

VETERANS TO PARADE

NO DISSENT WHERE THEY STAND POLITICALLY.

Shown to Have a Big Rally on Friday Afternoon—His Hundred Veterans Expected to Join the Bands From Southern Sections of the State.

Tacoma, Oct. 5.—Special.—Tacoma will see the biggest rally of the campaign Friday afternoon, when the old soldiers of the Veterans Union Patriotic League will turn out 1,000 strong on the streets of Tacoma to show the people the size of the old soldier vote in this section of the state.

Chairman G. H. Bowditch and Secretary A. H. Hovell, are attending to the details of the parade. They estimate that at least 1,000 men will be in line in the motor parade, which is to march north on the west side of Pacific avenue and back on the east side to the city hall. Six hundred or more old soldiers and bands of Veterans from the southern section of the state are expected to participate in the demonstration.

The committee will see that there will be plenty of banners. A number of splendid floats and transparencies will be in line, representing the ideas of the veterans on the two party leaders.

Members of the G. A. R. A. R. posts claim that those in Tacoma are the banner posts in the state for McKinley veterans.

In one post here which has a membership of over 200, the officers are steadily driving Bryan men. Several of these are Democratic politicians who are interested in seeing the future of the state.

SPOKANE TREASURER

THE LOSS HIS ACTORS HAS COVERED THE COUNTY.

Also to the People Who Hold County Warrants, the Price of Which Fell Ten Per Cent. Because of His Peculiar Rulings—A Review of the Two County Suits.

Spookane, Oct. 5.—Special.—A recent decision of the supreme court was published in the Post-Intelligencer, in which it was held that interest-bearing coupons are payable on demand and are not required to be returned and paid the same warrants.

On January 1, 1936, the interest on \$11,000 bonds of the county of Spookane fell due. The treasurer, Populist, refused to pay the interest on these bonds, notwithstanding the fact that the county attorney had given him a written opinion to the effect that such interest was payable ahead of all warrants.

Shortly afterwards a proceeding by way of mandamus was commenced by one B. A. Jones, a resident of the county, against the treasurer, and the case was taken to the supreme court.

It is evident that the suit brought by Mr. Munson was a friendly suit, sometimes called a collusive suit, brought at the instigation of the Populist party.

CASTOR OIL for Infants and Children.

MOTHERS, Do You Know? Bateman's Drops, Godfrey's Cordial, many so-called Soothing Syrup, and most remedies for children are composed of opium or morphine!

Do You Know that opium and morphine are stupefying narcotic poisons? Do You Know that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

Do You Know that you should not permit any medicine to be given your child unless you or your physician know of what it is composed? Do You Know that Castoria is a purely vegetable preparation, and that a list of ingredients is published with every bottle?

Do You Know that Castoria is the prescription of the famous Dr. Samuel P. Hahn? That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

Do You Know that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Fitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

Do You Know that one of the reasons for granting this government protection was because Castoria had been proven to be absolutely harmless?

Do You Know that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose? Do You Know that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

Well, these things are worth knowing. They are facts. The fac-simile signature of Dr. J. C. Fitcher is on every wrapper.
