

## NEWBERRYISM IS BIG ISSUE IN MICHIGAN

Four Candidates Are in Field for Republican Senatorial Nomination.

LANSING, Mich., Aug. 26 (Associated Press).—Michigan voters will go to the polls September 12 to name party nominees for United States Senator, Governor, Lieutenant Governor, Members of Congress, State legislators and local officers. Overhanging all other contests in point of State-wide interest is that for the Republican nomination for United States Senator.

There are four candidates in the field: Senator Charles E. Townsend, State Senator Herbert F. Baker, Representative Patrick H. Kelly and John G. Emery, formerly national commander of the American Legion. The paramount issue in the vigorous campaign they are conducting is excessive campaign expenditures. With Michigan the home State of Senator Truman H. Newberry, "Newberryism" has come to be the slogan of the campaign, and all other issues have comparatively been lost sight of.

Baker, Kelly and Emery are basing their campaigns upon a denunciation of "Newberryism." Senator Townsend, in reply, has held steadfastly to the position that his actions in the Senate call for no apology. He has declared that he "is as much against excessive expenditures as any one." In the Newberry case he admits that "too much money was spent, but not that any money was illegally spent."

Former Gov. Woodbridge N. Ferris is opposed for the Democratic Senatorial nomination. Gov. Alex J. Groesbeck is opposed for

Republican renomination by former State Labor Commissioner Richard H. Fletcher and Theodore M. Joslin of Adrian. Both Joslin and Fletcher are asking for votes as a protest against alleged excessive expenditures in the conduct of the State's business. They also assert that Gov. Groesbeck has created an autocracy of which he is the head. The Governor will go to the voters on his record.

Of the nine Representatives in Congress who are running for renomination all but two are opposed. The Republican nomination is usually considered equivalent to election. Representative Earl Michener is opposed by S. E. Crawford of Ypsilanti, J. M. C. Smith by Brewster E. Kies of Hillsdale, Carl E. Mapes by Alvan M. Brown of Grand Rapids, Louis C. Cranston by James McCaren of Port Huron, Francis O. Lindquist by Bird J. Vincent of Saginaw, William M. Smith of St. Johns and William M. Lash of Saginaw. James C. McLaughlin by State Senator Albert Engel, W. Frank James by Martin S. McDonough of Iron River, John C. Ketcham and Roy G. Woodruff are unopposed for renomination.

### 'REQUISCAT IN PIECES,' END OF HIS USED CAR

Rayle Miller Explains Odd Situation to the Police.

LOS ANGELES, Aug. 26.—Rayle Miller had an automobile. It was a used car. He ran it out in the hot sun and then it quit on him. He fixed it. It quit again. Mr. Miller worked and worked and the car balked and balked. Finally he got it to run and he headed it into a sand pit, where he first dismembered it and then buried it, with a worn out screw driver as a head stone.

Neighbors who saw the interment called the police. They took Mr. Miller to the station and questioned him. "It was a used car," he explained. "Ah," said the Captain, "I had one once; turn him loose."

First Important Showing of

## The New Fall Suits

We've sketched only three of them here—the new jacquette model; the three-piece costume that proved itself of enormous importance throughout the Paris showings; and an embroidered satin matelasse model distinguished with fur—but there are a variety of other styles disclosing other fascinating new silhouettes, new colors, new fabrics, new uses of furs. Priced from \$75 to \$395.

Selections should be made at once—these suits are the right weight for early fall wear and will be bought up rapidly.

THIRD FLOOR
