Carpets.

On every yard of Carpet you buy here you make a direct and apparent saving of money. There is not a roll in this stock which is of an out-of-style pattern. We sell immense quantities of Carpets and see to it that the stock constantly changes. The stock is now at the top notch. It is the largest and most complete in the state, and is constantly growing. In buying here you have the opportunity of choosing from the greatest variety of new patterns.
