the Associated Press. London, Aug. 22.—The developments of the troubles of Spain are followed here with considerable interest. The outbreak of a civil war in the peninsula is regarded as seriously increasing the difficulties, and the news of the discovery of the conspiracy has caused great excitement in Madrid where it is stated that the government is considering the advisability of promptly reinforcing the Spanish garrisons. The outbreak here is not a surprise, as the government officials have long been reaching some time ago of a considerable activity of the half-breeds. The object of the conspirators is to secure the independence of the Philippines islands, and a committee of refugees at Hongkong is said to have relations with the Cuban insurgents. The embarkation of reinforcements for Cuba commenced today. The Spanish police are extremely active in the towns of various parts of the peninsula, endeavoring to get at the bottom of the supposed Republican plot to cause an uprising by exciting the masses, who oppose the government. Numerous arrests have been made among the Republicans, and great precautions are being taken in Madrid and other large cities.

RIOTING IN BARCELONA. The People Try to Prevent the Departure of Troops.

Barcelona, Aug. 22.—After a stormy and troubled day, during which many minor conflicts between the police and the populace occurred, the troops designed to reinforce the standard in Cuba, were embarked on board the boats in the harbor. The police finally succeeded in destroying the barricade erected by the people, and in driving upon the people and soldiers to revolt. A large number of women, incited to discord by the supporters of the Cuban insurgents, pronounced a demonstration against the departure of the troops for Cuba. These demonstrations by the female portion of the people were with difficulty suppressed.

THE WAR IN CUBA. Washington City, Aug. 22.—The state department has received word, under date of August 18, that the captain general of Cuba has informed Congress General Goyia has been transferred to the civil jurisdiction. Acquire is charged with rebellion against the government.

ANOTHER SPEECH BY BRYAN. He Discusses the Financial Question at Madison, N. Y.

Troy-on-the-Hudson, N. Y., Aug. 22.—The Democratic candidate for the presidency, W. Bryan, spoke to 1,200 people in Madison this afternoon, and for forty minutes discussed the financial issue from a patriotic point of view. He was accompanied by Senator Stewart, of Nevada, who started to explain what he called the "crime of '73," but was interrupted by a lengthy speech of an hour was made by Mr. Bryan, who, in a silver candidate for congress.

AMERICAN RAILWAY CARS IN ENGLAND. London Engineering. After a long time the British railway carriage, with its independent compartments, begins to show signs of having passed its meridian. An travel becomes more attractive and more enjoyable in length, its disadvantages are more generally felt. Privacy and exclusiveness are dearly purchased, and accompanied by virtual imprisonment without food and warmth. A long journey in winter is a painful experience. Hence the great popularity of motor cars, which are with their freedom, comfortable temperature and excellent meals. At present there are but few of them, but they are so much appreciated that it is evident to people in every world that in a few years they will be adopted for all long distance traffic, and with them the second-class must disappear.
