# October Dry Goods Trading.

During this month you will surely be interested in Dry Goods. Your airy sunshade will be displaced by a storm umbrella. Your summer hosiery and underwear by the warmer woolen or fleece-lined garment. You will discard your festive shirt waist and wrap yourself in the more suitable mackintosh or warm, comfortable and stylish jacket; or you may need a heavier dress in a silk or wool fabric. Before supplying your wants, note the following values. Direct from the manufacturers' looms, they are the VERY BEST procurable for your money. They are correct in style and, above all, AT EXCEEDINGLY MODERATE PRICES.

We advertise and attract trade to Seattle by selling desirable and reliable goods at the smallest possible margin of profit, a method which we respectfully recommend to the advertising committee of the Seattle Chamber of Commerce.
