

Hudyan Makes Rich Blood.

CHRONIC BLOOD DISORDERS SUCH AS RHEUMATISM, GOUT, MALARIA, BRIGHT'S DISEASE, DISEASE OF THE LIVER, ETC., ARE READILY CURED BY HUDYAN, BECAUSE OF ITS ACTION IN MAKING THE BLOOD PURE AND RICH. AS SOON AS HUDYAN ENTERS THE STOMACH IT BEGINS TO ACT, BECAUSE IT IS EASILY DISSOLVED. IT ENTERS INTO THE BLOOD ALMOST IMMEDIATELY AND BEGINS BY SEEKING THE IMPURITIES AND DRIVING THEM FROM THE SYSTEM. IN RHEUMATISM AND GOUT, THERE IS AN EXCESS OF ACID IN THE BLOOD. HUDYAN SEEMS THE ACID AND DRIVES IT FROM THE SYSTEM. IN KIDNEY DISEASE, THERE IS TOO MUCH SUGAR OR ALBUMEN. HUDYAN DRIVES THESE OUT AND THEN THE BLOOD IS PURE. IT IS THE SAME IN ALL DISEASES WHICH ARE DIRECTLY OR INDIRECTLY DUE TO THE PRESENCE OF IMPURITIES IN THE BLOOD. HUDYAN DRIVES OUT THE IMPURITIES. THERE ARE MANY NERVE DISEASES INDIRECTLY DUE TO IMPURE BLOOD. THE NERVE CENTERS IN THE BRAIN AND SPINAL CORD, NOT RECEIVING PROPER NOURISHMENT FROM THE BLOOD, FAIL TO PERFORM THEIR FUNCTIONS PROPERLY. WHEN THE BLOOD IS MADE PURE BY HUDYAN, THE NERVE CENTERS GET A SUPPLY OF PURE BLOOD, AND THEN THEY CAUSE THE NERVES IN ALL PARTS OF THE BODY TO DO THEIR WORK PROPERLY.

WHEN THE BLOOD IS PURIFIED AND THE NERVES STRENGTHENED, THE SYSTEM IS IN A CONDITION OF PERFECT HEALTH. THE FOOD TAKEN INTO THE STOMACH IS PERFECTLY DIGESTED, THE LIVER SECRETES A PROPER AMOUNT OF BILE, THE BOWELS BECOME REGULAR, AND THE KIDNEYS EXCRETE THE WASTE MATTER, ALLOWING NONE OF IT TO REMAIN IN THE SYSTEM. IT CAN BE READILY SEEN HOW NECESSARY IT IS TO HAVE PURE BLOOD. HUDYAN WILL MAKE THE BLOOD PURE AND RICH. HUDYAN WILL INCREASE THE NUMBER OF RED BLOOD CORPUSCLES. THEY ARE THE MOST ESSENTIAL ELEMENT OF THE BLOOD. HUDYAN WILL ACT ON THE NERVES ALSO. IT WILL INCREASE THEIR POWER BY GREATLY STIMULATING THEM. IF YOUR NERVES ARE WEAK, USE HUDYAN AND THEY WILL BECOME STRONG. IF YOUR BLOOD IS IMPURE, USE HUDYAN AND IT WILL BECOME RICH AND PURE. HUDYAN RESTORES COLOR TO THE PALE CHEEK. HUDYAN INCREASES THE STRENGTH AND VITALITY. HUDYAN HAS BEEN EFFECTIVELY USED IN THE TREATMENT OF BLOOD AND NERVE DISORDERS FOR NEARLY A QUARTER OF A CENTURY.

HUDYAN PUT NEW BLOOD IN HIS VEINS.

A. B. Drinkwater, of Pullman, Tells of His Case.

DEAR DOCTORS: I cannot praise your wonderful remedy, Hudyan, too highly, for it has been of inestimable value in my case. My sufferings extended over a period of ten years, and I was gradually but steadily growing worse, so much so that I felt it would be a matter of a short time when I would have to discontinue my profession as a surveyor. I had pains in my back and shoulders at all times. My food never seemed to digest well, and after meals I would have a severe sick headache. The slightest exertion tired me and would make my heart palpitate severely. I used to get but very little sleep at night. Would awake in the morning with a coated tongue, unpleasant taste in the mouth, a "tired feeling" and, in fact, I would feel more wearied than when I went to bed at night. Besides these symptoms I was troubled with constipation. Unless I took strong physics my bowels would move only once in four or five days. I determined to try your remedy, Hudyan, which I read so much about, and the results were almost marvellous. My bowels became regular, my appetite improved and my food digested without causing me any distress. These were the first signs of improvement that I noticed. Afterwards my strength returned, I could work without getting tired, and I enjoyed my night's sleep. In the mornings my tongue was no longer coated, and my breath had no unpleasant odor. In fact, Hudyan put new blood into my veins. I shall be pleased to recommend Hudyan whenever I have an opportunity to do so, for I feel that it will do all that you claim for it. A. B. DRINKWATER.

HE IS NOW IN PERFECT HEALTH.

An Aggravated Case of Nervous Debility Cured by Hudyan.

FARMINGTON, WASH.
DEAR DOCTORS: Being convinced that I am now in perfect health, I concluded to write to you a few lines about my case. For years I have been a sufferer from Nervous Debility in a most aggravated form. I had read and heard of a number of cases, but in not one of them were the symptoms so pronounced or the sufferer so severe as in mine. My back troubled me at all times. The pain was very severe, especially so if I assumed a stooping

J. P. SHATTUCK.

position and then went to arise. My appetite became poor, and in consequence I lost flesh rapidly. I never could rest well at night, but always fell asleep in the afternoon while at my work. I also suffered a great deal from a nervous headache, and, though several doctors prescribed remedies for it, they gave me no relief. Upon the advice of a friend, who had been cured by its use, I decided to try Hudyan, though I had my doubts as to its effect. The very first box I used caused me to change my opinion of Hudyan, for it gave me some relief. I continued its use and gradually grew better until, as I said above, I am now perfectly cured and I know of no other remedy that will cure any case of Nervous Debility, for mine was a very severe one, and I am cured. Respectfully yours,
J. P. SHATTUCK.

FEMALE WEAKNESS

Is characterized by irregularity of the menses (coming on usually too often, and being very painful), bearing-down feeling in the lower part of the abdomen, pain in the back, acute pain in the ovaries, general feeling of lassitude, and a nervous, tired feeling. This condition is a very common one and is too often neglected, thereby producing more serious disorders. TREATMENT.—HUDYAN should be taken at once; commence with one tablet three times a day before meals and at bed time, and on the three days before and during the menstrual period increase to two Hudyan tablets three times a day before meals and one at night. When the menses have ceased decrease the dose again to one tablet three times a day, before meals and one at bed time. Plenty light exercise should be taken, but care should be taken that it is not overdone. Walking in the open air is very beneficial. The diet is of importance, a highly nutritious one being indicated. Animal food should be principally eaten, and pastries, dainties, etc., should be forbidden. Tea and coffee may be taken, but they should be made rather weak.

A COMPLICATED CASE.

Chronic Rheumatism and Female Weakness Cured by Hudyan.

RITZVILLE, WASH.
DEAR DOCTORS: I am happy to inform you that your Hudyan has been very beneficial to me in curing a long-

MRS. EVA REYNOLDS.

standing case of Chronic Rheumatism and Female Weakness. Before I used your Hudyan I was troubled with rheumatic attacks in my hands and knees, especially during wet weather, pain in the back at all times, irregular menstruation and a soreness in the region of the womb. The doctors told me that nothing could be done for my rheumatism, because it was chronic, and I could expect no relief from the use of external remedies. I passed many sleepless nights—the severe pain would keep me awake. I purchased some of your Hudyan, and shortly after commencing its use I began to experience some relief. The pains became less intense and the joints were not so stiff. I followed your directions closely and at the present time I am happy to state that I have no symptoms of my former trouble left. I was especially pleased to think that I was cured of my weakness, because a short time before I commenced to use your Hudyan a neighbor of mine had an operation performed on her for the same trouble, and she has not entirely recovered yet. I am certain that I can induce her to use Hudyan, and I hope she will derive as much benefit from its use as I have. Yours truly,
MRS. EVA REYNOLDS.

CATARRH OF THE STOMACH.

Neither a Common Disease, Though Not Usually Recognized as Such—Often Inconspicuously Terminated by Dyspepsia or Indigestion.

Catarrh of the Stomach is a chronic inflammation of the lining membrane of the stomach, caused by repeated attacks of indigestion, immoderate and habitual use of alcoholic stimulants, malaria, and from diseases of the heart, lungs, liver and kidneys. It is seldom met with in people under the age of 35.

SYMPTOMS.—Loss of appetite, feeling of gnawing and tenderness over the stomach, bloating of the abdomen, nausea and vomiting, constant thirst, craving for stimulants and burning at the pit of the stomach. There is also great mental depression and sleeplessness and occasional attacks of vertigo. In cases due to alcohol there is often vomiting of a thick,ropy mucus in the morning.

TREATMENT.—The same general directions as those given for dyspepsia will apply, the Hudyan tablets being taken in the same dose. Exercise should be taken more frequently, and regular hours should be kept. At bed time and on arising in the morning drink a large tumbler of hot water, to which a pinch of salt and coarse oatmeal is added. Baths the body frequently in warm salt water, afterwards rubbing the body briskly with a coarse dry towel.

THE RESULTS WERE MORE THAN HE HAD HOPED FOR.

Hudyan Acted Rapidly in His Case.

FRANK EARL, of Pe Ell, Wash., says: Having just completed the last course of your remedy, Hudyan, I wish to inform you that I am perfectly cured. Before commencing its use I had loss of appetite, tenderness in the stomach, bloating of the abdomen, constant thirst and nausea, and vomiting after eating. Add to the above symptoms severe mental depression and you will readily see that my sufferings were not mild. I felt that Hudyan—the remedy discovered by your physicians—was indicated in my case, and I decided to try it. I began to improve almost from

FRANK EARL.

the very day I used Hudyan, and the improvement steadily continued. My appetite improved, the pain and tenderness in my stomach disappeared, my abdomen was never bloated, and the constant feeling of nausea disappeared. As I stated above, I am now perfectly and, I believe, permanently cured of my Catarrh of the Stomach, and I wish to again thank you, gentlemen. If any of your patients, afflicted as I was, desire any additional information in regard to my case, I will be pleased to communicate with them.

COMPLETELY RUN DOWN

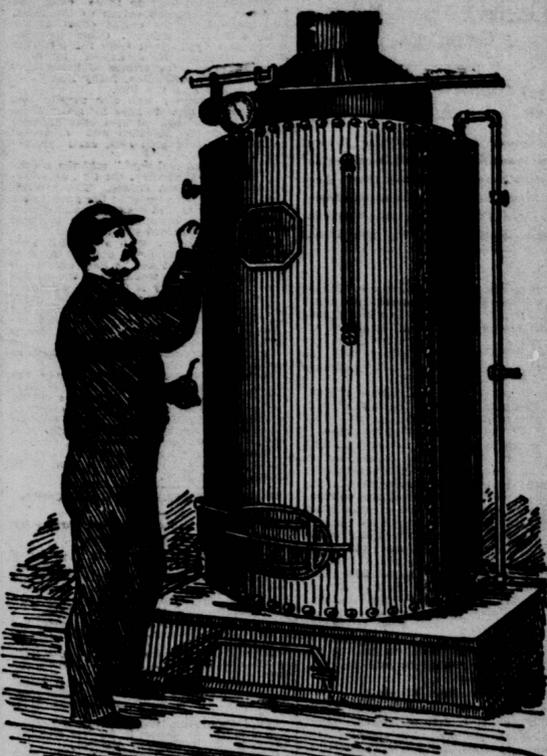

Feared That She Was Going to Be Paralyzed—Mrs. S. Briggs of Snoqualmie Speaks Freely.

SNOQUALMIE, WASH.
DEAR DOCTORS: I can never thank you enough for the great benefits I have received from your wonderful remedy, "Hudyan," after I had tried numerous other remedies and several physicians without good results. "Completely run down" hardly expressed the condition I was in. I attributed my condition to the fact that my household duties were rather burdensome, owing to the fact that I had a large family of children and was kept constantly busy attending to their wants. I held out as long as I could, but I was finally compelled to take to my bed, for I found it a great exertion to even remain on my feet for any length of time. I had a constant, severe headache and headache, and I was extremely nervous. The children's playing used to disturb me, and I had to keep them out of doors during the day. I felt my nerves giving way gradually and was afraid I would be paralyzed. (I forgot to mention that my mother died from a paralytic stroke.) I consulted several doctors, and they all concluded that the weather was too severe for me, and that it was necessary for me to have a change of climate. This I could not do, and as the medicines they gave me had no apparent effect, I thought I would use Hudyan, which seemed to be indicated in my case. I was not surprised at the result, because I felt certain that it was going to help me, and it did, indeed. It not only helped; it cured, for I am now enjoying perfect

MRS. S. BRIGGS.

health and can truthfully say that I never felt better in all my life. Again thanking you for the good that has been done me by the use of Hudyan, I will close. Sincerely yours,
MRS. S. BRIGGS.

DID NOT COMPLETELY RECOVER.

An Attack of La Grippe Left His System in Bad Condition—Hudyan Caused All His Symptoms to Leave, and Made Him Strong and Healthy.

HOQUAM, WASH.
DEAR DOCTORS:—About seven years ago I had a severe attack of La Grippe which left my system in a very bad condition. I suppose I was never thoroughly cured, because I had pains in the muscles of my neck and back, and my throat would get sore as soon as the weather became cold. My heart also troubled me. It became weak, and often I had severe fainting spells. This condition existed for about six years, and though I often tried, I was unable to obtain relief until I used Hudyan. At first there was but little effect, but I resolved to give it a thorough trial, because my symptoms had become chronic, and because I had been using so many other remedies. I persisted in its use, and finally I noticed signs of improvement. They were rather slight, but they encouraged me nevertheless. Soon I began to notice that I was getting stronger and felt that my back did not ache so badly. Then the fainting spells left me, the ringing noises in my head disappeared, and I was cured. Though this winter has been a very severe one, I have had no sore throat, and I have not even had a light cold—something I never was without during the winter months. I shall use Hudyan again if I notice any of my former symptoms returning, but I do not think that they will, for I feel as healthy and strong now as I ever did in all my life. Truly yours,
H. JOHNSON.

HUDYAN cures all blood and nerve disorders, no matter how chronic they may be. HUDYAN is not a patent medicine. It is a treatment that has been found of especial value in blood and nerve disorders, and it is now offered to the public at a popular price. HUDYAN has cured over 50,000 people of blood and nerve disorders. There is not a state in the Union that does not furnish its quota of people cured by Hudyan. HUDYAN can be taken by people with the most delicate system, because it is a harmless vegetable preparation. Remember that there is a staff of Physicians and Surgeons connected with the Hudyan Remedy Company. These doctors are at your service. They will give you any information or advice that you may desire, and you will be charged nothing for it.

If you cannot call on the Doctors, write to them and ask their advice. You will get it just the same as if you called, and it will be given free. People suffering from blood and nerve disorders should take HUDYAN at once. It is on sale at all drug stores at 50c per package. If your druggist does not keep it, send direct to the Hudyan Remedy Co., corner Stockton, Market and Ellis Sts., San Francisco, Cal. If HUDYAN fails to give satisfaction, return the empty package and have your money refunded.
