

Empire Line

To...
St. Michael,
ALASKA,
Yukon River Points.

In addition to its steamers now on the Yukon River the Empire Line this season will have its fleet consisting of "DAWSON," "MANSOOK," "TANAKA" and "EMPIRE," and is prepared to give prompt and careful dispatch to all classes of merchandise destined to Alaska. It will also have at St. Michael a new and POWERFUL STEAM TUG, with suitable barges, for QUICK DISPATCH for transfer of passengers and cargo in St. Michael harbor.

The EMPIRE LINE ocean steamers are still retained as government transports to Manila and we have therefore arranged to act as agents of the well known steamer

"ALLIANCE" sailing from Seattle on or about July 15,

and such agents are prepared to quote passage and freight rates by this steamer on application at our offices.

Chilkoot Pass ROUTE.

Chilkoot Railroad & Transport Company.
Alaska Railway & Transportation Company.
Dyea - Klondike Transportation Company.

Operating a System of Aerial Tramways
Between Dyea and Crater Lake.

These tramways did three-fourths of the business last year and will do four-fifths of it this year.

Old Yukoners Employ This Route Almost Exclusively

Wise men will investigate the routes and conditions before committing their freight to any particular trail. Our facilities enable us to give a cheaper and more expeditious service than any other route. We shall give both, as will be demonstrated upon application.

The Chilkoot Pass Route is a United States Bonded Carrier.
