

Rapid Traveller Leads Home Beau Brummel the Only Popular Choice That Fails to Score.

NUMEROUS SCRATCHES Rapid Traveller Finishes First in St. Tammany Handicap, the Feature.

Special Dispatch to THE NEW YORK HERALD. NEW ORLEANS, La., Dec. 4.—A big horse supported Beau Brummel and a second choice found their way to victory over a track that had been reduced to a sea of slop by heavy morning showers which ceased just before racing time to the gratification of a large attendance at Jefferson Park to-day.

Rapid Traveller atoned for his recent defeat by taking the lead immediately after the start of the St. Tammany Handicap, which served as the feature, after galloping under stout restraint in the lead for the mile and a sixteenth distance. Closest behind at the end finished Johnny Dundee's War Mask, who found his weight of 120 pounds too great a burden to carry through the mile and live with Rapid Traveller's pace, despite Buxton's persistent urging throughout. Tailor Maid, after losing ground at the stretch entrance and averting repeatedly through the final stages, took third from the only other starter, Baladina, who was evidently unquitted by the going.

Marvin May, after a flying start, held on long enough in the third to save honor from Vice Chairman, who showed resolutely under Buxton's urging and indicating that he might have reversed the verdict with equal fortune at the break. For he was away sluggishly. Cheesy finished third over End Man, the only other starter, after the latter had failed to extend himself at any part of the five and a half furlong route.

Jockey Roberts scored his usual daily victory when he rode Susan home in the final to defeat the only unsuccessful favorite of the day in Brummel. Dancer paved the early pace, but gave way to Susan M. entering the stretch, and was later unseated by Brummel after the latter had lost considerable ground rounding the turns.

Rustler, under the veteran long shot Conroy's handling, caused Starter Tribe to break, but finally departed with his company, and after racing Silver Springs into submission drew away to score here in the second round. Rustler, after the start, but the jockey escaped unhurt.

S. A. Clifton has decided to restrict Conroy's handling to his own horses for the term until the latter's health becomes stouter.

The Bowie special, carrying 115 horses, arrived to-day. Saint Quentin fell lame after being exercised during the morning and was excused from the race. Fred Talar was an arrival who contemplates a winter's stay.

Attorneys for the Jefferson track announced their intention to appeal the investigation which the District Attorney of the parish has declared he will make within a few days after he assumes office. The appeal is based on the fact that all speculation at Jefferson has been within the bounds provided by the Supreme Court of Louisiana's decision in the Austin case several years ago.
