The Idea Behind This Offer

The sensation of the publishing world is our Pocket Series. The newspapers, realizing its tremendous news interest, are giving countless columns of space to our cultural enterprise. In fact, the newspapers, are going out of their way to get information about our work.

The best works of the great masters of literature are now available to the masses. Price can no longer keep the public from learning what the supreme geniuses of all the ages said and thought. The door has been forced open. The people can now enter the sacred precincts of the elect, and a few insignificant pennies will do the trick.

E. Haldeman-Julius Editor of The Pocket Series.
