TO INVESTIGATE THE SHIP EVELYN

Said to Have Taken Sailors From Norfolk in Violation of United States Laws.

(By Associated Press.)

NEW YORK, Aug. 17.—The State department at Washington has taken steps leading to an investigation of the British ship Evelyn for taking American sailors away from port in violation of the United States laws.

An American consul at Algiers has reported to Washington that Alonzo Hymond and Jacob Jones, two American sailors, were induced to join the Evelyn at Norfolk, Va., under promise of good pay and a short voyage.

The report says that once on board the two found that their voyage would be long; that they were forced to sign papers for the cruise, and that at Algiers they were induced to go ashore and left penniless while their ship sailed away.

Hymond and Jones, through the offices of the United States consul, were able to return to America aboard the oil steamer Bayonne a few days ago.

They arrived ahead of the consul's report of the affair, and now the Washington authorities have requested officers of the port of New York to locate the two sailors.

UNDER FALSE NAME FOR TWENTY-FIVE YEARS

(Continued from first page.)

I am too old to stand in the way of what might be a pleasant and happy future for you and the children. I cannot get work on account of my age so I am only in the way.

"Brother Will Will Help You." "Brother Will will help you when I am gone for charity's sake. While I lived he would claim that you had a husband to help you."

Thomas or Thompson was about 55 years of age. He married Kate Spangler of this city, 25 years ago and the couple had four children—two sons aged 22 and 19 years, and two daughters, 17 and 18 years old. He had been out of work for the better part of the last three years, and the boys and the eldest daughter were the principal support of the family.

Many Papers Considered at the Second Day's Session.

NEW YORK, Aug. 17.—At the second day's session of the National Negro Business League's sixth annual convention, today papers were read by Mrs. J. W. Paine and C. J. Perry, of Philadelphia, and by Charles T. Bass, of Sullivan, Ind., and John W. Armstrong, of Savannah, Ga.

W. I. Graham, of Richmond, Va., and John W. Wright, of Topeka, Kan., discussed "Some Benefits of Fraternal and Industrial Insurance." D. Mason Webster, of Brooklyn, said the business occupations in which negroes were engaged in this city had increased from six in 1870 to fifty-one in 1905.

"The Improvement of the Negro, and How to Meet It," was the subject of a paper by Rev. Dr. Matthew Anderson, of Philadelphia.

Three Cars Involved. "The fact stands, nevertheless, that the draw was open; the train dashed into the awful abyss; one car was entirely submerged, another engulfed to the roof and a third partially submerged and crushed.

"I was in the rear car at the time of the accident and experienced no warning until I felt the brakes go into emergency at a point about fifty feet distant from the draw. I fell before the crash came, was badly jangled, but not injured. The responsibility for the accident should be obvious. I have nothing more to say."

TRYING TO HEAD OFF JUDGE LYNCH

Governor Vardaman Calls Out Troops to Protect Negro From Wrath of Mob.

JACKSON, MISS., Aug. 17.—Governor Vardaman was informed by telegraph this afternoon that a negro named Horn, had been captured between Lambertton and Hattiesburg and that he was in charge of Sheriff Moody and a posse. The negro was charged with complicity in the killing of Convict Guard Smith near Hattiesburg, last week, for which two negroes were lynched.

Governor Vardaman was also informed that a mob was being formed at Hattiesburg to lynch Horn. He at once ordered Adjutant General Fridge at Gulfport to take a detail of troops to take charge of Horn and bring him to Jackson for safe keeping.

General Fridge at once started on a special train to relieve Sheriff Moody who was hiding the negro in the woods.
