LOYD GEORGE AGAIN SHOWS HIS POWER Gets Confidence Vote From Hostile House in Anti-Waste Test.

On the contrary," he explains, "in everything that I have written on the subject and in everything that I have said, I have taken particular pains specifically to state my admiration for the Irish people and their conduct toward my forces during the war. A reference to my book 'The Victory at Sea,' will show the terms in which I referred to the kindly treatment we received from the Irish in Ireland.

STOPS CABINET REVOLT Now Determined to Comb Ireland of Foes After Weyler's Cuban Plan.

Commented by Daniels. "It may be worthy of note that my action in thus reporting the hostility of the Sinn Fein faction in Ireland was commended by the Secretary of the Navy, Mr. Joseph Daniels, in a letter which he wrote to a gentleman in Philadelphia, who had protested against the attack made upon me by Sinn Fein sympathizers in America. Mr. Daniels sent me a copy of this letter, with a copy of the letter which called it forth. This is a matter of official record in the hearings of the Senate Naval Committee, which investigated the criticisms I made of the Navy Department's action during the war."

PROTEST TO PAT HARRISON-400 Mississippians Protest Against His Criticism of Sims. GULFPORT, Miss., June 24.—A telegram said to have been signed by more than a hundred citizens of Gulfport, near which the Mississippi Senator resides, to-day was sent to Senator Pat Harrison protesting against his criticism of the recent London speech of Rear Admiral Sims.

Revolt Headed Off. It has developed that behind the scenes and before the Parliamentary session last night, the Prime Minister headed off what looked like a near revolt in his Cabinet. It revolved about Ireland. Lloyd George won, and the very newspapers which reported the King's "kindly words" in Belfast the next day carried statements that ten more battalions had been ordered to Ireland. Now it appears that the Prime Minister, aroused by the refusal of Eamonn de Valera and the bulk of the Irish people to respond to his many offers of amnesty, has determined to comb Ireland. His enemies say it will be a campaign like that of Gen. Weyler, Spanish Governor-General, in Cuba.

Plot Against Premier. According to the Manchester Guardian there has been a deep laid plot to overthrow the Prime Minister. It charges that Lord Birkenhead, the Lord Chancellor, heads this plot. This has been described as a "farrago of wild invention." Nevertheless political affairs at Whitehall have been in such a state of flux for the last ten days that there is no doubt that the Premier's statement that serious dissension in the Cabinet ended only when Lord Birkenhead delivered the Cabinet's decision in the House of Lords three days ago to the effect that there was no financial autonomy concession possible for Ireland.

'Q' GIRLS MUST ROLL 'EM UP AND WEAR LONG GINGHAMS

CHICAGO, June 24.—The reckless pace in fashions followed by the working girl of to-day grew too fast for the Chicago, Burlington and Quincy, and to the familiar slogan, "The Burlington on time" the road has added a new word, "Modesty" with a capital "M." Officials of the general offices of the road decided that the style of dress worn by their young women employees was becoming embarrassing to the working morale of the office and that something must be done about it.

General appearance of the girls must be such as is becoming to office service. No more peekaboo waists or dresses to be worn in the office. Gingham the preferred hot weather fabric. Skirts shall be a modest length—the interpretation of the term "modest" to be at the discretion of the head of the woman's welfare bureau of the office.

OPPOSITION GROWS TO JAPANESE PACT

The 'Nation' Urges Its Change Into Agreement to Include America. LONDON, June 24.—The imperial conference and the question of Great Britain's relations with the United States and Japan form the subject of lengthy articles by the weekly reviews which discuss the Anglo-Japanese alliance from every possible angle.

Complaining that all this has gone on under shelter of the alliance, the paper declares renewal means "our further tolerance of this detestable process." "Let the alliance be transformed and expanded into a triple pact agreement to include America," the Nation concludes. "If it is renewed as a dual bond, then it is a little progress in Anglo-American friendship and still less in the project of disarmament."
