A SPECIAL SHOWING AND SALE OF
Misses' Spring Tailored Suits
at 59.50

Modish of silhouette, slim of line, these smart little suits have been tailored within an inch of their youthful lives—and well within the strict limits of the Spring mode. Tricotine, Twill Cord and Poirat Twill are the fabrics—Mandarin, Box-coat and Straight of line are the models.

ALSO A SPECIAL SALE OF

Misses' Spring Frocks
at 49.50

It is quite as easy to step into these Frenchy slip-on frocks of soft Canton Crepe, as it is to look irreproachably correct and almost disdainfully aristocratic once you are there. Perhaps it is the horizontal rows of fagotting that give them that "air"—or the Vionnet kerchief drapery at the sides—or the narrow sash—but at any rate, they appear to have stepped out of a Paris atelier. *Second Floor*
