NO INTERLEAGUE SERIES

Charles A. Stoneham Says He Is Opposed to Giants Meeting Yanks.

By WILLIAM B. HANNA.

Miller Huggins, manager of the Yankees, who gave New York and the rest of the circuit lots of vigorous and artistic baseball even if they didn't win the pennant, returned to the city yesterday from Philadelphia...

Charles E. Stoneham, chief owner of the Giants, got back to town yesterday from Cuba. Asked about the proposed city series between the Giants and Yankees, he said he didn't think it would be advisable.

Derrill Pratt, whose playing was of immense value to the Yankees this year, is through as a big leaguer. The crack second baseman and 300 hitter, the champion man in the batting order and best man on the club next to Ruth at driving in runs, has signed to coach athletes at the University of Michigan.

The Mount Hope team of North Dighton, Mass., title holders for New England in the American Industrial Athletic Association, will meet the Endicott Johnson team of Johnson City, N. Y., at Ebbets Field to-morrow afternoon.

"Once in a while somebody is excommunicated by the church and once in a while somebody is court-martialed from the army." This was the opinion of the Yankees yesterday; "but that does not shake the greatness of those institutions. Baseball will survive. The exposures in Chicago are a great blessing for the game."

Just how many men are necessary to constitute a nucleus is not a matter of great quantity, but Syracuse, with the return of Brown to play, has at least an excellent nucleus of a nucleus.

"Suppose," President Heydler is quoted as saying, "Zimmerman and Chase had been in first place." Maybe, but it is doubtful. Zimmerman wouldn't have improved any on the splendid playing of the "Frisch" team, but for his illness. Zimmerman might have been used at third and Frisch at second, but if Mr. Heydler meant that the team would have been stronger with Zimmerman at third instead of Frisch he has something to learn about the ability of that young star.

HIGH LIGHTS AND SHADOWS IN ALL SPHERES OF SPORT

By DANIEL. Copyright, 1920, by THE NEW YORK HERALD.

If the thick of the baseball scandal New York has good reason to congratulate itself. The Giants set an example for the rest of the clubs by throwing out both Hal Chase and Heinie Zimmerman when John McGraw became convinced that all was not well with the playing of the two infielders.

While the Giants can congratulate themselves that they got rid of Chase and Zimmerman, the Yankees may feel elated over their having escaped getting both Felsch and Weaver, two of the confessed crooks of the White Sox.

Nothing came of it. Felsch returned in the spring of 1919. Last winter Comiskey again announced to his friends that he would rid himself of Felsch. It seems that in addition to getting mixed up in the world's series scandal Felsch had done things which caused him to be watched all season by detectives in the employ of Comiskey.

Out in Cleveland to-night Benny Leonard, lightweight champion of the world, will be presented with an opportunity to become the welterweight sovereign as well. In Jack Britton, who holds the welterweight title, Leonard will encounter a crafty ring general who is extraordinarily skilled on attack and quite as well equipped in defense.

Later it was charged that as Thomas was managed by the man who handled affairs for Britton the bout had been preceded by a general understanding. However, discounting any such theory, the fact remained that Britton was none too good. Along about the same time he had trouble in winning over Louis Boragah up in Connecticut.

The Great Harvard-Valparaiso Mystery Is Solved! For several weeks the football world has been deep in a mystery—the great Harvard-Valparaiso tangle, which has defied the Sherlock Holmesness of the game.

Many weeks afterward word trickled into Cambridge that Valparaiso had played the Notre Dame freshmen and not the varsity. Consternation ruled. Valparaiso was asked if it did not think that it would like to give up the date. "Val" replied that it believed that by October 9 it would be in a position to give Harvard a real game.

As brought to light in Harvard's opening football game last Saturday, the biggest problem before Bob Fisher has to do with the quarterback. Johnson, who was third string quarterback last year and seems to be the first choice now, lacked snap and the ability to keep his team on the jump.

We read a good deal about Harvard missing Casey. To be sure, the speedy and elusive Eddie would make some difference, but it's a quarterback more than a Casey that the Crimson needs. In Horween, Gratwick and Humphrey it has a backfield trio who look to be good enough to fill the bill.

Spanish Bull Fighter Proves Poor Ring Fighter. Jack Johnson proved that a professional boxer makes a poor bull fighter, and now comes one Andres Balsa of Spain with evidence that the professional bull fighter makes a very poor boxer.

Quarterback Problem Is the Big One at Harvard. As brought to light in Harvard's opening football game last Saturday, the biggest problem before Bob Fisher has to do with the quarterback. Johnson, who was third string quarterback last year and seems to be the first choice now, lacked snap and the ability to keep his team on the jump.

GLEASON TO PITCH KERN IN TWO GAMES

White Sox Begin Final Drive for Pennant To-day Against the Browns.

CHICAGO, Sept. 30.—With little more than a fighting chance to win the American League pennant, the Chicago White Sox, crippled through the loss of seven stars as a result of the baseball scandal investigation, left to-day for St. Louis to open the final three game series of the season to-morrow with the St. Louis Browns.

The players were determined to fight to the end and were not backward in expressing their belief that the Browns, who have just lost four straight to the Cleveland Indians, would lose three more in a row. For the Sox to win the pennant they must win three in a row while Cleveland is dropping three out of four to Detroit.

As the demand for world's series tickets in Brooklyn already exceeded the supply it is fairly certain that the receipts for the individual game at Ebbets Field this year will top the best figures for the 1916 series with the Red Sox by a comfortable margin, even though the seating capacity will be no greater than it was four years ago.

It will be remembered that when the Dodgers returned to Ebbets Field in October, 1916, the receipts for the game at the hands of the Red Sox at Boston, Brooklyn fans had lost so much interest in the proceedings there were many seats in the stands. No such situation is possible this year for several reasons, one of which is the fact that the club will have to turn down thousands of applications for reserved seats.

1916 SERIES RECEIPTS WILL BE EXCEEDED Demand for Seats in Brooklyn More Than Supply.

No such situation is possible this year for several reasons, one of which is the fact that the club will have to turn down thousands of applications for reserved seats.

As nearly as can be figured out by the Brooklyn club the attendance at the opening game of the coming world's series will be close to 50,000, and the receipts not far short of \$50,000. This is how the estimate is arrived at: 2,000 box seats at \$5.00..... \$10,000 5,000 (approximately) bleacher seats..... 25,000 3,000 (approximately) open pavilion seats..... 15,000 2,000 standing room in stands at \$1.00..... 2,000

Total receipts..... \$52,000 The best attendance at Ebbets Field in the 1916 series was 21,000, and the best single day receipts \$72,000. It is interesting to note that in the same year the receipts at the event that the first day's receipts at Brooklyn, as estimated, will exceed by more than \$11,000 the total receipts of the five games played between the Giants and the Athletics in 1916.

The record for a single day's receipts is the one set a year ago in the sixth game of the "War of the Souls" series when the total of \$101,708 was reached.

OLYMPIC HEROES TO PARADE After Procession Will Be Given a Dinner in Waldorf-Astoria.

The American Olympic athletes, who arrived in this city a few days ago from Antwerp, where they won the championship, will be seen in a parade to-morrow afternoon. The Mayor's committee, which planned the parade, will give a dinner to the athletes in the night at 7 o'clock in the Waldorf-Astoria Hotel.

The procession will start from Fifth street and proceed south to Ninth street, to Lafayette street, to City Hall, where Mayor Hylan will review the athletes and present every member of the team with the city medal of honor.

The members, both men and women, will parade in their Olympic uniforms, the same worn in the "War of the Souls" in the Antwerp Stadium on the opening day of the games. The team will be divided into groups, the track and field men in one group, swimmers in another and the water polo team in a third.

The Mayor's committee is anxious to have a large turnout for the parade and the members have been making strenuous efforts to guarantee the attendance of the Metropolitan Athletic clubs and those interested in athletics a splendid opportunity to honor America's victorious athletes.

PIPING ROCK HORSE SHOW. Except in hunter classes professional riders are barred from the competitions at the eighteenth annual Piping Rock Horse Show at Locust Valley, L. I., to-day and to-morrow.

Except in hunter classes professional riders are barred from the competitions at the eighteenth annual Piping Rock Horse Show at Locust Valley, L. I., to-day and to-morrow. There will be a two hour intermission for luncheon at noon. Luncheon will be served in large and small tents at the south end of the grounds and will be served by the Piping Rock Club. Lander's Band will play throughout both days. The committee will extend a hearty welcome to all. There are over 500 entries and the number has compelled the show being held on two days, as it was before the war.

CUBAN STARS VS. BRONX GIANTS. The Cuban Stars will make their last local appearance next Sunday afternoon, when they will play the Bronx Giants in a double header at Bronx Field. Chacon, Fernandez, Laves and all the other Cuban favorites will be in the lineup. Letty O'Connell of the Yankees will be seen for the first time in the uniform of the Giants.

SUSPEND PLAYER FOR GAMBLING. SAN FRANCISCO, Sept. 30.—A resolution suspending the action of President William G. McCarthy of the Coast Baseball League in suspending Player William H. McCarty for a period of one year for a violation of the league's rules for alleged gambling was adopted unanimously in a special meeting of the league directors here to-day.

N. Y. A. C. BOXING TOURNAMENT. The New York Athletic Club has issued an invitation to the boxing tournament to be held at the city club house gymnasium on October 7, when the preliminary bouts will be decided and Friday, October 9, for the final bouts. Five bouts will be decided—110, 120, 130, 140 and 155 pounds.

Rain Prevents All League Baseball Games

The scheduled games in the National and American leagues yesterday were postponed on account of rain. The clubs will resume play to-morrow with the American League race still undecided, while the remaining contests in the National League will be merely a formality of playing out the schedule, the Brooklyn team having clinched the pennant Tuesday.

Clubs with four games to play, leads Chicago in the American League by one and one-half games, and in order to capture the pennant must win three of the four games, provided the White Sox win their three remaining games. If Cleveland breaks even in the four games and the White Sox win their three the Sox would finish with a record of 92-62, while the White Sox would win the pennant if they defeated St. Louis three straight and Cleveland drops three out of the four games with Detroit.

Another possibility of the race is that of the Chicago club dropping to a tie with the New York Yankees for second place, which would result if the Sox lose all three games with St. Louis.

TRAMPSAFE BEST IN FUTURITY RACE

Finishes First in Race for Three-Year-Old Pacers at Columbus.

COLUMBUS, Sept. 30.—Trampsafe won the Western Horseman's Futurity stake for three-year-old pacers at to-day's Grand Circuit meeting here. The roan colt took the first and third heats, the second going to Frisco June, with whom Trampsafe had such a hot battle last week when he forced Frisco June to establish a new record of 2:03 1/4 for three-year-old pacers. Last week's fast time was not duplicated to-day, chilly weather and a strong breeze from the north slowing up all the horses.

In the 12:08 pacing race, one of the best betting events of the day, Jay Mack defeated Northern Direct, the favorite, but dropped the final heat to Captain Mack. Northern Direct was not in the money. Lafayette Man Injured. Special Despatch to THE HERALD. BOSTON, Sept. 30.—"Mick" Gasella, the former Seventy-ninth Division star and one of Lafayette's few back-field men of experience, was added to the large injured list to-day. Gasella signed the right leg and his right leg may be unable to start against Muhlendorf here this Saturday. Varsity football players were honored by their classmates in the fall elections held at Lafayette to-day. Frank Schwab, the regular guard, was elected president of the sophomore class and George Tindall, a quarterback candidate, president of the freshman class. Both Schwab and Tindall are former Kiski school athletes.

Columbia Must Settle Big Score With Trinity

A FOOTBALL game between Columbia and Trinity, which will feature the inaugural of the 1920 season on October 3, will be a highly anticipated one, as the two schools have not met since the war. Trinity, as the records show, has played Columbia only once. That was in 1913, when Columbia won the great eleven in its history. Trinity won by 54 to 0. That should make the Blue and White of 1920 train for revenge.

The 1920 Columbia eleven started with a victory over the Berkeley Athletic Club by 32 to 0. Then came a defeat after defeat with many a score. The Manhattan A. C. defeated Columbia by 28 to 0, the Crescent A. C. won by 42 to 0, Stevens won by 52 to 0, Trinity by 54 to 0 and Rutgers by 44 to 0. Happily, the season closed after that.

LEONARD COVETS BRITTON'S TITLE

Lightweight Will Try to Drop Welter To-night—Moran Leaves for England.

By CHARLES F. MATHISON. If Benny Leonard can stop Jack Britton in their bout at Cleveland to-night the lightweight title holder will gain the world's welter championship, and it would mark the first time in the history of the ring that one boxer held two world titles at the same time.

The bout between Leonard and Britton was to have taken place last night, but was postponed till to-night owing to the storm. There is good reason for the belief that Leonard will make an effort to take Britton's title in the bout to-night, and the veteran welter will need all his resources if he is to avoid the blow sportsmen.

Britton is so able a ring general and so clever a boxer that, despite his age, even so hard and accurate a puncher as Leonard will have difficulty in reaching the point of the old chap's jaw. There will be little difference in the weight of the contestants, Britton being required to make 145 ringeride. Therefore, if Leonard wins by a knockout he will be the welter champion. Those who believe the lightweight champion will put Britton down for the count of ten are offering 1 to 3.

Frank Moran sailed yesterday on the Mauretania for England, where he is to meet Joe Beckett in a twenty round bout in a few weeks. This meeting should furnish an illuminating answer as to whether Beckett possesses real class as a heavyweight.

When Moran was in England a few months ago he made short work of a number of English heavies who had previously made it interesting for Beckett, and it stands to reason if the Pittsburgh rector manager "Big Sam" on Beckett's side the Briton will drop as quickly as he did the night Carpenter hit him. Because of the slowness of the fight, Moran, who is by no means a martial or ostentatious boxer, has a fair chance to get home with his right.

Charles B. Cochran, the British promoter, who has Carpenter tied to a contract that does not expire till December 31, has notified Jack Curley that he will arrive in this city in time to witness the bout between the French champion and sportsman, who is by no means a martial or ostentatious boxer, has a fair chance to get home with his right.

J. WOOD PLATT BEST. Takes Honors in Golf Tourney at Merion With 310.

PHILADELPHIA, Sept. 30.—J. Wood Platt, Philadelphia's amateur golf champion, won the seventy-two hole invitation tournament at the Merion links to-day in the rain with a total of 310. There was a tie for second place between Max R. Marston, former Metropolitan star, now representing Merion, and Maurice Risley of Atlantic City. Each turned in a card of 321 for the two days.

Jesse P. Gilford, the New England long distance driver, who is here as a member of the Massachusetts team which meets New York in the start of the Leley Cup match to-morrow, took fourth honors with 322. The best eighteen holes to-day was turned in by W. C. Powers, the Pittsburgh player, who made a spectacular 74 for the course. E. W. Day of Monaca, N. J., to-day turned around the course in 78 and A. E. Kammer of Baltusrol made a 79.

HUTCHINSON LEADS. ATLANTA, Ga., Sept. 30.—The first complete scores for the opening round of eight-hole hole-in-the-green Golf Championship Tournament to-day were announced as: Jack Hutchinson, Chicago, 78; Fred McLeod, Washington, 81; Harry Hampton, Richmond, 82; Laurie Ayton, Chicago, 83. A forty mile an hour gale of wind carried golf balls far out of line and played havoc with the contestants.

INCIGNITI TEAM SAILS FOR HOME

English Cricketers Won Six and Drew Two Matches During Tour.

After a sojourn in this country since August 23 when Incogniti cricketers of England sailed for home yesterday on the Mauretania. The home going party included twelve players and their uniforms. The tour against All-Toronto resulted in a draw.

The Incogniti team finished with a record of eight matches played, of which six were won, two drawn and none lost. The defeated teams were those of the Frankford, Philadelphia and Germantown Cricket Clubs, in addition to All-Philadelphia (twice), All-New York and the New York Halifax cup team. The drawn matches were with the Merion Cricket Club of Philadelphia and All-Toronto. The Frankford and Philadelphia C. C. eleven and the two New York teams were all defeated by an innings and with runs to spare.

The highest total made by the victors in a single innings was 406, declared for seven wickets, against the Philadelphia C. C., and the smallest score in a completed innings was 219 in the first innings of the second test match against All-Philadelphia. The highest aggregate of runs in any one match of two completed innings was 1,053 in the first test match against All-Philadelphia.

Four centuries were scored by Incogniti batsmen, and of these two were credited to D. R. Jardine of Oxford University, who scored 157 against the New York Halifax cup team, and 133 against All-New York. G. G. Sheelagh, one of Cambridge scored 143 against the Merion C. C. and Capt. R. St. L. Fowler of the British Army, 142 in the first match with All-Philadelphia. The only century scored by the visitors was by C. C. Morris of Philadelphia in the first test match.

The best bowling feat on the part of any of the visitors was that of Major J. G. Sheelagh, who took 12 wickets for 71 runs in the two innings against All-New York at Livingston. Upon leaving yesterday the Englishmen expressed themselves as delighted with the results of their play and the cordial hospitality extended to them on every hand.

Talking prices in print is apt to mislead—let the goods talk; for "seeing is believing."

This much may be said, however, about shoes and shoe prices.

The era of paper substitutes for leather has not passed, as we showed last season by our exhibit of dissected shoes bought in prominent city shoe shops.

Only all-leather shoes here!

We met the price condition in June by dumping a big stock of high cost shoes, as thousands of men recall with comfort to their feet and finances.

Now we offer an excellent shoe for men, \$12.50; for boys, \$7.50.

Very best shoes somewhat more, but under the general market for same quality.

FOUNDED 1856

HE present era of price-readjustment affords no specific basis for lowering prices on men's and boys' clothing, now ready for Autumn and Winter, other than the possible future lower costs for replacements.

There is no assurance that production costs will be less, but we have the courage to anticipate, hence the scaling down of prices throughout our stock, in many instances, to a point which practically eliminates profit.
