ALASKA DOG FOOD.
 With the use of dogs for transportation in Alaska, the question of food for them is of vital importance. The ideal food for this purpose should be nutritious, containing all the elements necessary to sustain and combine the qualities of compactness and lightness. **ALASKA DOG FOOD** is a salmon containing all these qualities must necessarily be a suitable nutriment for dogs of man on the trail or in the gold fields. Prospectors of long experience in the care of dogs say that meal every night of dried fish will keep the dogs in a healthy, working condition. In Newfoundland, where dogs are only constantly worked, dried fish is their only food. This salmon is put up especially for this trade, and by our process of preparing the weight is reduced 25 per cent., while all the nutrition is preserved. It is put up in bags and will keep for years. Ask your outfit for it or call at CHILPOCK BROTHERS, Wholesale Fish Dealers, Yeeler Way, Seattle.
