SHAWNEE CHANGES GOLF MEET DATES

Takes July 14 and 15 to Make Certain of Entry of Duncan and Mitchell.

By KEIR N. PETRIE. Forewarned is forearmed. Shawnee Country Club has profited by the hint thrown out in this column the end of last week to the effect that Pelham Country Club had engaged George Duncan and Abe Mitchell, the British professional golf stars, to play matches over that course as part of the housewarming celebrations on July 12 and 13. Pelham was to feature its professional, Jim Barnes, and the P. G. A. Western and North and South open champion, Jack Hutchinson, against British play on Tuesday and Wednesday, July 12 and 13, and then was to allow Barnes and his partner to run over to Shawnee for the open tourney, while it kept George and Abe for a week's stay at Pelham. Bobby Jones and Charles Evans, Jr., on Wednesday, July 13.

'Woodie' Platt Will Aid Golf Invasion

Special Despatch to THE NEW YORK HERALD.

PHILADELPHIA, April 4.—J. Wood Platt, Philadelphia's first-class golf champion, to-night wired W. C. Fownes, Jr., of Pittsburgh his acceptance of an invitation to join the American team which will go abroad to take part in the amateur championship of Great Britain, at Hoylake in May. The local star will sail April 30. Platt is the second Philadelphia golfer to make the trip, as Max Marston announced some time ago that he would go, although at present he is suffering from an injury to his right arm. Platt was semi-finalist in the national championship at Oakmont in 1919. In that event he defeated Francis Ouimet after a thirty-eight-hole match. Last year, at the Engineers, he eliminated the titleholder, S. Davidson Herron. In the finals of the Nassau Country Club invitation tournament he defeated the British star, T. D. Armour after an extra hole of play.

PERRY ADAIR HAS EDGE ON GOLFERS

Special Despatch to THE NEW YORK HERALD.

PHILADELPHIA, N. C., April 4.—Perry Adair, the young Atlanta golf expert, led a field of over 200 players by a margin of three strokes at the end of the first 18 holes of the 36 hole qualifying round in the North and South Amateur Championship Tournament at Pinehurst today. Adair won the medal in this event last year, but his stock took a slump here yesterday when he went around well over 50 in a match played with Kirkwood, the Australian professional, and others and it tumbled still further when Perry started his qualifying round this morning by taking over 60 for the first five holes. But at that juncture Adair seemed to have got rid of all the second rate golf in his locker. The play for the remaining four holes of the outward journey, in 3, 3, 3, reached the turn in 39, and came home in 34 for a total of 73 for the round.

NEW EXPOSE PROMISED IN BASEBALL SCANDAL

Judge McDonald Reduces Bail of Indicted Sox.

CHICAGO, April 4.—Promises of a new expose in the baseball scandal came from an unexpected quarter today when attorneys defending the eight Chicago White Sox players indicted with ten others for conspiracy in the alleged throwing of the 1919 world's series announced they had uncovered a "real scandal" in which men hitherto not mentioned in the case had won more than \$300,000 on the series. The statements were made by Attorney Benedict Short and Michael Ahearn when they made a motion before Judge Charles A. McDonald for reduction in bail of the defendants. Judge McDonald reduced the bail for Eddie Cloutie, Claude Williams, Butch Weaver, Swede Risberg, Oscar Felsch, Fred McMullin and Joe Jackson, White Sox players, from a maximum of \$18,000 each to \$500. But he announced he would permit no reduction in the cases of the alleged gamblers. Mr. Short and Mr. Ahearn refused to go into details concerning the charges of a new scandal, but promised that the full particulars would be made public when the case is brought to trial.

Will Benefit by Change.

And now that Shawnee has had time to think it over it feels that it has come out of the threatened mixup with prospects greatly enhanced. For with the national open championship starting on Tuesday, July 19, at Washington, the professionals will welcome the Shawnee event as an opportunity to warm up for the big show, whereas at the meeting held here a bad fall down for its plans, knowing that the success of the meeting is assured.

Touching on Handwork.

The Van Cortlandt Park season has opened in full blast. The first ball having been driven yesterday. The feature of the grand opening was an argument between the players of the York Kirkwood, the Australian champion, which culminated in an offer by an unnamed golfer to demonstrate to the satisfaction of all that a ball will be played from almost any breakable object by using the head of one Joe Hogan for the experiment. While Joe has a regular schedule of charity for golf clubs, forecaddying, and working on the advice and so forth, this situation was an entirely new one for him first.
