Now is the time to subscribe! Congress is in session, all the world is in commotion, the various parties are preparing for the Presidential contest, and everybody will be interested in the doings of Congress. Democracy is falling to pieces, Republicanism is growing stronger and stronger every day, and is to be the ruling power in the next Administration. Abolitionism is the order of the day, and the Democratic party is fast falling into the hands of the Abolitionists. Now is the time to subscribe! Congress will sit for six months or more, and will be a stormy session. Besides this, previous to the meeting of Congress, the Presidential contest, which will last for twelve months, will have taken place throughout the Presidential contest, and we shall have the Foreign and Domestic news, and the Markets.

Against Squatter Sovereignty, in the Interest of Abolitionism, and the vote lost in the various States where political influences and corruption hold great sway, and Democracy is in convulsions, and Democracy is building up Republicanism, and is to blame for the present insurrection of the day. That paper is recommended every Abolitionist candidate for Congress has to the country, and with the name of Bell, and a system of Whig that will make the Democrats run for the offices, or fly to the Whigs. Tom Harrison down to Republican.

This paper will constantly, perseveringly, and fearlessly battle for the Union and Republicanism, and insist on the punishment of Treason, and will be more advocate to the interests of the Southern readers of both these parties!
