CONTENTS ARE SECRET

Desire for Amicable Arrangement Expressed at Conference. RADICALS ARE WATCHED

War Office Directs Disarming of All Civilians in State of Michoacan. Mexico City, May 28.—George F. Sumner, American Charge d'Affaires in this city, had a conference with President Obregon last night and handed to the President a memorandum from the State Department in Washington. Mr. Sumner called on the Foreign Office this morning, but it was explained his visit was merely to thank Foreign Secretary Panl for the courtesies extended incidental to Mr. Sumner's return here.

JAPAN TO DISCUSS YAP CABLE QUESTION

Likely to Offer Some Form of Internationalization of Lines. TOKYO, May 27.—Japan, according to the best available information here, has not sent a formal communication to Washington as an answer to Secretary of State Hughes' note on the mandate question, but will inaugurate an exchange of memoranda in an effort to find a way to a direct settlement of the question of the island of Yap between Japan and the United States. This is described as in keeping with Japan's policy frankly to discuss with the new Administration in Washington all problems which have been pending in America, in an endeavor to reach a cooperative accord.

TURKS THREATEN BRITISH WARSHIP

Vessel Goes to Adalia to Rescue Prisoners Taken From the Palatina. CONSTANTINOPLE, May 28.—The British warship which was ordered to Adalia to force the Turks to release eleven prisoners who were removed from the British steamer Palatina, may be fired upon, according to the notice issued by the Angora Government to-day, declaring a blockade against British vessels. The increasing bitterness between the British and Turks has been accentuated by the hanging yesterday of Mustafa Sahir, a British Indian subject. The British High Commissioner in a note sent to the Nationalists charges them with dishonorable conduct in not releasing British prisoners.

NOT AN ULTIMATUM

The memorandum brought to this city by Mr. Sumner upon his return from Washington was said to be in no sense an ultimatum which called upon Mexico to sign a treaty or protocol as a condition to recognition. It was also asserted that it was not an embodiment of the report on Mexico submitted by Albert B. Fall, present Secretary of the Interior, which was submitted to the United States Senate while Mr. Sumner was a member of that body. This report has been welcomed by newspapers here which for some time past had indulged in editorial attacks upon the Secretary.
