### America's Financiers Come Out for a Big Merchant Marine.

## CONGRESS TO BE TOLD TO ACT

### National Legislators, If They Heed the Request of the Monied Men, Will Surely See to It That This Country's Flag Will Again Float in All Seas as of Yore.

(By Associated Press.)  
WASHINGTON, Oct. 12.—The

American Association of Bankers put  
itself squarely on record as favoring  
government subsidies for the upbuild-  
ing of the American merchant marine.

Resolutions reviewing the growth of  
American commerce and the decline  
in American shipping and pledging the  
association to throw the weight of its  
influence towards the enactment of a  
ship subsidy law were presented by  
the executive council of the associa-  
tion and adopted by a rising vote in  
which it was estimated that three-  
quarters of the delegates took the af-  
firmative side.

Mr. Fletcher, president of the Ger-  
man National bank, of Little Rock,  
Ark., opposed "subsidies for any Amer-  
ican industry."

The resolutions recite that the mem-  
bers of the association are deeply in-  
terested in the commercial and indus-  
trial interests of the whole country;  
that it favors and most respectfully  
urges upon Congress the passage of  
some measure to foster and encourage  
the upbuilding of the American mer-  
chant marine; that the ship subsidy  
measure which has received the con-  
sideration of Congress is favored; that  
members of the association recom-  
mend and urge upon their respective  
senators and congressmen the neces-  
sity of action, and that as an associa-  
tion Congress be memorialized with a  
copy of the resolutions.

## MATTHEWSON WINS

### New Yorkers Score 9 Runs to Athletics 0.

## THIRD GAME TOO ONE-SIDED

### Only One Philadelphian Reaches Second—Losing Club Plays Mighty Poor Ball, While Victors Put Up Real Article.

(By Associated Press.)

PHILADELPHIA, PA., Oct. 12.—It  
was all New York today in the third  
game for the baseball championship of  
the world between the National  
League champions and the American  
League pennant winners, the visitors  
scoring 9 runs, while the home team  
failed to tally.

The series now stands 2 to 1 in fa-  
vor of New York. Matthewson pitched  
another magnificent game, the Phila-  
delphians hitting him for only four  
singles, the same number of hits they  
made off him on Monday.

## One Man Reaches Second.

Only one home player reached  
second base, Coakley, the former Holy  
Cross college pitcher, received poor  
support, the American Leaguers put-  
ting up one of the worst exhibitions  
of fielding they have been guilty of  
this year on the home grounds. Mur-  
phy was the chief offender. He fumbled  
three grounders at critical mo-  
ments and Hartzel dropped a fly ball.  
The usual good head work of the home  
players was missing. New York played  
an easy game.

## Giants Start Off With Rush.

New York started off with a rush in  
the first inning, scoring two runs, but  
excepting a muff by Hartzel of Mc-  
Gann's fly in the third inning they  
went out in order in the second, third  
and fourth innings.

The fifth was a distressing affair  
for the home rooters. Matthewson  
went out on an easy grounder to  
M. Cross. Bresnahan was given a base  
on balls. Murphy fumbled Browne's  
grounder, Bresnahan going to third  
and Browne took second on the throw  
to catch Bresnahan at third. Donlin  
was purposely given four balls, filling  
the bases. Then Murphy fumbled Mc-  
Gann's easy grounder, Bresnahan scor-  
ing. A single by Mertes to right sent  
Browne home. Dahlen forced Mertes  
at second, on which play Donlin scored  
and a moment later Dahlen stole  
second, while Conkley had the ball.  
McGann scored the fourth run of the  
inning on Devlin's single, Dahlen go-  
ing to third.

## Signals Go Wrong.

The Philadelphians' signals went  
wrong, as Devlin stole second and  
Dahlen slid across the plate with the  
fifth run. Gilbert, the ninth man up  
in the inning, sent a fly to Lord. Powers  
relieved Schreck behind the bat in the  
sixth inning. No New Yorker got to  
second base after the fifth until the  
ninth, when the visitors scored two  
runs.

Of the thirty-two men who faced  
Matthewson, nine reached first. Hart-  
sel, the first man up in the first in-  
ning, was safe on Devlin's fumble of  
his grounder. He stole second and  
was caught between the bases of  
Davis' fielder's choice. Seybold got to  
first in the second on Matthewson's  
only base on balls and was forced out.  
In the fifth, M. Cross singled and was  
left at first.

### Foul Fly Causes an Out.

### Woman Dies in the Arms of Her Daughter and Requests That Her Murderer Should Not Be Hanged— Christian Science Cult Enters into the Quarrel.

(By Associated Press.)

WILMINGTON, N. C., Oct. 12.—Do-  
cuse he believed that she was re-  
sponsible for the separation of him-  
self and wife, Thomas A. McCraw,  
while intoxicated today, shot to death  
his mother-in-law, Mrs. Mary E.  
Wright. The woman died in the arms  
of her daughter, Mrs. McCraw. She  
pleaded that her son-in-law be not  
hanged for the sake of three little  
children, who are left to the bereaved  
daughter.

McCraw was arrested with the  
smoking revolver, purchased the day  
before, in his hand.

In a note containing sensational  
charges against the Christian Science  
religion, it is indicated that the man  
not only intended to kill Mrs. Wright,  
but his wife and himself also. A son  
of the dead woman had to be re-  
strained from shooting McCraw.

McCraw in the note referred to al-  
leged that his mother-in-law, influen-  
ced by her faith, exercised an undue  
control over his wife, who was not a  
member of the same denomination.  
The letter revealed improper state-  
ments.

house. The arms below the elbow and  
legs below the knee had been packed  
in a suit case and the torso and re-  
maining portions of the arms and legs  
were hidden in a clothes hamper in a  
room occupied by Frederick Bauer,

being of triangular canvas, forty shots

## MUTINEERS HELD FOR KILLING FOUR

### Negroes Blame the Murders on Each Other and Tell of Conspiracy.

## PLOT HATCHED IN MOBILE

### Scott, One of the Accused Men, Tells How the Members of the Crew Plotted to Destroy the White Of- ficers of the Schooner, Which They Did.

(By Associated Press.)

WILMINGTON, N. C., Oct. 12.—Her  
decks and cabins splashed with blood  
of the butchery following the mutiny  
aboard the ship, Tuesday, the four-  
masted schooner Harry A. Berwind,  
of Philadelphia, was towed into South-  
port today.

At the investigation before United  
States Commissioner Collier today,  
the men who boarded the Berwind  
told the story of the crime.

The three prisoners gave their  
names as Robert Sawyer, Henry  
Scott and Arthur Adams, all colored,  
and under 40 years old.

## Put the Blame on Scott.

Sawyer and Adams employed coun-  
sel and both charged that Scott did  
the killing of the five men with the  
exception of Captain Rumill, who dis-  
appeared Tuesday morning in a man-  
ner of which they know nothing.

Each said he saw Scott shoot the  
mate and throw his body overboard.  
Then he killed the engineer. Very  
soon they heard shots in the galley  
and Scott came up again bearing the  
body of the cook, a small white man  
in his arms, depositing his burden  
over the rail. They afterwards bound  
Scott and managed the vessel as best  
they could until overhauled by the  
King.

## Scott Tells of Conspiracy.

Scott says all the seamen, four ne-  
groes, formed a conspiracy soon after  
leaving Mobile, September 23, the  
colored seamen feeling outraged be-  
cause of short rations. He said that  
he killed no one except the negro seaman  
found on deck, Cokeley by name,  
and that he killed him in self-defense.  
He said he saw Cokeley kill the mate  
and saw Adams kill the engineer.

Scott is a mulatto and the most in-  
telligent of the lot; Adams is also  
a mulatto and claims to be a British  
subject from St. Vincent Islands. All  
three of the negroes were held with-  
out bail.

Three members of the crew of the  
schooner Blanche H. King are held as  
witnesses.

Upon her arrival in port the Ber-  
wind had lost the foremast, top sail,  
her rudder was disabled and she was  
leaking slightly. She has a cargo of  
lumber.

## Captain Leaves a Family.

ELLSWORTH, ME., Oct. 12.—The  
identity of Captain Rumill, who with  
four of his crew was murdered in a

Berwind was today established as

Mount Desert, Me. He was 40  
years old and leaves a widow and two  
children at Prettymarsh.

(Special to the Daily Press.)

RICHMOND, Oct. 12.—Romulus T.  
Chandler, of Virgilia, was arrested  
there Wednesday afternoon by United  
States Deputy Marshal Luck, of Dan-  
ville, on the charge of sending ob-  
scene literature through the mails.

It is alleged that Chandler has been  
mailing in large packages batches of  
letters to various towns in the State  
addressed to prominent and well  
known women of Virgilia.

A number of the packages were  
sent to Danville with instructions to  
mail the enclosed letters, which con-  
tained the most vulgar and indecent  
language imaginable.

Several of the young women of Vir-  
gilia who received letters, turned  
them over to the postal authorities,  
and Inspector James B. Robertson was  
sent to the community to investigate  
the case.

Chandler was watched, and the men  
having the matter in charge say that  
they have a strong case against him.  
The accused is well connected and is  
an organist in a church at Virgilia.

He was arraigned before United  
States Commissioner Withers in Dan-  
ville today and sent on to the next  
term of the Federal grand jury. Bail  
was fixed at \$2,500, which was fur-
