WORLD BAKING BREAD-AND-CAKES COMPANY

Bread—And a Woman's Way

The telephone rang in Mr. Jack's office. Mrs. Jack was on the wire.

"Hello, dear," she said, "I don't just feel like sticking home this afternoon and I'm coming in to the matinee. I'll meet you at the five-fifteen, and we'll come home together."

"But, dear," replied Mr. Jack, in a worried tone, "Won't that make dinner a little late for the kiddies who'll be ravenous after their hard afternoon play?"

Mrs. Jack just laughed. "No! no, old dear," she answered, "we'll buy a loaf of WARD'S BREAD and some WARD'S CAKE on the way home. And the rest I can fix up in a very few minutes. The kiddies like that bread and cake so they won't care much what else they have."

Experience has made our housewives trustful of WARD and thankful that he helps them out of the kitchen.
