The Home Hotel Overlooking Central Park

LET me give you, in a word or two, the picture you see from a window of the San Remo, overlooking the most beautiful part of Central Park.

Before you, the Lake of Happiness, with lots and lots of little ones and grown-ups at play on its crinkled surface.

All about the lake, acres and acres of greenery through which wind roadways full of scooting auto-

mobiles, footpaths of strollers lingering along, and the bride path where horse and rider by the hundreds center through the trees.

This, right in the very heart of the great city—but a few moments from the very center of the business and amusement sections of town. Let me show you what charming and convenient apartments I still have, now ready for Fall leasing. Come today.
