OHIO STEEL RANGES.

A car load just arrived. Nothing cheaper in the market, quality considered. Have stood the test for twelve years.

Z. C. Miles Co. Vestler Way, Bel. First and Western Aves. A. L. PIPER, Receiver.

Lindsay, backed up by good interference, was too much for the Y. M. C. A. boys. He tore around left end almost at will, and it was a lucky shot for the opposing players if he did not make ten yards at least. On several occasions he went through the Y. M. C. A. line as if it were made of straw, and had not Blanck or Falconer reached him he would have been at liberty to trot across the line. The two touchdowns made by the U. of W. were due in great part to Lindsay's clever work. He scored the first time two minutes after the ball had been put in play for the second half. Starting like a flash from near the middle of the field, he was joined by his interference, and before the Y. M. C. A. boys could gather themselves together to meet the attack he was around Smith at left end and making rapid strides for the goal line. Falconer was blocked by one of the guards, and the interference prevented Blanck from making a clear tackle. In fact it looked as if he fell without even reaching his man. Having cleared Blanck, Lindsay made straight for the goal and planted the ball on safe ground, thus securing a touchdown and the credit of a fifty-yard run. He scored the second time when only a few seconds of play remained. It was a regular line-busting play, and showed the excellent instincts of the Y. M. C. A. men doing notable defensive work.

Murphine, at left tackle, played a good game both in defensive and offensive play. Comparing the two lines it must be said that the U. of W.'s was the better, but somewhat perilous sport, he will visit Germany, France and England to study field sports there. He expects to be away from New York city about six months. After resting in Seattle a day or so Mr. Whitney will go to Vancouver, B. C., where they will take a steamship for the Orient.

The make-up of the teams was as follows: U. of W. Position Y. M. C. A. White Right tackle Thompson, Richardson Right tackle, Brazier, Wilkinson Right guard, K. Karr, Y. Schmidt Center, Thompson, Karr Left guard, Osberg, Murphine Left tackle, Derry, H. H. H. Quarterback, Smith, D. Kelley Quarterback, Falconer, Schroeder Right half, Mason, Hobbins Left half, Hobbins, Hazzard Full back, Blanck, capt. Summary—Touchdowns, Lindsay, 1; goal, Murphine and Kelley, Osberg, Referee, Harry Walton, Standoff, umpire, Carl Clemens, Standoff, line-man, Harry Fredrickson, S. A. C. Prof. E. E. Green, Y. M. C. LIGHTWEIGHTS WIN.

Tacoma High School Boys Beat Puget Sound University. Special Dispatch to the Post-Intelligencer. TACOMA, Oct. 9.—Eleven active youngsters, representing the Tacoma high school in the football world, defeated the second eleven of the Puget Sound university at the Eleventh street grounds today by a score of 12 to 0. The game was the first of the season, and attracted a fair crowd. Rooters from both institutions of learning were present in goodly numbers, and armed with divers kinds of noise-making devices, they rent the air in their endeavors to cheer their favorites on to victory. The school spirit, rampant in streamers of cheer colors and tin horns, was there, and it did not make any difference to her whether she knew a punt from a pass, she would cheer, and she would cheer whenever a favorite player made a run or bowled over an opponent.

As to the play, the high school looked very much lighter than their opponents, but what they lacked in avoirdupois they made up in ginger. They used a succession of turtle back plays, which were used so successfully last year by Princeton and Pennsylvania, and almost every time made gains through the collegians' heavy lines. A number of substantial gains were also made by end runs. The university aggression seemed slow, which was possibly made more apparent from the agility and swiftness of the high school lads. They have good material, though, and with one or two more games should be able to play fair ball.

Through an oversight the goal posts were not in place. This necessitated no goal kicking, the only points counting being touchdowns. The high school boys made one touchdown in the first half, Marshall being shoved over after eleven minutes of play. In the second half they pushed the kicking over to touchdowns. The high school goal was never in danger.

Several of the players on both sides were hurt, but the game was not ground, liberal doses of arnica and sticking plaster fixing them up as good as new. The line-up of the teams was as follows: High School Position University. Hudson Right tackle, Harper, Chamberlain Left tackle, Harper, Reed Left guard, Murphy, Derry Right guard, Howarth, Dunbar Right tackle, Barnett, Fawcett Right guard, Hobbins, McFarland Quarterback, Froese, McDonald Right half, Woodward, Williamson Full back, Rose.

The high school substituted Eshelman as center in the second half. Callahan as guard, Nichols at end, Raleigh at quarter and Ferris and Foiler at the half-back positions.

MICHAEL A WONDER.

HE BREAKS ALL WHEEL RECORDS FROM ELEVEN MILES.

The Track Record for an Hour Goes Down—Close Contest for State Live Bird Championship—Football at Tacoma and in the East.

PHILADELPHIA, Oct. 9.—Today was a record breaking day at the Willow Grove bicycle track in the trials made by Jimmy Michael, the Welsh wheelman, for all records from one mile to one hour against time, paced. From eleven miles until he crossed the line at thirty-two miles, his time was faster than any other world's records for the same distances, and from the twelfth mile until he crossed the tape in the thirty-second mile he exceeded the American competition record held by himself. The Welsh wheelman's record for one hour of thirty-two miles 448 yards, making thirty-two miles 652 yards in the sixty minutes, but another record of thirty-two miles 1,086 yards, made by Stocks, still stands.

In the eleventh mile Michael began to break records. This he continued until the nineteenth, when he began overhauling his own records in the American competition class, and when he passed the timers at the end of the twenty-sixth mile he was ahead of his own time in the competition class and away ahead of Stocks' record against time. The little Welshman kept at it and crossed the tape at the thirty-second mile in 58.20, making that mile in 1:57 1-5. He then rode like mad to top Stocks' announced time, when the pistol cracked for one hour of thirty-two miles 448 yards, making thirty-two miles 652 yards in the sixty minutes, but another record of thirty-two miles 1,086 yards, made by Stocks, still stands.

After resting a while Michael made an effort to lower his record of 1:38 for one mile, made on last Thursday, but could not do better than 1:43 1-5.

THE THREE-TIME WINNERS.

Baltimore Stands a Good Chance to Keep the Temple Cup. BALTIMORE, Oct. 9.—If the newly fledged "champions" do not take the next three games from the "three time winners" the Temple cup will remain in Baltimore for another year and the "have beans" will get the big end of the gate money. For the fifth time in succession, the Baltimoreans defeated the second holders today, and as three of the games count in the contest for the silver trophy, it looks blue for the Boston contingent.

There was a high tide of pitching, and the game itself was dull and uninteresting until the ninth inning, when it looked for a time as though the visitors might win. Heavy hitting and raged on until the eleventh inning, when both teams, characterized the contest, and both sides were compelled to change pitchers because of the bombardment they received. Score: Baltimore..... 5 5 0 0 0 1 0 0 4-12 Boston..... 0 0 0 0 2 4 3 2 0-11

Earned runs—Baltimore 3, Boston 2, Two-base hits—Stengel, Doyle, Lowe, Riab, Duffy, Three-base hits—Bowerman, Long, Stolen bases—Stahl, Long, Tenney, Low, Stearns, Hitt, pitched ball—By Nops 1, by Sivetta 1, Struck out—By Nops 1, by Lewis 3, by Corbett 2, Passed balls—Barnes 2, Led on bases—Baltimore 7, Boston 10, Time of game, 2 hrs. 30 min. Umpires—Hurst and Emslie.

THE MONTESANO TOURNAMENT.

Several Good Races, but No Records Were Broken. Special Dispatch to the Post-Intelligencer. MONTESANO, Oct. 9.—Thursday was the first day of the third annual tournament at this place. The time of all the races was slow.

In the mile novice bicycle the time was 3 minutes, Colin Murray, of Aberdeen, was first and Holmes, of Hoquiam, second.

The third of a mile was won by Frank Rockwell, of Hoquiam, with W. E. Crawford, of this city, second. Time, 5:30 seconds.

The mile open was not run inside of the time limit and is to be run again today. In this race three of the riders got a fall, but escaped without any serious injuries. Their bicycles, however, were all more or less damaged.

The trotting race was interesting, for, while the time was slow, the horses were so evenly matched as to make it a question as to which would win.

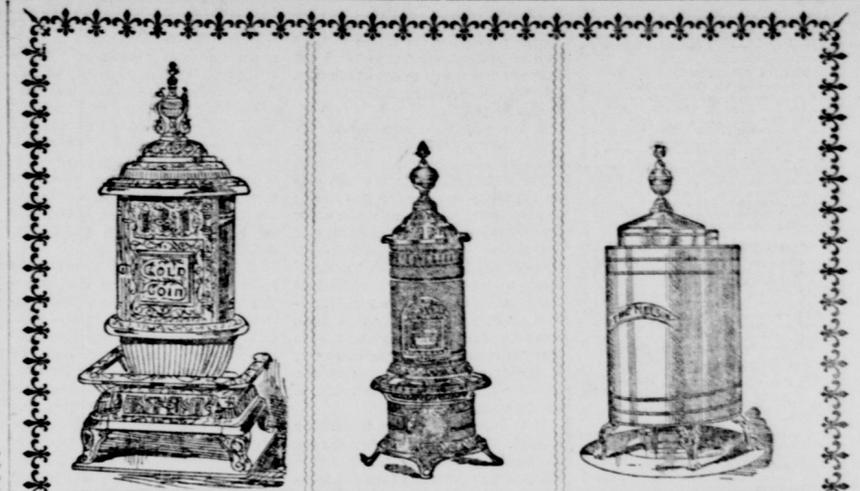

The running race, for ponies, was of interest, especially in the second heat, when Fry, an Indian pony, fell, lost his rider, finishing second without a rider, and came back to the judges' stand as though guided.

TIED FOR THE CHAMPIONSHIP.

Close Contest at Live Birds—Tacoma Wins at Inanimate Targets. Special Dispatch to the Post-Intelligencer. SPOKANE, Oct. 9.—The only event in the final day's shoot of the State Sportsmen's Association was the race for the live bird championship of the state and the Spokane-Review trophy. On the first race at ten birds Kimball, of Tacoma, and Ware and McBroom of Spokane tied, each killing the full number. They did the same at another ten apiece. After they had each killed twenty-three birds the supply gave out. The contest will be shot off at a date to be fixed later. Kimball takes the trophy to Tacoma for exhibition. The inanimate bird shooting closed yesterday. The Tacoma team won the team shoot, and R. L. Pierce, of Tacoma, got the highest average of the two days' shoot. Eight events were shot, having as high as twenty-two entries. Pierce, of Tacoma, was the winner in the 15 singles, 30 singles and 20 singles, reversed traps, knob angles and the consolation shoot of 20 singles. Ware, of Spokane, won the 20 singles.

The President's Visit to Ohio. WASHINGTON, Oct. 9.—The president today made the details of his trip to Ohio. He will arrange his affairs so as to be in Canton on election day, and the next day will go to Pittsburg to be present on Founders' day at the Carnegie public library. The president has also received an invitation from the Commercial Club of Cincinnati to be present at a banquet to be given the Saturday evening to the election, and will accept if it is to be a non-partisan affair. He does not care to be a political dinner, and naturally interested in the Ohio campaign, will confine his active interest to voting.

W. Irvin Shaw, Pennsylvania, at the district of Columbia; Henry W. Brance, collector of customs for the district of Buffalo Creek, New York; David N.
