

CHORUS GIRL'S FATE WORKS A REFORM

Boston Police Raid Alleged Il- legal Doctors' Offices—No Arrests Made.

MALPRACTITIONERS "SLICK"

"Surgeons" Use Screens and Masks to Hide Their Faces From Their Pa- tients While in the Sanitariums— Indictments are Found Against Four Persons in the Geary Case.

(By Associated Press.)
BOSTON, MASS., Nov. 11.—Twenty
detectives headed by Police Captains
Joseph Dugan and Lawrence, made a
sensational descent this afternoon
upon five offices in Tremont street,
where illegal operations have been
performed on an extensive scale.
The action of the police today was
the result of disclosures in the Susanna
Geary case, whose death followed
an illegal operation alleged to have
been performed in the office of Mrs.
"Dr." John Bishop, and the more re-
cent operation performed upon John
Rood, a 15-year-old girl of West New-
field, Me.

Girls Waiting in the Rooms.

The Bishop office was also deserted.
Three young women were found at
the Williams office. They were wait-
ing for the doctor.

The establishment which held most
interest for the raiders was that of
Mrs. Jane Bishop at 178 Tremont
street. It was here that a greater part
of the evidence was gathered, and it
was here also that the officers learned
the method of disguise adopted by
the persons performing operations
was disclosed. The parlor is elab-
orately furnished in blue and gold.
Books found in a desk showed that an
enormous business has been done
daily.

Patients Do Not See "Doctor."

There are three operating rooms in
the place, all cleverly arranged with
the idea of hiding the operator from
the patient. Over each operating
hangs a curtain in which there is an
opening only sufficiently large to per-
mit the "doctor" to do his work. An
officer found additional evidence of
the extreme care taken to conceal the
identity of the operator. He found a
large mask having long black hair
which covered the face from the top
of the head to the neck. Black pieces
of veiling were used to hide the eyes.
The Bishop establishment is said to
be the largest of its kind in New Eng-
land and the headquarters of a num-
ber of branch offices, many of which
are out of town. A syndicate is in
operation here.

Malpractitioners Indicted.

BOSTON, MASS., Nov. 11.—The
grand jury today indicted four persons
whose names have been connected
with the death of Susanna Geary, the
suffocate victim. They are Mrs. Mary
S. Dean, of Boston, as principal, and
Dr. Percy D. McLeod, of Boston, and
Louis W. Crawford and William E.
Howard, also Hunt, at present in cus-
tody in New York as accessories. No
indictment was found against Morris
Nathan, the girl's sutor.

ORDER IS RESTORED AT LAST IN RUSSIA

Church to Take a Hand in Putting Down the Disorders at Count Witte's Orders.

(By Associated Press.)
ST. PETERSBURG, Nov. 12.—3:20
a. m.—The groundless nature of the
alarmist reports that a St. Barthol-
omew massacre would take place last
night was demonstrated when 11
hours passed without the slightest de-
velopment of mob spirit.
The only sign of anything out of the
ordinary was that the Jewish stores
were shuttered up earlier than usual
in several streets and localities which
rumor assigned as the scenes for looting
and Jew baiting. Students in uni-
form avoided these quarters and the
frequent military patrols indicated
that the authorities realized the ne-
cessity of preventing any outbreak in
the capital.

Prince Lvoff, the Moscow Zemstvoit
and one of the leaders of the consti-
tutional Democrats, has issued a re-
assuring announcement declaring that
the rumors of the organized "Black
Hundreds" were almost entirely
myths.

In an effort to pacify the country
and end the fratricidal strife, Count
Witte has enlisted the aid of the
church and the Holy Synod has issued
an encyclical which will be read in all
the churches of the empire in place of
the usual Sunday sermon. It reminds
Russians that wrath and hatred often
change the nature of men and make
them, like wild beasts, forget the laws
of humanity and commit crimes caus-
ing eternal remorse. The encyclical
urges Russians to work together for
the common welfare.

Prisoners Start a Revolt.

ODESSA, Nov. 11.—The prisoners of Kishineff and Bessarabia, revolted in a body last night and demanded their freedom. On their request being re- fused the prisoners returned to the jail. Troops were hurried to the scene and fired a volley into the mutiners, of whom twenty-two were killed and many wounded.

BELIEVES IN MINES.

John J. Brady Says Mexico is the Place to Go.

Mr. John J. Brady, mine ventilat-
ing engineer, of Mexico City, is in
this city on his way back to Mexico,
where he will engage in the mining
business. Mr. Brady stated yester-
day that he was thoroughly familiar
with all of the gold mines in Mexico
and believed that it is a great field
for energetic young men.

When asked about the Capuzaya
mine, in which local capitalists are in-
terested, Mr. Brady stated that he has
been in the mine several times and
that its riches are almost fabulous.
The ore he says is very rich and that
properly worked the mine should yield
millions of dollars.
Mr. Brady will be in this city for
about a week.

Contest in Quaker City Marred by Slugging and Exceedingly Rough Playing by the Home Team—West Point Cadets Defeated by the Car- liste Indians by Score of 6 to 5.

(Special to the Daily Press.)
BLACKSBURG, Nov. 11.—Virginia
Polytechnic Institute defeated Wash-
ington and Lee today by a score of 15
to 0.

Blacksburg put up the most ragged
game yet seen on the field.
Washington and Lee played a beauti-
ful defensive game.

Washington and Lee's inability to
advance the ball at critical moments
prevented them from scoring.
Stickle's goal from placement was
probable. The feature of the game,
Bachy, Moormaw, Duffendahl and Han-
ley also did good work.

Richmond—William and Mary.

RICHMOND, VA., Nov. 11.—The
college of William and Mary was de-
feated in Broad street park today by
Richmond college, the score being
23 to 5.

The visitors scored in the first half,
but were outclassed in the second.
The game was splendidly played.

V. of V.—Washington.

(By Associated Press.)
WASHINGTON, Nov. 11.—The Uni-
versity of Virginia today defeated the
George Washington University foot-
ball team on the local gridiron by a
score of 55 to 0.

Johnson, acting captain of the team
from the Old Dominion, piloted the
visitors to victory. He circled the
ends and pierced the lines with ease.
Early in the game he ran 50 yards for
a touchdown, and the next time he got
his hands on the ball he ran 73 yards
for another touchdown. Waples, Hop-
kins, Barry and Maddox gave material
aid.

George Washington lacked weight
and experience to win in such fast
company.

PENNSYLVANIA—HARVARD.

College Men Play a Rowdy Game and Two Students are Suspended.

(By Associated Press.)

PHILADELPHIA, PA., Nov. 11.—
Pennsylvania today defeated Harvard
in one of the fiercest gridiron battles
ever seen on Franklin field. The score
was 12 to 6. Both elevens scored a
touchdown and kicked the goals in the
first half and the Quakers added a
touchdown in the second half.

Lansom, the player over whom there
has been so much contention, scored
both touchdowns for the Pennsylvania
eleven.
That there was ill feeling between
the players of the two elevens was
made apparent early in the first half,
when Parker, the Crimson center, was
disqualified for slugging and again in
the second half when Shellee was
sent to the club house for a like of-
fense. Both touchdowns in the first
half were due to luck.

The numerous changes in the Har-
vard line-up attest the fierceness with
which the Pennsylvania players went
into the tandem play at the Crimson's.
Five men were so badly weakened that
they were sent to the side lines. The
Pennsylvania line-up remained intact,
however, with the exception of Shellee,
who made too free use of his hands.
The particular star was little Levin.
Pennsylvania's left end. Time and
time again he broke up Harvard's in-
terference before the play had gone
six feet. Six times during the game
he recovered the ball after a member
of his team had fumbled. Three he
was laid up because of his fierce tack-
ling, but he always resumed play after
receiving the sponge bath.
More than 22,000 people saw the
game.

Carlisle—West Point.

WEST POINT, N. Y., Nov. 11.—Fail-
ure to kick caused West Point to lose
today to the Carlisle Indian eleven.
The score was 6 to 5 in the Indians'
favor and the goal which would have
tied the score was missed by less than
six inches.

Prince Louis, of Battenberg, was a
spectator of the game.
Two entirely different types of foot-
ball players were pitted against each
other, the Indians using trick plays
throughout the game and the army
eleven relying on its superior physical
strength to crush its way to the goal
line. Each team scored once by its
distinctive style of play. The Indians,
after long patient waiting, picked up
a fumble and raced with it over West
Point's goal, and then the army play-
ers, goaded on by prospective defeat,

pushed their way across 100 yards of
the gridiron for their score.

Annapolis—Bucknell.

ANNAPOLIS, MD., Nov. 11.—The
Naval Academy eleven delighted its
supporters this afternoon by playing
most brilliant football and defeating
the much heavier team of Bucknell by
a score of 34 to 0. This is one of the
largest scores made by the midship-
men this season and strengthens the
confidence here that Annapolis has
more than a good chance of winning
from West Point.

Yale—Brown.

NEW HAVEN, CONN., Nov. 11.—A
game full of sensational plays Yale
defeated Brown University today by
the score of 11 to 0. Not until well
through the second half did the Yale
supporters feel certain that Brown
would not score a touchdown.

Close Game in Georgia.

ATLANTA, GA., Nov. 11.—After
Captain and Quarterback Scarborough
had lead his team-mates of Sewanee
to within easy striking distance of
victory he allowed Sweet, of Tech, to
get him and make a 50-yard run for a
touchdown, which tied the score, 15
to 18.

HEARST FINDS MANY FRAUDS

Outcome of the Present Municipal Fight Expected to Fill the Prisons.

(By Associated Press.)
NEW YORK, Nov. 11.—Managers of
the W. R. Hearst contest claim re-
turns from the election district cap-
tains of the Municipal Ownership
League, which are coming in show in
every instance a gain for Mr. Hearst
in the figures of the captains' tally
sheets over the figures reported by the
district election boards and poll clerks.
These figures were carefully gathered
and classified with the object of using
them as evidence in the proceedings
to contest the vote.

It was expected today that one of
the Tammany district leaders would
be arrested on charges of violation of
the election law. After the grand jury
endorses the indictments which have
been drawn up charging assaults at
the polls on Monday arrests are ex-
pected.
Mr. Hearst's counsel were securing
large numbers of affidavits today and
asserted that within a few days they
would be prepared to secure the arrest
of sixty men for various violations of
the election law.

A Jerome watcher today made affi-
davit to the law committee of the Je-
rome nominators that despite his pro-
tests both Democratic and Republican
election inspectors had refused to ex-
clude men from voting on other names
than their own and that one Tammany
inspector had ignored his protests
against defective Tammany ballots
in more than thirty cases in one elec-
tion district in the Sixth assembly dis-
trict.

augurated on Thanksgiving Day, gives

grounds.
Fully a thousand nominations have
been received for the different events
that will be decided over the Crescent
City Jockey Club course this winter.

WILSON ACCUSED OF SPITE WORK

Southern Cotton Man Practically Charges the Secretary With Criminal Act.

REPORT AIMED AT THE SOUTH

Latest Agricultural Department Bul- letin Held up to Ridicule and is Said to Have Been Issued to Assist in a Bear Raid on "King Cotton"—Con- gress May Act.

(By Associated Press.)
NEW YORK, Nov. 11.—Richard
Cheatham, of Atlanta, secretary of the
Southern Cotton Association, is quoted
by the Herald, as having severely
criticized the report of the cotton
crop issued yesterday from Washing-
ton.

Mr. Cheatham said:
"The most absurd piece of spite
work ever attempted was the issuing
of the crop report Friday by Mr. Wil-
son, the secretary of agriculture. In
this report he announces the 'condi-
tion' at 68.8.

Crop Conditions Unchanged.

"Now there is no sane man who
ever saw a cotton stalk who does not
know that on November 1 it is not
only far beyond the fruiting or bearing
stage, but in nearly every case is void
of foliage. Its condition, so far as
conditions are recognized in reports,
is the same on October 1 previously.

"For Secretary Wilson to make a re-
port on 'condition' on November 1, is
to assist in the operations of the bear
speculators to hammer down the price
of cotton.

"I say to Mr. Wilson 'shame, shame,
shame' on this attempt at spite work
against the cotton producers of the
South.

Congress Expected to Act.

"It is a final effort to 'get over' and
the attempt will result in sure discom-
forture of the department of agricul-
ture before the next session of con-
gress is far advanced. That there will
be an investigation."

GRAFTON HOUNDS WORN OUT.

Strenuous Work of the Last Two Weeks Tells on Animals.

(By Associated Press.)

MIDDLEBURG, VA., Nov. 11.—The
Grafton hounds met at 7 o'clock this
morning at Mountsville, 12 miles from
Upperville. Only a fair field was out,
for both horses and riders were worn
out with the strenuous life of the last
two weeks. Hounds were cast into
the woods and a find was made almost
at once.

The hounds were placed on the trail
of Reynard by a shout of a field laborer
and he went off like the wind, but
were soon thrown off on account of
two other big red foxes crossing his
line. This wealth of foxes proved too
much for the hounds, for as soon as
they took up the tracks of one they
crossed the trail of another, and their
noses went up. Finally the old trail
was picked up. The trail was aban-
doned shortly before reaching Lees-
burg and were later brought back by
the Grafton establishment and cast
into the covers on Grosse Creek to
try their luck again.

Henry Higginson, master of the Mid-
dlesex hounds, was arrested on a war-
rant sworn out by A. Payne, over
whose land Mr. Higginson had ridden
inadvertently. Mr. Higginson com-
promised the matter by the payment
of \$50.
