Hoffman Valves mean a warm home and big coal saving

Little tots coughing, sneezing, shivering in chilly rooms; Mother distracted by floors and ceilings ruined by leaking radiators...

Hoffman Valves should be prescribed. Make this test Put a Hoffman No. 1 on the worst radiator in the coldest room at home.

Convince yourself by this one room test—then Hoffman-equip all your radiators and watch your comfort increase as your coal bills decrease.

The Hoffman No. 1 is silent, efficient, automatic. Rigidly tested, perfectly adjusted, it comes to you sealed against tampering.

Here's a picture of No. 1—the Watchman of the Coal Pile. Put him to work today. If your heating contractor cannot supply you send \$2.15 to us for one sample valve and test it out.
