Miske Earns Decision Over Roper in Rough Bout

St. Paul Boxer Has Opponent in a Bad Way in Several Rounds.

By CHARLES F. MATHISON. Billy Miske of St. Paul won a ten round decision over Capt. Bob Roper at the Academy A. C. at Dykeman Oval last night.

Roper put up a rough and desperate battle, paying no attention to the niceties of the Queensberry rules. He butted Miske several times and once or twice gripped the St. Paul man with wrestling holds.

The bout was not very highly regarded by the 6,500 odd customers. They expressed their disapproval more than once, especially when Roper did some of the stuff that is done by Strangler Lewis in his fight with Zhyzsko next month and probably was trying his stuff in advance.

Miske outwitted Roper by just three inches. He headed Miske with his gloves and hung on like a leech. Roper landed several times and eventually was trying to lose on a foul. Miske was hurt by the low blows, but fought on gallantly.

Roper clinched desperately in the fifth and hit low repeatedly and heeled and pushed from start to finish. Miske landed some punches to the body, but Miske's efforts were neutralized by Roper's hugging.

Roper continued to clinch and hug in the sixth, and Miske had difficulty in getting Roper off for a punch. Miske staggered Roper in the seventh with a heavy right to the jaw. Roper then clinched and hung on. Miske staggered Roper with another right to the jaw and had him close to a knockout.

Roper received a terrific beating in the eighth, but again saved himself by clinching. The ninth round was a repetition of all the preceding ones, Roper clinching and saving himself.

Roper held on in the tenth and used evasive tactics to get out of the ring. Sammy Noble and Harry London two Harlem bantams, hugged, clinched and wrestled for ten wearisome rounds until Miske received the verdict of the judges.

Sid Terrier, former amateur champion, was held on in the tenth and used evasive tactics to get out of the ring. Sammy Noble and Harry London two Harlem bantams, hugged, clinched and wrestled for ten wearisome rounds until Miske received the verdict of the judges.

INDIANAPOLIS, May 29.—Joe Weiling, Chicago lightweight, outpointed Mel Cooney, Chicago, in the first round of a ten round bout here to-night.

RUBEN, THE REFEREE HEARD THE MEET

Metropolitan A. A. U. Named for High School Championships.

Frederick W. Ruben, president of the Metropolitan Association of the Amateur Athletic Union, yesterday was named by the P. S. A. L. as referee of the high school track and field championships for THE NEW YORK HERALD's medals and cups, to be contested on June 10.

Charles Vernon of the Knights of St. Antony was appointed referee of the elementary school championships, which will be held on the same day, also for prizes donated by THE NEW YORK HERALD.

Gen. George W. Wingate will act as president of the games, with Dr. A. K. Aldinger as director. For the high school program the judges at the finish will be John T. McGovern, Cornell; Jacob Stumpf, Grace A. C.; Matt Halpin, New York A. C.; John J. Deigan, St. Paul's; A. C. John J. Walsh, Pastoria; A. C. Alfred G. Siveri and Edwin Benson of the New York A. C.

This list will assure the services of the best set of judges the championship society has had. The list of timers makes it certain that any track record which may be made will have to be received as authentic and with respect.

Rowland A. Patterson, inspector of athletics for the P. S. A. L., will be the field judge for the all day carnival, and will be in charge of the high schools as well as the elementary and senior high schools will be decided.

It also will be the medium of getting a line on the high school relay teams for Columbia. The P. S. A. L. has a special event for the four, THE NEW YORK HERALD has presented a silver perpetual challenge cup for the senior high school relay at one mile, two miles, four miles, five miles, six miles, seven miles, eight miles, nine miles, ten miles, eleven miles, twelve miles, thirteen miles, fourteen miles, fifteen miles, sixteen miles, seventeen miles, eighteen miles, nineteen miles, twenty miles.

Do Witt Clinton regards the high school relay as already "in" for it counts as a major winner of the national indoor track and field championship. However, Stuyvesant is strong in support of Figueroa, another negro. Figueroa did 6 feet twice during the indoor season. He is a very strong competitor. He will be handicapped by having to compete in the dashes.
