Things Decidedly
NEW

The Paris Sports Hat

We head this column with the above sports hat, first, because of its brilliant rose and blue coloring. Again, because the shade is smart, as is its tri-color band of crepe de Chine, of chrysanthemum straw and raffia lacing. **\$6.95**

How They Wear Them

The only ornament affected by the new taffeta frocks one sees at dances, is the distinctive plaque of flowers worn in the center frontwaist-line.

We picture one of the new French rosettes made of rare flowers and glossy leaves in soft rose shade. **\$13**
