THE SPLIT IN THE IRISH PARLIAMENTARY PARTY.

The Healyites Must Sign the "Cast Iron" Pledge or Be Expelled from the Party—France Seriously Considering Measures to Encourage an Increase of Her Population—The Cost of the Prosecution of Ivory, Who Got Off After All.

Copyrighted, 1897, by the Associated Press. LONDON, Jan. 30.—Irish affairs continue in the forefront. The split in the Irish parliamentary party will be complete next week, when the so-called "cast iron" pledge...

The French cabinet had a very narrow escape from defeat yesterday, when it secured only a majority of 11 on rejecting the amendment of M. Jaures, Socialist, to the law...

But more serious things threaten the government in the revolt of the Irish landlords. At the annual convention of the landlords in Dublin on Wednesday last a letter was read from the Duke of Abercorn...

The National Alliance for the Increase of the Population of France, founded by Dr. Bertillon, chief of the municipal statistics department of Paris, in view of the declining state of the population of France...

Dr. Bertillon has said that the result of the census is simply appalling, and that unless a miraculous change for the better takes place France will soon disappear as a great nation. Germany in 1841, it appears, had about the same population as France...

It cost the government over \$200,000 to prosecute Edward J. Ivory, of New York, recently acquitted of the charge of conspiracy to cause a dynamite explosion. Scotland Yard's cost alone was \$100,000, and it cost \$25,000 to obtain the alleged evidence in the United States.

The grave remarks of the secretary of state for the colonies, Mr. Joseph Chamberlain, on the situation in South Africa, has created a deep impression, more especially as they were unexpected. The members assembled in the lobby afterward and discussed the passages of his remarks...

The house of commons yesterday authorized a loan of \$5,000,000 (\$75,000,000) for a military scheme which the parliamentary secretary for the war office, Mr. W. J. Broderick, explained, is part of a general scheme for national defense...

The plague is still increasing in Bombay. There were 128 deaths announced on Thursday. The highest death rate is being seen in the districts of Bombay from England and several European countries are sending experts to study the epidemic.

Cleveland Leaves New York. WASHINGTON, Jan. 30.—The president returned to Washington at 7:40 this morning from New York, accompanied by Secretary Lambert.
